Bro. Cameron was initiated into Freemasonry in Grand River Lodge No. 151 Kitchener-Waterloo in 1991. As Junior Warden he brought Masonic Education to every meeting by linking the food served to an educational topic. He became Worshipful Master in 2001. M.W. Bro. Cameron is a 33° Scottish Rite Mason and a member of the Royal Arch, Allied Masonic Degrees, Royal and Select Masters, Shriners and the Royal Order of Scotland. He is a Fellow of the College of Freemasonry.

Section 131(e) of the Book of Constitution states that honorary membership recommended by the Grand Master shall not exceed five.

It is with pleasure I acknowledge the time, talent and proficiency of R.W. Bro. James Sutherland and his many years of outstanding work as Chairman of the Audit and Finance Committee.

I also recommend R.W. Bro. Barry Burchill member of the Board of General Purposes and former member of the Management Committee because of his many years of diligent work in Eastern Ontario for Grand Lodge as a representative on the Board of General Purposes.

The recipient for a diversity of reason has not served his Lodge as Worshipful Master, choosing to play a supporting role in the Lodge. His selfless contributions for the greater good have added much to the fraternal atmosphere of the Lodge.

The William Mercer Wilson Medal is considered the most prestigious award given in this Grand Jurisdiction. Since its inception it has been awarded to an elite group of Brethren with in our Grand Jurisdiction.

SPECIAL THANKS

I would like to take a moment to thank several Brethren who will retire this year, although there is no such thing as retiring, from the Board of General Purposes.

R.W. Bro. Howard Adams, served this Grand Lodge as a Member of the Board of General Purposes and Chairman of the Brock University as Liaison, where he

was instrumental in negotiating a new Sankey Lecture agreement. I thank him for his service and perhaps he will someday “unretired”.

R.W. Bro. Paul Skazin, a member of the Board of General Purposes and Chairman of the Grand Lodge Benevolence Committee. Paul and his Team reorganized the booklet designed to explain how to apply for benevolence and then put the application which on the Grand Lodge web site. We wish both retirees good health and thank them for their service.

R.W. Bro. Edward Charles Denbeigh, *The Grand Director of Ceremonies*, for an unprecedented second year the Grand Director of Ceremonies once again took the duties of his office to an even higher level by continuing to refine his duties for use today and tomorrow as Grand Director of Ceremonies.

Edward’s personal contact with the organizers of Grand Master Receptions, Amalgamations, Extinguishing the Lights and other formal Grand Lodge events in co-operation with the Grand Lodge office help take the mystery out and put the local Brethren at ease.

All this was accomplished with a sense of humour and a close friendship with the Grand Master, Lady Gloria and Lady Wendy as we traversed the highways and bi-ways of this Grand Jurisdiction.

V.W. Bro. Shawn Adam Todd, *The Assistant Grand Director of Ceremonies*, Shawn carried out his duties pertaining to his office whenever called upon whether assisting or directing the ceremonies of Grand Lodge. As a Father and a Brother the Grand Master truly appreciated all his efforts and he was particularly proud to have him on our Team.

R.W. Bro. Bruce Nykola Palanik, *The Grand Piper*, Bruce has fulfilled his duties as the Grand Piper with great enthusiasm and distinction with a unique ability to show up unexpected anywhere in our Grand Jurisdiction. I modestly must proclaim that the Grand Piper pleased his Grand Master when he would play the Fireman’s March on entrance to Masonic events.

R.W. Bro G. Pirie Mitchell, *The Grand Chaplain*, Reverend Pirie Mitchell has served this Grand Lodge in many ways as he travelled extensively across the Grand Jurisdiction during this past year by participating in the Grand Lodge official ceremonies which were numerous and by always bringing his Faith, his smile and his sense of humour.

He was a spiritual advisor in general to the Masons of Ontario and their Ladies and in particular to this Grand Master and Lady Gloria.

R.W. Bro. Frank L. Thompson, *The Grand Senior Warden*

R.W. Bro. Kelly Feldcamp, *The Grand Junior Warden*

R.W. Bro. W. Warren Wolfe, *The Grand Registrar*

I have been very fortunate this year to have Senior Officers of this Grand Jurisdiction who were committed to their duties and to travel to the numerous official Grand Lodge ceremonies such as but not limited to Grand Master’s Receptions, Amalgamations, Extinguishing the Lights. They undertook the duties

of their respective offices with dignity and attachment and at the same time enjoying a great deal of camaraderie as they travelled. This Grand Master was blessed to have such dedicated Officers.

District Deputy Grand Masters

I acknowledge the forty-one District Deputy Grand Masters who served the several Districts of this Grand Jurisdiction with such dignity and knowledge. Although I was unable to visit all forty-one Districts in this vast Province, those which I did visit, treated me with respect and were forthright in giving their opinions for the betterment of the Craft.

There were from time to time issues in their Districts but I am pleased to say you have dealt with those issues with dispatch and candor. I trust you have enjoyed your year and to those of you who will be doing a second year, you now have the wisdom of a seasoned veteran.

Finally, I extend my personal thank you and congratulate you on a job well done and give you the following free advice, please stay involved, the Chairman and Team Leaders of the several committees of Grand Lodge will be looking for assistance, and remember there is no such word as retirement in Freemasonry.

PAST GRAND MASTERS

As I have acknowledged on several occasions the Past Grand Masters of this Grand Lodge are the keepers of the corporate knowledge. Their benefit to your Grand Master can never be overstated.

As in the previous year and because it was an original element in the formation of the Management Committee I once again, invited a Past Grand Master chosen from among themselves to attend each Management meeting and to receive the minutes of the meeting.

The Past Grand Master attending the meeting had no voting right however they were encouraged to be part of the discussion and encourage to give an opinion.

This year unlike the previous year there was no need to call an Especial meeting of the Past Grand Masters however on several occasion I did consult with them individually for advice on certain Masonic matters.

In my opinion it is very important to keep the Past Grand Masters engaged in the decision making of our Grand Lodge, they play an important role with their knowledge of past history and their views of the future of Freemasonry in Ontario. I personally thank the Past Grand Masters for their contributions over my term as Grand Master and I look forward to soon being the “Junior Past Grand Master”.

MOTORCYCLE RIDING CLUB

I once more this year state the following, that the Grand Lodge of Canada in the Province of Ontario does not recognize any motorcycle riding club or associations.

I do however recognize that the ratified agreement of February 17, 2018 which agree to remove the trade marked Square & Compass patch, not to use the trade mark Square & Compasses on banners, or on websites and printed material has in my opinion been upheld by the majority of their members and I acknowledge this action by saying thank you and safe riding.

CONFERENCES

WORLD CONFERENCE OF REGULAR MASONIC GRAND LODGE

The XVI World Conference of Regular Masonic Grand Lodge was held in Panama and was attended by your Grand Master, Deputy Grand Master and the Grand Secretary Emeritus.

The topics for the Conference were three fold; The Role of Freemasonry and Mason Individually in Society, The Masonic way towards the Internal Transformation of the Individual, Attitude of the Mason in the face of the violation of Human Rights.

Your Grand Master was impressed with the discussions on these subject however somewhat surprise to hear the opinions of some delegates from all over the world regarding human rights.

The Grand Orient of Italy spoke of “masonphobia” such as the seizure of Masonic records by the police in Calabria where draft legislation has been drawn up to declare Masonic membership and even prohibit public employees from membership.

Thomas Jackson past executive secretary of the conference perhaps summarized it best by saying, the purpose of Freemasonry is not to change the world, not to change society, but to change men.

I found it to be a very informative conference with wide variety of opinions on the three topics and it gave your Grand Master a new appreciation how fortunate we are in our Jurisdiction to practise and enjoy Freemasonry without fear of reprisal.

Conference of Grand Master of Masons in North America

The Grand Master and the Deputy Grand Master attended the Conference of Grand Master of Masons in North America which was held in Rapid City South Dakota in February.

The conference this year worked under a new format with more time for discussion and less time for introduction of delegations and this positive change improved the conference.

With more time for discussion we continue to learn that the issues we have at home are similar to many of the attending jurisdictions and we learn how to manage these issues. Although we appear on the outside to be different to our Brethren in many ways, we are in fact the same.

At the same time, the Grand Secretaries of North America held a parallel conference in the same location and our Grand Secretary M.W. Bro. D. Garry Dowling was in attendance.

All Canada Conference

The Grand Master, the Deputy Grand Master and the Grand Secretary were in Winnipeg Manitoba to attend this annual conference.

The well-organized conference was well attended by the Grand Jurisdictions of Canada with the exception of Prince Edward Island due to the Deputy Grand Master's illness. It is worthy to note that Prince Edward Island attended last year and is actively planning on attending future Conferences making this Conference truly all Canada.

Break out groups decided by a mixture of those in attendance proved very successful, the subject of the breakout groups were outstanding, they ran on time

and at the end of each discussion there were conclusions which were then discussed by the whole group. Simply put, the best All Canada Conference in my four years of attending this event.

We congratulate our Deputy Grand Master R.W. Bro. David J. Cameron, soon to be Grand Master for being elected as the President of next year’s conference.

GRAND MASTER’S BANQUET

I am proud to announce the R.W. Bro. Allan L. Casalou is the key note speaker this evening at the Grand Master’s Banquet. As Grand Secretary of the Grand Lodge of California, R.W. Bro. Casalou leads the staff at the California Headquarters in Los Angeles and oversees the business operations of the fraternity. He serves as Secretary to several operational and charitable boards. In equal parts diplomat, servant and executive, the Grand Secretary takes duties and advice from every aspect of the fraternity. Allan has served as Grand Secretary since 2008. He has been a key contributor to the Conference of Grand Masters and Grand Secretaries of North America and the World Conference of Regular Grand Lodges. He has attained world wide recognition as a masonic speaker and we look forward to his presentation.

DISCIPLINE

Suspension of Brother A:

A number of Masonic complaints were received about the conduct of Brother A. On Nov. 21 after a meeting with Bro. A, the Grand Master, pursuant to Sec 84, put Bro. A under probation for six months.

Prior to the end of the probationary period, additional complaints were received against Bro. A., with another formal complaint being made on Apr. 02, 2019. On Apr. 8, 2019, the Grand Master, pursuant to Sections 84 and 85 of the Book of Constitution, the Grand Master suspended Bro. A pending the disposition of the complaints.

A reviewing committee was formed to investigate the complaints and on May 23, the Reviewing Committee reported and recommended that a masonic Charge be

filed against Bro. A. Such charge has been properly filed and as of this writing, a Masonic Trial Commission is being formed to conduct a Masonic Trial for Bro. A.

Masonic complaints filed against Brother B:

Upon receipt of a number of Masonic complaints against Brother B, an Investigating Committee was formed. That Investigating Committee reported on June 6, 2019 and recommended that a Masonic Charge be filed against Brother B. As of this writing the filing of the Masonic Charge and the formation of a Trial Commission are in progress.

Suspension of Lodge A:

After many repeated attempts were made to secure the payment of three outstanding semi-annual returns, the Warrant of Lodge A was suspended by the Grand Master. In Feb 2019, pursuant to Section 179 (a) of the Book of Constitution notice was given to the Lodge that they have been for some time and continue to be in violation of Section 301 of the Book of Constitution. Therefore, regrettably, since the Lodge did not remedy this situation and no communication was made to Grand Lodge to explain the continued neglect, the Grand Master suspended the Warrant of Lodge A effective Feb. 13, 2019. As of this writing the Warrant remains suspended.

APPRECIATIONS

This year represented a change in the makeup of our Grand Lodge Office for effectiveness and efficiency.

The Grand Secretary, M.W. Bro. D. Garry Dowling, has been a principal player in the transition of the office with the division of duties. It has in my opinion been done seamlessly with much credit to the Grand Secretary.

The many inquiries regarding Constitution matters from Lodges, Districts and District Deputy Grand Masters has led to the development of standardize policies so all matter and responses are treated equally.

Your Grand Master appreciates the extra effort by the Grand Secretary as he performs weekly and sometimes daily his duties. I am pleased to report much has been accomplished in the first year of the new office mandate and I look forward to continual updating of the office technology.

I also acknowledge M.W. Bro. Terence Shand, *Grand Secretary Emeritus* who from time to time when asked, makes available his vast corporate knowledge and for all that I say thank you M.W. Sir.

Proving that there is no such word as “retiring” I acknowledge M.W. Bro. Donald H. Mumby, *Custodian of the Work*, who accepted the challenge of once more returning to duty, especially for his knowledge which provides information, instructions and answers to the many questions from the Masons of Ontario as it relates to our Ritual. Simply put, thank you M.W. Sir.

Grand Treasurer, R.W. Bro. Thomas Wallace Hogeboom, is acknowledged for all his work regarding the financial matter of this Grand Lodge, for his advice and guidance in which he has successfully held the line on raising the assessment to the Lodges of the Grand Jurisdiction for well over five years, thank you R.W. Sir.

Deputy Grand Master, R.W. Bro. David J. Cameron, I take this opportunity to thank the Deputy Grand Master for all his efforts as the Chairman of the Board of General Purposes in charge of all Chairmen and Team Leaders but also with assisting the Chief Operating Officer and the Ladies of the Grand Lodge to implement, create, cost and apply our new business plan.

The Deputy has also presided over Amalgamations, Extinguishing the Lights Ceremony with dignity.

R.W. Bro. Cameron has been a loyal friend and has learned his trade well and I have no doubt he is prepared to take the leadership role of being Grand Master in this Grand Lodge.

GRAND LODGE OFFICE

The Masons of Ontario are very fortunate to have dedicated Grand Lodge office staff because of their willingness to assist and their devotion to duty when called upon. This year like last year, they gave extra effort because of all the changes in the office structure.

On a recommendation of the Audit & Finance committee the names of positions in the office have been changed to better reflect their work position. Therefore, I agree following changes be made forthwith:

Gail Nickerson	Financial Administrator
Stacey Birks	Customer Administrator
Kathy White	Customer Service
Barb Lee	Customer Service
Anne Domjan	Customer Service (part time)

I further recommend that the Office Manager title be changed to **Chief Operating Officer** to more reflect the duties on a day-to-day basis and this change be made forthwith.

Lou Domjan	Chief Operating Officer

GRAND MASTER'S CHARITY

With my special grandson Tristan in mind, I chose for the last two years a charity through the Masonic Foundation of Ontario, called Autism Spectrum Disorder Research Project 2300.

A research committee made up of R.W. Bro. Brian Adams, V.W. Bro. Shawn Todd and chaired by R.W. Bro. Samuel Kalinowsky Past President of the Masonic Foundation of Ontario identified three researchers who are working toward a resolution of this disorder.

The three researchers were Elizabeth Anne Kelley PhD Queens University Kingston, Janis Oram Cardy PhD University of Western Ontario London, and Stelios Georgiades PhD McMaster University, and at the end of last year, Project 2300 Team presented substantial cheques to these three researcher and the hope is that the Team will do the same at the end of this Masonic year.

A personal thank you from your Grand Master to all in this Grand Jurisdiction who contributed to Autism Spectrum Disorder Research.

MASONS OF ONTARIO

To all the Brethren of this Grand Jurisdiction I simply say, thank you, for all your efforts in promoting our Grand Lodge and practising the tenets of Freemasonry daily.

Simply put you are the reason why Freemasonry in Ontario is so admired in North America and perhaps even in the world.

On a personal note, I and Lady Gloria thank you for all your kindnesses over the last two years, it has been without doubt beyond our expectation and created memories for a life time.

As I leave office with much happiness I take time to remember what Freemasonry means to me, it is no doubt a way of life and it started in a small Ontario town in a dark period of my life.

The two Wardens of my church suggested a Fraternity that they belong to might be of some assist to me. I petitioned the Lodge and was accepted and so began my life in Freemasonry. I can still remember the peace and quiet that came to me inside the tiled doors of St. John's Lodge No. 63. Carleton Place.

With my Gloria by my side I began a journey which had ups and downs over the last seventeen years at the Grand Lodge level but with the assistance of many I was led to the Grand Masters Chair.

My opinion is that the doors of Ontario Freemasonry are open to all and I truly thank all of you for allowing a non-high school graduate, a working man, to become your Grand Master.

Finally, to the one person who cannot hear these words today, I speak of course of my best friend, my chief critic and the love of my life. Gloria.

Gloria showed me the light when all seemed dark, she assumed a role of step parent to my two children and I become a step-parent to her daughter.

Gloria became my partner in a journey that neither of us could imagine, we are both very blessed.

I clearly state to one and all, Gloria is the wind beneath my wings.

CONCLUSION

Over the last four years I have chosen to speak to this Grand Jurisdiction about positive change for our Grand Lodge, by Effectiveness and Efficiency as we go forward.

As Masons we cannot and should not believe that “all will get better” by continuing to do that same thing year in and year out because we will undoubtedly will have no positive results.

Statistically we know that over the last several decades we have lost two thirds of our membership but not correspondently the same percentage of Lodges and Districts.

I recommended that our Grand Lodge begin to take a leadership role by becoming proactive in the future and not reactive to issues, by creating a Blue Ribbon Committee which will produce a preliminary report at the Annual Communication in July of 2020 with the final report in July of 2021 and complete implementation of all changes by July 2022.

This seven person Blue Ribbon Committee would report to the Grand Master and Deputy Grand Master, quarterly (3 months) and be comprised of the Grand Secretary, the Grand Treasurer, the Custodian of the Work and one representative from the Past Grand Masters, one representative from the Management Committee, one Past District Deputy Grand Master (chosen by the Grand Master), and one Master Mason (chosen by the Grand Master) with less than ten years’ experience.

The Chairman chosen by the members of the Blue Ribbon Committee.

Mandate

To review and set standards, make recommendation about all Lodges, and recommend to the Grand Master a plan regarding possible amalgamation or closure of Lodges.

To review, and set standard, make recommendations about all Districts, and recommend to the Grand Master a plan regarding possible amalgamations or possible closure of a District.

To review and make recommendation of the five point blue print presented over the last four years by this Grand Master.

- 1) Planned succession to Grand Master
- 2) change half of the DDGMs each year in a two year cycle
- 3) regionalization of Districts related to Board of General Purposes election
- 4) downsizing of annual communication
- 5) electronic voting

I close by paraphrasing one of M.W. Bro. Raymond S. J. Daniels favourite sayings.

“I have for the last four years laid out the seeds for the trees of change which I will likely never have an opportunity to sit under”.

And final words as Grand Master
If we are willing to learn and not change
No one can help us!
However
If we are willing to learn and change
Then no one can stop us!

Kindest personal & Fraternal regards to the Masons of Ontario
M.W. Bro. Paul E. Todd
Grand Master

Independent Auditor's Report

To the Most Worshipful Grand Master, Officers and Members of
Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario
Inc.

Most Worshipful Sir and Brethren:

Opinion

We have audited the financial statements of Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc., (the "Organization"), which comprise the statement of financial position as at April 30, 2019, and statement of operations and change in fund balance, statement of operations and changes in fund balances for the General and Segregated Funds, statement of expenses – General Fund, and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at April 30, 2019, and the results of its operations, changes in fund balances and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO").

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and the Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matter related to going concern and using the going concern basis for accounting unless management either intends to liquidate the Organization or to cease operations or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. Description of the Organization

The Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. (the "Organization") is a not-for-profit organization which serves as the central administrative body for Masonic Lodges in the Province of Ontario.

The Organization is exempt from income tax under section 149 of the Income Tax Act.

Effective May 1, 2018, the Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. amalgamated with Masonic Holdings Inc. with the objective to carry on their operations under a single new organization under the name of Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. The prior year figures have been restated to be consistent with the current year presentation.

2. Significant accounting policies*Fund accounting*

The Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. follows the restricted fund method of accounting for contributions.

The General Fund reports the Organization's administrative activities.

Revenues and expenses related to the 175th Anniversary Fund, Special Retirement Fund, Commutation Fund and Memorial Fund are combined and reported in the Segregated Fund.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances held with banks, and highly liquid temporary money market investments with original maturities of three months or less from the date of the acquisition.

Capital assets

Capital assets are recorded at cost less accumulated amortization. Only expenditures in excess of \$5,000 are capitalized.

Building and equipment purchases are recorded at cost less accumulated amortization. Amortization is provided on a straight-line method using the rates indicated in Note 3.

Revenue recognition

Restricted contributions related to general operations are deferred or recognized as revenue of the General fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund.

Unrestricted contributions are recognized as revenue of the General Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Financial instruments

The Organization's financial instruments are comprised of cash and cash equivalents, funds held for committees, accrued dues, receivables, investments, notes receivable and accounts payable and accruals.

**Grand Lodge of Ancient, Free and Accepted Masons
of Canada in the Province of Ontario Inc.**
Notes to the financial statements

2. Significant accounting policies (continued)

Financial instruments (continued)

Cash and cash equivalents, funds held for committees and investments are initially recognized at fair value when the Organization becomes a party to the contractual provisions of the financial instrument. Subsequently, they are carried at fair value with changes in fair value recorded in the statement of operations. All other financial instruments are measured at amortized cost.

Transaction costs related to financial instruments measured subsequent to initial recognition at fair value are expensed as incurred. Transaction costs related to other financial instruments are added to the carrying value of the asset or netted against the carrying of the liability and are then recognized over the expected life of the instrument using the effective interest method. Any premium or discount related to an instrument measured at amortized cost is amortized over the expected life of the item using the straight-line method and recognized in operations as interest income or expense.

With respect to financial assets measured at cost or amortized cost, the Organization recognizes in operations an impairment loss, if any, when there are indicators of impairment and it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written-down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss is reversed to operations in the period the reversal occurs.

Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates. Significant areas requiring management estimates include amortization of capital assets, determination of useful lives of assets and calculation of accrued liabilities.

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

This Report was presented by R.W. Bro. J. C. Sutherland, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. J. C. Sutherland, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The past Masonic Year has been one of transition for your Grand Lodge. The Grand Secretary moved to a non-staff position and our new Chief Operating Officer (COO) came on board. As expected extra work was required as roles, policy and procedures were sorted out so that the Grand Lodge office could operate in the most efficient manner. Also with the folding of Masonic Holdings into the Grand Lodge Corporation there was the added work of maintaining the building. This all contributed to some educated guesses on funds needed for the office & building. During the past Masonic Year there were several unexpected expenses for the office and the maintenance of the building. Fortunately our budget was able to accommodate them. Going forward we will have a better understanding of the office & building maintenance expense needs.

Once again our Grand Lodge committees did not spend their full budget allotments. Your committees only spent 52% of the funds allocated to them. This helped us to absorb the unexpected expenses with the office and the building. A net income loss of \$6,555.00 had been forecast. We ended the year with a gain of \$131,464. This was due to a gain on the sale of investments instead of a loss on the sale of investments which occurred last year.

Your committee along with the Grand Treasurer continue to monitor the need for a change in the Grand Lodge Assessment. We foresee a need to increase the Grand Lodge Assessment for the 2020-2021 Masonic Year. The last time the Grand Lodge Assessment was increased was in 2011.

Your Committee was responsible for the following on going tasks:

- 1) Monitoring of the Investment Account for Lodges. As of April 30, 2019 this fund held deposits of \$989,000. The participants in this fund consisted of 17 Lodges, 2 building corporations and 2 concordant bodies. The 12 month return for the fund as of April 30, 2019 was 10.3%. Individual participants in this fund may have received a different return depending on the timing of their deposit.
- 2) Grand Lodge staff salaries and Grand Lodge expenses were reviewed. New policies regarding Grand Lodge officer expenses are being implemented for the new Masonic Year 2019-2020 to meet CRA requirements.
- 3) Financial statements of all Grand Lodge Funds were reviewed on a monthly basis.
- 4) The annual reports of the Grand Secretary and the Grand Treasurer were reviewed and your committee recommends the adoption of these reports.
- 5) A budget was established for Grand Lodge for the 2019-2020 Masonic Year.
- 6) The rolling 5 year budget projections for Grand Lodge were updated.
- 7) The Investment Policy statement was reviewed. No changes were made to the present Investment Policy statement.
- 8) Grand Lodge expenditures were reviewed twice during the year and found to be in order.
- 9) The Grand Lodge insurance policies, the Grand Lodge Insurance Program and the Grand Lodge Pension Plan were reviewed. The broker administering the Grand Lodge Insurance Program has pointed out that only 4 Districts have taken out liability coverage. Districts have as much liability exposure as Lodges, if not

more. It should be noted that a District liability policy covers all District Groups & Associations.

- 10) The Financial Policies of Grand Lodge were reviewed and updated.
- 11) As of April 30, 2019 Grand Lodge held in trust funds totaling \$40,212 for the College of Freemasonry.

Investment Portfolio:

Your committee met with 1832 Asset Management L.P. to review our investments and the income generated on 3 occasions during the year. As of April 30, 2019 the General Fund of Grand Lodge stood at \$3,783,778 as compared with \$3,596,725 on April 30, 2018. The other funds under the purview of this committee (Commutation Fund, Memorial Fund, Special Fund and Anniversary Fund) totaled an additional \$3,444,540 which is detailed in the notes of the audited financial statements. The overall Investment Portfolio of Grand Lodge as of April 30, 2019 stood at \$7,228,318 compared to \$6,812,364 on April 30, 2018. All investments have been expressed at market value. We recommend along with the Grand Treasurer that 1832 Asset Management L.P. continue to be engaged as the Grand Lodge portfolio manager.

Financial Statement:

Your Audit & Finance committee met with our auditors, Deloitte L.L.P. on June 3, 2019 to review and discuss in detail the audited financial statements of Grand Lodge for the year ending April 30, 2019. The audited financial statements can be found elsewhere in the Annual Proceedings. For the year ended April 30, 2019 the General Fund of Grand Lodge experienced before the application of unrealized capital gains or losses on investments an excess of revenue over expenses of \$42,981 for the fiscal 2018-2019 year. The consolidated financial statements for all funds shows an excess of revenue over expenses of \$204,534 before the application of unrealized capital gains or losses on investments. The committee recommends that the audited financial statements for the year ended April 30, 2019 be adopted as submitted. We also recommend the continued engagement of Deloitte L.L.P. as our auditors. David Tonin CA and his team are thanked for conducting the audit to meet the tight timelines required by Grand Lodge.

Budget:

In preparation of the annual budget for Grand Lodge for the year ending April 30, 2020 the requirements of all Grand Lodge committees were considered. The requirements of the Grand Lodge committees for the coming Masonic Year total \$62,625. The budget reflects anticipated revenue of \$889,400 and expenses of \$1,175,545 before the application of unrealized capital gains or losses on investments. The budget anticipates a loss of \$286,145 for the 2019-2020 Masonic year. Your committee submits for your consideration and approval the estimate of revenue and expenses as they relate to the General Fund for the period ending April 30, 2020. The committee believes that the budget set out in this report is realistic and provides for the items that can be reasonably foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the coming year.

Charitable Donations:

The committee reviewed the donations made by the Grand Master on behalf of our Grand Lodge. Donations totaled \$2,690.15 to the Masonic Service Association. The donations were made up of \$1,090.15 to Guatemala due to a volcanic eruption, \$800 to Nebraska due to flooding and \$800 to North Carolina due to Hurricane Florence.

Once again my work as the Chairman of this committee has been made lighter by the hard work of committee members R.W. Bros. Norman McCarthy, Paul Skazin, Randy Hawken, V.W. Bro. Alan Stoddart and W. Bro. Mark Kennedy. To the Grand Secretary

M.W. Bro. D. Garry Dowling, our COO R.W. Bro. Lou Domjan and the staff of Grand Lodge your assistance to this committee proved invaluable. To the Ex-Officio members M.W. Bro. Paul E. Todd, R.W. Bros. David Cameron Deputy Grand Master, Thomas Hogeboom Grand Treasurer, Edward Standish Management committee Chairman of Operations and Syd Schatzker Chairman of Lodge Finances your guidance and knowledge is extremely valuable and appreciated by the committee.

Respectfully submitted.

JAMES C. SUTHERLAND, Chairman

REPORT OF THE GRAND TREASURER

This Report was presented by R.W. Bro. T. W. Hogeboom, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. T. W. Hogeboom, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again, at this 164th session of our Annual Communication, I have the honour and pleasure to submit the Grand Treasurer's Report for the Masonic year 2018 – 2019. I am pleased to assure you again that, as the 'Financial Conscience of our Grand Lodge,' the finances of our Grand Lodge continue to be in a sound and satisfactory state and that the bottom line indicates further growth in our financial assets. There were times in the latter part of 2018 when my reports to the Management Committee were not so rosy due to the extreme volatility of the stock market but the first part of 2019 has made me glad to see the previous year behind us. Our financial base continues to trend in a positive direction, rebounding strongly from a very sluggish end to 2018. Capital preservation and modest growth over time continue to be the goals of our investment strategy. Over reacting is not an option in this strategy. It also gives me a great deal of pleasure to be able to repeat my comments from last year that those responsible for the administration of the affairs of your Grand Lodge are worthy of much credit for the excellent financial statements and unmodified audit that is printed in these Proceedings.

The foundation of our sound financial position is due in no small part to the professional management of the Grand Lodge investment portfolio under the direction of our Portfolio Manager, Marcia Wisniewski, of Scotia Private Client Group 1832 Asset Management L.P. During a rocky year of volatility in the world financial markets, we have been most pleased with the wisdom and care exhibited in the management of these funds and recommend the approval of continuing this relationship on the existing terms with Scotia Wealth Management.

As for the Grand Lodge investment strategy, there have been no asset allocation range changes in our Investment Policy Statement since October 2013 when we last made a change to allow for a heavier weight of equities. The Investment Policy Statement was last reviewed on June 3rd with our Portfolio Manager. As of the year ending April 30, 2019 our investment asset package was at 56% in equities, 41% in bonds and 3% in cash. We continue to employ fixed income securities rated at a minimum of BBB; equities from an approved listing while avoiding derivative instruments and hedge funds. Tactical shifts to asset allocation are made periodically to ensure that we take advantage of economic conditions. Stock selection criteria is consistent with our primary goals and adjustments are made on an ad hoc basis with new names being added as deemed appropriate. We invest in companies which provide essential goods and services, many of which you and I pay our household bills to every month like clockwork. The world would have to change dramatically for these companies to cease being good investments and this would likely only take place over a protracted period in which we would react. Even during volatile times in the financial marketplace, you can rest assured that your Grand Lodge will continue to invest prudently and conservatively enough to never risk the advantages made in this area by our predecessors.

At our last investment portfolio review after the year ending April 30, 2019, Scotia noted an annual total return in our portfolio percentage yield at year end of 10.46% - an upswing of 8.63% over last year. The annual investment income of \$478,959 – about \$260,000 more than last year has increased our consolidated portfolio asset base to a closing market value of \$7,228,318.

As for the 2019 – 2020 portfolio year, Scotia is again projecting a modest rate of return of 3.6% or a total return projection of \$261,847 less the management fees of 65 basis points.

I am most pleased to report that we are going to be able to continue our promise made at the Annual Communication of 2011 that we would not have an increase in the Grand Lodge Assessment for the next five years. The surpluses generated in the first few years of the original five-year plan have more than covered the increased expenditures over the latter part of this term to the point where we will not be increasing the assessment again this year. However, you will also notice that we are budgeting for a \$286,145 deficit for the coming year. You will remember this was part of the five-year plan – to collect more assessment up front, to cover the deficits scheduled for the latter years of the plan. The plan has exceeded our expectations by three years as we finish the eighth year of the five-year plan. It is now time to produce another five-year plan. As with each of these last eight years now, this has been an item of review as R.W. Bro. Paul Skazin runs the numbers during the budgeting process. For Lodge budgeting purposes then, we are now serving advance notice that at the next Annual Communication, there will be motion in the Grand Treasurer's report to increase the Grand Lodge Assessment. The amount has yet to be determined, but your Grand Treasurer is very pleased with the last five-year plan of a five dollar increase in year one with a promise to not do it again for at least five years.

We wish to express our sincere appreciation to the Grand Secretary, M.W. Bro. Garry Dowling, our Chief Operating Officer, R.W. Bro. Louis Domjan and whole the Grand Lodge team again this year for having a 'clean/unmodified' audit by Deloitte LLP. It is very comforting to your Grand Treasurer to hear David Tonin report from our audit firm that the "financial statements present fairly, in all material respects, the financial position of the Organization as at April 30, 2019, and the results of its operations, changes in fund balances and its cash flows for the year then ended in accordance with Canadian accounting standards for Not-For-Profit Organizations."

The Audit and Finance Committee of our Grand Lodge continues to review monthly, report to the Management Committee and the Board of General Purposes of our Grand Lodge when called upon and reports annually to the membership on all sources of income and items of expenditure. This job of managing every financial aspect of what is a very successful business, with an annual budget of 1.2 million dollars, is a daunting task and we must recognize all those volunteers involved, the Grand Lodge Committee Chairmen and the Grand Lodge staff who monitor and manage within these boundaries. We commend each of those involved for their stewardship and commitment to the financial stability of our Grand Lodge. I continue to pledge my support and thanks to each Grand Lodge Committee, Team Leader, Chairman, the Grand Secretary and the Chief Operating Officer who spend so much time detailing accurate and accountable annual budgets and then living within them as approved by the Management Committee and the Grand Master. Thank-you my Brethren!

Respectfully submitted.

THOMAS W. HOGEBROOM, Grand Treasurer

REPORT OF THE MANAGEMENT COMMITTEE

This Report was presented by R.W. Bro. D. J. Cameron, Chairman, and on motion of R.W. Bro. J. C. Sutherland seconded by R.W. Bro. D. J. Cameron it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Management Committee acts in an advisory capacity to the Grand Master in accordance with Section 135g of the Constitution. It is composed of five members of the

Board, three elected by the Board members and two appointed, as well as the Grand Master, Deputy Grand Master, Grand Secretary, Grand Treasurer and the Chair of Audit and Finance. One past Grand Master is asked to attend each meeting. Each of the five elected and appointed members chairs a Management Pillar Committee. We regularly received updates on all the committees' activities, offered advice and encouragement, and made recommendations to the Grand Master.

The following issues were discussed and recommendations made when appropriate:

- The Board's committee structure was modified to better reflect the Strategic Plan and the committees mandated to use the plan to guide their work.
- The recommendations from last year's Proceedings reports were reviewed and, where deemed advisable, assigned to the proper Chairman for possible implementation.
- Reflections, Education Monthly and the Ontario Mason Magazine were consolidated into one publication, with the Education Committee acting as major written content generators/sourcers.
- Drafts of a proposed Lodge Secretary's Manual were reviewed and referred to the office staff for further input.
- Revisions to the Friend to Friend Program were approved.
- Details of Qualifying Certificates for D.D.G.M. and Grand Registrar candidates were worked out.
- The monthly Event and Resource Digests were sent out at the beginning of each month, and Lodge Secretaries were included in the distribution list.
- Facebook and LinkedIn pages for our Grand Lodge were launched to much success. A highlight was the "Not Just a Man. A Mason." video and posters created by the Scottish Rite Northern Masonic Jurisdiction which they customized for us.
- Work on updating the website continues.
- Approval for the Library, Museum & Archives Committee to hire a professional appraiser for certain artifacts that have come our way.
- The Investment Fund for Lodges was expanded to allow concordant bodies to participate.
- Revised, fillable forms for committee budgets and expenses were approved.

Conferences

I had the privilege of representing our jurisdiction at the following conferences and communications during the past year. In addition to the notes below, full trip reports were provided to the Deputy Grand Master that included more details on each event.

Grand Lodge of Ohio:

I attended the Annual Communication of the Grand Lodge of Ohio Oct 11-13 in Sandusky. Ohio has approximately 77,000 Masons (2nd in NA), approximately 461 lodges, divided into 25 Districts.

681 Brethren were raised to the degree of a Master Mason this year. Average Membership per Lodge is 168 of which 18 have a membership of 50 or less. 8 consolidations occurred and one new lodge was created. 61 Lodges had a net gain in membership. 372 lodges reported a net loss in membership.

The Grand Lodge of Ohio has over \$23M in invested funds. (one year composite return of 7.2% on the portfolio).

Conference of Grand Secretaries of North America

In Feb. 2019, I attended the Conference of Grand Secretaries in Grand Rapids South Dakota. Conference attendees from Canadian Grand Lodges included BCY, AB, SK, MN and ON with a little over half of the North American jurisdictions represented in total.

Keynote Speaker: Ill. Bro. Jim Cole, 330 – SJ: Jim spoke on current challenges facing the fraternity in particular as related to Government taxation, making the most of Technology, generational changes in leadership, Lodge and Grand Lodge buildings. Regarding buildings, he asked the question “Are we returning to operative masonry if we spend half our time in building maintenance?”

Presentations were made on the ‘Amity’ application, which is gaining momentum, the Grandview Membership Management System, the Scottish Rite Membership Development Survey (part of the Not Just a Man project), Social media, Masonic Chip, Plastic Dues cards, Background Checks, Inter-jurisdictional Correspondence, the Grand Rep system and Non-Payment of dues.

An excellent luncheon presentation was made titled ‘Single Gender Entities’ (and their impact on Masonry).

All Canada Conference

In April 2019, I attended the ‘All Canada Conference’ in Winnipeg along with the Grand Master and Deputy Grand Master. All Canadian Provinces except one were represented. Each delegation made a jurisdictional report. Breakout sessions included Engaging First Nations; Demitted and Suspended Brethren, and Best Practices for Lodges and Grand Lodges; Presentations 6-Step Program (BCY), Cornerstone (ON), Commission on Information for Recognition (M.W. Bro. R. Brown), Server Based Systems (BCY), Honored Amnesty (MN), Demolay, and Masonic Renewal Committee (Uson- MB; McLean AASR).

Of particular note was the **Jurisdiction Membership and Assessment Survey:**

Each jurisdiction was asked to report on their membership figures and assessment amounts:

- Quebec: \$37 plus \$10 (Building); proposed to go to \$60; Looking to Incorporate; 3400 members
- Ontario: \$20, incorporated; 33,000 members
- British Columbia: \$58 plus \$20 for charities; proposed to go to \$68; not incorporated; 5900 members
- Alberta: \$47; proposed to go to \$51; incorporated; 6000 members
- Newfoundland & Labrador: \$23.50 plus \$6.50 for Benevolence; incorporated; 1375 members
- Manitoba: \$75; incorporated; 1900 members
- New Brunswick: \$38; proposed to go to \$41 incorporated; 2557 members
- District GL NFLD: £33 (approx. \$66); proposed to go to \$71 + \$100/per lodge; 425 members
- Saskatchewan: \$55 plus \$5 Benevolence plus \$5 Bursary; incorporated (by Act of legislature, therefore no filing); 2300 members
- Nova Scotia: \$39; incorporated; 3500 members
- Prince Edward Island: \$60, 500 members

Grand Lodge of Michigan

I was privileged to represent our jurisdiction at the Annual Communication of the Grand Lodge of Michigan, May 19-21 in Ypsilanti. The Grand Lodge of Michigan has the following statistics: Number of members – approximately 25,000; Number of Lodges – 275; Number of Districts 41. Approximately 1000 members attended and voted. I attended sessions on the Grand Lecturers and DDI (District Deputy Instructors); Michigan Membership Program; Project 2020 – long range plan incorporating the significant shift to Shared Services whereby the Grand Lodge, the Michigan Masonic Foundation and the Michigan Masonic Homes will now provide services under one umbrella.

Grand Lodge of Quebec

I attended the Grand Lodge of Quebec 150th Annual Communication celebrations along with our Deputy Grand Master and our Ladies on May 24-25. This was very much a ‘grand celebration’ with the focus on the social side of the gathering. Fundraising was held during the last year to offset the costs of the celebration activities.

Especial Communication of Grand Lodge - North Bay

On April 6, 2019, an Especial Communication of Grand Lodge was held at the North Bay Masonic Temple in North Bay. The event was warmly and capably hosted by the Brethren of Nipissing Muskoka District. The day included the traditional formal pomp and circumstance of the opening of our Grand Lodge. Included in the day’s schedule were the Grand Master’s Address, report on the Condition of Masonry, report on Nipissing Muskoka District, presentation written by the Grand Historian; presentation by the Grand Archivist; and a report

on the Management Committee. The day concluded with a Q&A session with the Grand Master.

The Brethren of the North Bay Masonic Temple provided a wonderful luncheon at noon. Following the close of Grand Lodge a wonderful evening reception and dinner were held. Congratulations were extended to all those who assisted in the organization of this great day.

Semi-Annual returns

As of this writing, 1 Lodge has not remitted their semi-annual returns for the period July-Dec. 2018 which were due Jan. 8, 2019. Subsequently the July 8, 2019 returns have not been mailed to this Lodge. This negates the principal Officers from this Lodge, an opportunity to vote at this Communication. The responsibility for remitting these returns is an important one. Late returns eliminate the possibility that the associated fee will be waived. It is essential that any new Lodge Secretary be provided with adequate information and training to assume his duties and not just left with several boxes of Secretary data at his feet.

Closing Remarks

As I complete my first year as your Grand Secretary, I wish to thank the Brethren for the opportunity to serve them. It has been both a challenging and rewarding year with still much to learn. I extend a personal thank-you to our Grand Secretary Emeritus, M.W. Bro. Terence Shand for his patience, understanding, advice and assistance throughout the year. To our Office Manager, R.W. Bro. Lou Domjan, I also extend my thanks for his help and assistance as we worked our way through new challenges and opportunities. Our great working relationship and our friendship continues to grow. Finally, my thanks to the Ladies of our Grand Lodge Office for all their work in training the 'new kid on the block'. Finally, thanks to my wife Wendy, once again, for her understanding and support in another Masonic endeavour.

Respectfully and fraternally submitted.

D. GARRY DOWLING, PGM, Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

Forty-two reports of the District Deputy Grand Masters were presented to the Deputy Grand Master and, on motion of the M.W. Bro. D. H. Mumby, seconded by M.W. Bro. D. A. Campbell they were referred to the Board of General Purposes.

REPORT OF THE DISCIPLINE COMMITTEE

This Report was presented by M.W. Bro. J. C. Green on behalf of R.W. Bro. D. E. Jacklin, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. J. C. Green, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Fortunately, there were no Masonic Trials or verdicts from appeals of Masonic Trials this year.

Regrettably the number of petty piques and quarrels among Brethren continues to escalate. Brethren should be reminded once again of their obligations and the lectures they profess to admire. Most Masonic complaints stem from two sources – lack of civility and the unwillingness to appreciate an opposing view.

Fortunately two potential highly charged situations were resolved when the individual Brethren in question became suspended for non-payment of dues without further action having to be taken by the Lodge or Grand Lodge.

The Committee fully supports and endorses the actions taken by the Grand Master and the Grand Secretary in dealing with discipline matters this Masonic year.

The Discipline Committee met on Jul 15 2019 and has made the following recommendations:

- 1 . That the Warrant of Runnymede Lodge No. 619 be permanently revoked.
- 2 . That the Masonic Charge filed against Brother A proceed to a Masonic Trial Commission.
- 3 . That the recommendation of the reviewing committee into the Masonic complaint against Brother B proceed to a Masonic Charge and at the appropriate time a Masonic Trial Commission be formed.
- 4 . That the six month probation placed on Keene Lodge No. 374 by the Grand Master continue until its expiry date, at which time the Grand Master will arrange for an independent review of the Lodge activities to determine if the probation can be lifted or if more serious actions are warranted.

For an organization whose members pride themselves on respect for religious affiliation, regard for race creed and colour, and toleration we are not upholding the high moral ground our forefathers left to us.

Respectfully submitted.

DAVID E. JACKLIN, Chairman

REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. B. R. Paterson, Grand Chaplain

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

May I extend to you Most Worshipful Sir my heartfelt thanks for the opportunity to serve you and the craft as Grand Chaplain? The various activities involved as Grand Chaplain has been most enjoyable and meaningful. It is a year I will never forget. As an added

benefit, I was able to take on the duties as Grand Chaplain beside a fellow lodge brother, R.W. Bro. Stephen Hearn, who was elected D.D.G.M. of South Huron District for this Masonic year. We were able to attend many functions together.

Grand Master, I never realized that Grand Lodge was so busy in a given year. With you and other members of Grand Lodge we participated in lodges amalgamating, some lodges going dark, lodges reaching the milestone of their one hundredth year of Masonry, and many banquets and receptions which did little to support the diet my wife Ruth had me on.

There were some highlights I would like to focus on at this time. I attended on May 5 a multi-faith service at Metropolitan United Church in Toronto. Don't let the location of the meeting throw you. This was a true multi-faith service with representatives from many faiths in Toronto attending. We worshiped the God we share with joy and true brotherhood. No one faith stood out. This service was one of the highlights of my year in the service of Grand Lodge. It was a window into the future where faith is respected and the variety of the colour of one's skin become the norm at Masonic gatherings.

When I began this journey as Grand Chaplain I was determined to include some lodges which are found many miles away from southern Ontario. One journey took me to Timmins where the lodge there celebrated 100 years of the craft. We enjoyed a Masonic meeting together and later broke bread together at a local eatery. We then travelled down highway 144 to Sudbury where we were treated to a Grand Master's reception. The next day we enjoyed a home style breakfast at the lodge building before embarking home. What struck me was the pride the Sudbury Masons had for their building which was truly a work of hard work and art. And it was all accessible!

Part of my duties has been to attend Masonic services. Once a highlight of every Masonic year, the annual Sunday Masonic service has been eroded from many Masonic calendars. But this year two stood out. The brotherhood in and around Cornwall held a well-attended annual service last fall. The members of Thistle Lodge in Embro held their service in May. It was well attended and featured a Masonic Choir from Woodstock which included a past Grand Master. Although attendance was sparse there was joy expressed in the music and fellowship.

As Grand Chaplain many Masonic remembrances needed to be attended as a brother passed to the Grand Lodge above. Sometimes I also conducted the public funeral the next day. This past April I led the funeral rights for Brother Avery Spencer. Avery was a Mason and a Shriner. He was a man for all seasons. Unassuming in manner, he extolled the virtues of Masonry. He always took second place. He led with love and energy. It was Avery's funeral this year who reminded me again of the behaviour needed by all of us in the craft.

Most Worshipful Sir, my thanks to you for making this year as Grand Chaplain available to me. I appreciated visiting the many lodges and receptions. I have gained new friendships along the way and learned much. It was a learning year.

Respectfully submitted.

G. PIRIE MITCHELL, Grand Chaplain

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

On motion of the Deputy Grand Master, this Report was presented by M.W. Bro. D. H. Mumby.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of
A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is an honour and privilege to present this report on behalf of the Past Grand Masters.

We join with our Grand Master in welcoming our members and invited guests to this annual communication, hoping it has been of interest and value to all.

We sorrow for those distinguished Brethren who have left their earthly pursuits but remember with fondness the legacy they have left. Our lives are richer because of them.

The Committee supports the granting of Honorary Rank upon two distinguished Brethren. As well we concur with the granting of Past Rank upon two members and applaud the honoring of our William Mercer Wilson recipients and those worthy Masons who have been granted the Grand Master's Award for Distinguished Service.

We also concur with the acceptance of new Grand Representatives near other Grand Lodges and endorse the recommendations placed forward for those worthy Brethren as Grand Representatives of their Grand Lodges near our Grand Lodge.

We note the Grand Master has had a very busy year attending Lodge Anniversaries, re-dedication ceremonies, Lodge Amalgamations and Lodge Closures. In addition he has represented this Grand Lodge at many other Grand Lodge Annual Communications and attended a number of Conferences and Special Events both at home and abroad.

We note and concur with the thanks proffered to many who have worked so diligently within our Grand Lodge organization.

We are again concerned that formal Disciplinary Action has had to be taken on three occasions this year. It is also very disconcerting to note that the number of private piques and quarrels continue to take up so much of the time of the Grand Master and Grand Secretary.

The Committee endorses the positional name changes for the Grand Lodge Office Staff and wish to join our Grand Master in thanking the Staff for the efficient and pleasant manner in which they conduct the day to day business of the office.

While the Grand Master has recommended that a "Blue Ribbon Committee" be formed to examine possible changes to the structure of this Grand Lodge, this Committee recognizes that it will be under the purview of the In-coming Grand Master to decide what action to take in this regard.

And finally, we join the Grand Master in proffering thanks to his wife Gloria for all her endeavours throughout his term of office. May they enjoy many more happy years together.

Submitted on behalf of the Committee.

ANNOUNCEMENTS REGARDING REPORTS

The following remaining Committees were adopted for printing as written.

REPORTS FROM THE CRAFT STEWARDSHIP COMMITTEE

REPORT OF THE MASONIC EDUCATION TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Masonic Articles for Publication in the various Media:

I submitted four -4- articles for publication for the Fall edition and four -4- articles for the Summer edition of the Ontario Mason Magazine.

The committee chairman sent two -2- letters to all D.D.G.M.s, one in September and the second in January requesting them to send articles and speeches from their Official Visits. I suggested that they could request their District Chairmen for Masonic Education to collect any Masonic articles or speeches and forward them to either the Chairman or Terry Van Horne. In spite of the second letter, very few articles or speeches have been received from D.D.G.M.s. Only three or four D.D.G.M.s regularly sent in their speeches or articles from their districts.

Ten -10- articles were published in the Resources Digest, a series of articles on Hamilton Lodges in Facebook and the website, and various other articles published in Facebook.

Masonic Education Conferences:

The committee recommended to the Management Committee to design four -4- Education Conferences in Toronto, Ottawa, St. Thomas and St. Catharines to be held between March and May. The theme of the conference is “**Masonic Talks – The Craft on Tour**”.

The committee planned an all-day programme and the highlights of the conferences would be key note speakers, workshops, town halls, presentations with new EAs, FCs and MMs who would give a 5 minute talk on their experience in Masonry thus far, considering their initial impression and expectations and how they view the Craft now.

Booklets with approximately fourteen -14- Masonic articles, “How To” programs and pens donated by the Masonic Foundation of Ontario, will be given to participants. These articles were contributed by Ontario Masons in the Peterborough Beacon, Templum Fidelis, Reflections and other sources after discussion with the various parties. Both the Grand Master and Deputy Grand Master wrote welcome addresses.

The plan included tables for the sale of Masonic Books and Grand Lodge publications, as well as a table for the College of Freemasonry to promote advertise their courses of study. Advertisements were prepared and sent to all districts in the surrounding areas, Ontario Freemasons Facebook, Resources Digest to all D.D.G.M.s, the Grand Lodge Website and Grand Lodge Facebook.

The Management Committee did not approve the two conferences for Toronto and Ottawa.

Unfortunately, we had to cancel the St. Thomas conference in April because of low registration. The committee had expected many more registrants for this conference from the district.

The St. Catharines Conference is still on tract. Additional promotion will be pursued in addition to positive assistance from the Niagara and surrounding districts.

Content Researcher: - R.W. Bro. Terrance H. Van Horne

The portfolio for Content & Research was newly introduced in 2018 and falls under the auspices of R.W. Bro. Leyland Muss, Chairman, Masonic Education. I was appointed Chairman of this Committee.

The nature of the portfolio: initially lightly defined, was later deemed that it be of an educational nature. The general intent being that of providing enlightening, interesting or formative items, papers and information for publication in the Ontario Mason Magazine, Resources Digest, the Web-site and Facebook site. To that end, the Chairman, R.W. Bro. Muss assisted in the guidelines under which it should confine itself.

Through his assistance, the District Deputy Grand Masters across the jurisdiction were contacted to solicit their participation. The response was less than enthusiastic in forwarding those items of interest or content. Those papers, which were forwarded, were encouraging in content and forwarded for acceptance and subsequent publication.

The process for submission is somewhat lengthy and requires a considerable lead time in order that the appropriate Committees have time for the appropriate review or editing. Regardless, those that did submit items were very enthusiastic and helpful. In total six individuals offered one or more items of interest, some of which were considered presentable by the Education Chairman and I. It is hoped that with continued contact and a wider band of content, future submissions will increase in number and vary more in content. I am grateful for the assistance, experience and guidance of R.W. Bro. Muss in this endeavor.

College of Freemasonry: - R.W. Bro. Rick Cadotte

This is the first full year with the new course material that was activated at our last Annual Communication of Grand Lodge last July. It has been well-received, and the transition has been seamless, first with the mentors adjusting to the new material and the students who were in the middle of their studies.

This past year has been a year of committed growth for the College of Freemasonry and I begin with the milestones of the College students.

The following is a list of those graduates who through their hard work and perseverance have completed their advancement in Masonic Education by completing the Masonic Arts & Sciences course and have earned the appellation "FCF". Congratulations to each of you! I hope you each share your knowledge with the brethren you sit in lodge with.

This past year has been a quieter than normal year as the role of the D.D.G.M. Preparation course was expanded to qualify those brethren for the offices of D.D.G.M. and Grand Registrar. This reduced the necessity of those needing to complete the Past Master's course, thereby reducing the workload of the College.

REPORT OF THE LEADERSHIP DEVELOPMENT TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Grand Lodge Leadership Committee, I am pleased to report on our progress and activity to date for the 2018 -19 Masonic year.

As outlined in our current Strategic Plan, the development of our Craftsmen begins and progresses over time in the Lodge Room. In turn, the Leadership Committee recognizes that the development of our officers also begins on the floor of the Lodge. As part of our mandate, the approach of our Committee for this term was to identify opportunities to assist local Lodges, and offer our support for Officer Development through talks, workshops and presentations. To this end, our Committee has been expanded to include Brethren representing various Districts and Regions of our Grand Jurisdiction with the emphasis on further outreach, representation and support.

The Committee began with an overview of their respective Districts and Regions to identify current Officer Associations, with a particular focus for Warden's Associations. The aim was to establish more effective lines of communication, and to better enable the Committee to reach out to these Officer Associations and determine any opportunities to forward assistance in Leadership Development, Officer Development and Mentorship. As a result of this approach, the Committee has provided ten presentations to date in various Districts, and continues its outreach for further opportunities. Of the ten presentations, eight have been directed specifically to Warden's Associations.

The Committee continues its work on the development of its presentations. To date preliminary formats have been developed for *Leadership Development*, *Officer Development*, *The Office of the Worshipful Master* and *Conducting a Meeting – Best Practices*. The Committee has a further focus on presentations for *Situational Leadership* and *Conflict Resolution*. A particular note of gratitude to R.W. Bros. Joseph DeMello, Elliot Zovighian, and W. Bro. Harry Bishop for their commitment and contribution to the development of these presentations. I also extend my appreciation to the following Brethren and members of our Committee; R.W. Bros. Fred Sebring, Friedhelm Hoffman, Dennis Saikaley, Michel Hodgson, Michael Brown, Douglas Tomlinson, Richard Loomes, Graeme McLoughlin, Joel Sawyers, Graham Tait, David Neave, William Bath, V.W. Bro. Rob Zilles and Bro. Danny Joseph for their valued assistance and support for our program this year, and for their commitment and passion for Leadership Development in our Craft. And a special note of gratitude to our Committee Secretary, R.W. Bro. Fred Hoffner FCF for his counsel, his work and his commitment for the Leadership Development Committee.

To further identify and target areas where assistance may be needed, the Committee is in communication with other Grand Lodge committees in the sharing of mutually beneficial information, in particular with the 'Condition of Masonry' and 'Cornerstone' Committees. This has allowed the Committee to identify specific localized opportunities for talks and presentations, and has provided a more effective and positive approach for our Committee members in those areas.

In summary, the Committee is pleased with the ongoing activity and progress of the Leadership Development Program, and we look forward to continue working with the Brethren of our Jurisdiction towards its continued success.

Respectfully submitted.

REPORT OF THE DDGM PREPARATION TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Grand Lodge D.D.G.M. Preparation Committee 2018 – 2019

R.W. Bro Ivan Bryce (Sarnia) R.W. Bro Robert Clarke (Ottawa 2) R.W. Bro Hugh Fleming (Sarnia)

R.W. Bro Paul Johnson (Wellington) R.W. Bro Brian Simpson (Sarnia)

R.W. Bro Victor Tavares (Toronto Humber Valley) R.W. Bro James Wark (Bruce District)

Goals & Objectives

DISTRICT DEPUTY GRAND MASTER

To better prepare aspirants for the Office of District Deputy Grand Master or Grand Registrar by ensuring that they are familiar with the expectations of that office, the sources of information that will assist them and the responsibilities placed on them as the Grand

Master's representative in their District. The aspirant is required to obtain a Certificate of Qualification.

DISTRICT SECRETARY

To better prepare those aspirants seeking to hold the office of District Secretary by ensuring that they, are familiar with that role and expectations of the office, the source of information that will assist them and the responsibilities placed upon them.

GRAND LODGE STRATEGIC PLAN

This D.D.G.M. Preparation Workshop is designed to support the Grand Lodge Strategic Plan by:

- Creating a High Quality Education and Training Program for the prospective District Deputy Grand Master, the District Secretary and the Grand Registrar.
- Succession Planning – prepare Brethren to be qualified Grand Lodge Leaders

The Committee met prior to the fall schedule, to update the material used for the presentations to the District Deputy Grand Master, the District Secretary, and the Grand Registrar Aspirants. We discussed how the material will be presented. Several updates were made in regards to titles and content to the power point presentation and any other necessary forms, letters etc. If for any reason, a Committee Member was unable to attend that event, I made appropriate provisions for them to be prepared to participate. It was my hope, that all Committee Members would have the opportunity to participate at various sessions, throughout the year with respect at all times to their Family and work schedules. I feel a strong representation is important at the Sessions, as it gives all those in attendance, a great opportunity to meet and converse with both Past and Present Grand Lodge Officers.

D.D.G.M. Preparation Sessions were scheduled to be held in Harriston, Paris, Ridgetown, Oshawa, Brockville, Sturgeon Falls, Orillia, Sault Ste. Marie and Toronto, as approved by the Management Committee. At the time of this report there is still remaining sessions to take place.

An information letter, Session schedule and enrolment forms were sent to all present D.D.G.M.'s for them to distribute throughout their Districts. We asked that they send them to each Lodge Secretary for all Members to receive and promote at any opportunity they had (ex District Meetings). Session information was also promoted on the Grand Lodge website which included the Craft Stewardship Newsletter and Facebook.

V.W. Bro. Anthony (Tony) A. Duerden, Team Leader of Grand Lodge Book Sales and R.W. Bro Michael Locke, Chairman for the Condition of Masonry were made aware of the Session Schedule and invited to attend, or have a Representative present to participate at each Session. A mutual agreement was made between V.W. Bro Anthony A. Duerden and myself, that we would assure copies of the necessary resource material would be available for purchase. As a result, if he was unable attend or any Member of his Team, I had copies available for purchase.

Each successful Aspirant received their Certificate of Qualification and Congratulatory letter at the conclusion of the Session once approved and completed by the Committee. The Brethren who had qualified and successfully completed the pilot Session during the past Masonic year in Algoma and Western Districts have received a Certificate of Qualification as directed by the Management Committee. The College was updated periodically in order to have up to date records of those eligible for the position of D.D.G.M., District Secretary or Grand Registrar. A copy of the Grand Lodge Policies was received by each successful Aspirant to have for their own reference.

During the Past Masonic Year, we as a Team, have worked together to hold valuable sessions for all in attendance. We held discussions at the conclusion of each session and often in between, to improve in any way our presentation and to enhance what we feel is a successful program. We encouraged all the Brethren in attendance to register with the College and complete the module style course if they are interested in gaining further

knowledge. The Brethren are informed that it is not the intention of the D.D.G.M. Preparation Committee to replace the College Course; however, it is an alternative method that can be taken.

As Chairman of the Grand Lodge D.D.G.M. Preparation Committee, I would like to extend a sincere Thank You to all the Brethren that have participated and contributed in any way. I value your efforts and dedication to the work of this Committee and appreciate the time you give. As a Committee, I strongly feel that we have achieved our Goals & Objectives that were set out before us at the beginning of the year.

Respectfully submitted.

REPORTS FROM THE MEMBERSHIP COMMITTEE

REPORT OF THE LODGE RESOURCES COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is with profound honour and pride that I submit this report on behalf of and as Chairman of Lodge Resources Committee.

The jurisdiction was divided into six (6) regions a region to each member; by so doing, the committee was able to capture the strategic imperatives as laid out in the Strategic Plan titled “Strengthen The West Gate” under the caption of Membership. To achieve our aims and goals the Committee provided assistance and guidance for the following programs: Brother-to-Brother; Friend-to-Friend; Mentoring; and Officers Progression. Referrals were also directed to us from Condition of Masonry and through dispensations granted.

PROGRAMS THROUGH DISPENSATION						
		NUMBER OF LODGES FOR EACH PROGRAM				
# OF DISTRICT	# OF LODGES	OPEN HOUSE	B 2 B	F 2 F	MENTOR	INFO BOOTH
17	45	9	10	30	4	13

* There are a number of Lodges that held more than one program.

PROGRAMS REQUESTED THROUGH CONDITION OF MASONRY						
		NUMBER OF LODGES REQUEST FOR EACH PROGRAM				
# OF DISTRICT	# OF LODGES	OFFICERS PROGRESSION	B 2 B	F 2 F	MENTOR	COMMUNITY INVOLVEMENT
35	72	21	47	45	15	7

*The Lodges that requested programs do not necessarily indicate that they were implemented.

Analysis

The above data formulated is based on Lodges that submitted requests for dispensation and information. There are a number of Lodges that held events that did not require

dispensation. The information tabulated provided the committee an idea as to the scope of Lodges that utilized the programs.

It must be noted that shortly after the Masonic term began every District Deputy Grand Master was sent an introductory letter through their secretary for dissemination to the Lodge secretaries. The letter gave a brief synopsis of our mandate along with an open invitation to contact us. Very few invitations were received. In this regard, I will be remiss if mention was not made of a joint effort between Toronto East and Toronto Humber Valley District whereby 74 men attended an Introduction to Friend-to-Friend. In general some regions had high activity while others did not, it is difficult to give a fair assessment of success when some Districts and/or Lodges seek dispensations yet fail to apprise the Committee of their events.

Programs In General

The programs as reported in 2018 report definitely alluded to that fact the programs are useful in rural areas than urban areas. The committee members have reached out to both District Deputy Grand Masters and Masters with very little positive returns. We have related to all that these programs are only guidelines and not mandated documents; hence the Lodges have the flexibility to streamline or adopt procedures that meet their needs.

The Brother-to-Brother program is disconnected and outdated – and has no easy message for the lodge to follow. It requires time to be reworked. I am most concerned about the program and its connectivity to the other programs.

The Friend-to-Friend program is either being used by certain lodges, or it is not. If a lodge has not used it in the past – there is a high probability the incoming master will not use the program.

The Senior Wardens of the lodges / current Masters are not – logging on and reading the programs. There was a significant rise in lodges asking for information for dissemination at the committee level on these programs. If lodges cannot be relied on to self-promote, and learn on programs that they already have – then we are heading for difficulty in membership sustainment

The programs need to be reviewed and streamlined as guideline so that Lodges can feel more flexible to implement an event that meets their needs and demographics. This year we have seen a demand for Officers Progression assistance. Lodges are recycling officers due to lack of new members hence placing the burden on the same officers year after year. In this regard as each Lodge is unique in its operation, therefore they will have to review their By-Laws and practices at the same time utilizing Grand Lodge guideline.

Conclusion

Taken from the 2018 Proceedings, there are 41 Districts and 521 warranted Lodges. However, we note 9% of the Lodges requested information representing 75% of the Districts. 12% of the Lodges obtained dispensations representing 39% of the Districts. This tabulation is not complete but it indicates the usage of Grand Lodge programs and requests for them. It should not be used to draw conclusions whether or not the programs are successful; the intent is for the reporting to provide direction for the future.

Another observation made by the Committee is that these programs have been around for a number of years, which begs to question (1) how many Lodges have been using them; (2) are these programs listed appropriately on the Grand Lodge website? Are we doing enough to promote the use of our resources on the website? Based on the lack of information given by the Lodges and low involvement of committee members in a few regions it may be unfair to make a judgement call on success. A number of Lodges hold events, which are advised or promoted only within their membership, with varying degrees of attendance, some of which may be quite low. Reasons provided for this indicate concerns with commitments to family, work, transportation or demographics of some Lodges? Reasons vary from region to region, district to district and lodge to lodge.

I take this opportunity to express gratitude and appreciation to the members of the committee, R.W. Bro. Chris Johnson – Sarnia; R.W. Bro. David Leggatt – Wiarton; V.W. Bro. Shawn Todd – Ottawa; W. Bro. James E. Brien – North Bay and Bro. Paul Maletta – Waterford, each one made a significant contribution and effort to ensure the Committee meets its mandate. We thank the Grand Master, Deputy Grand Master for accepting us and having us serve this prestigious fraternity, lastly thanks to R.W. Bro. Tom Siemiernik, Chairman of the Membership for his direction and assistance throughout.

Respectfully submitted.

GEORGE M. WARNER, Chairman

REPORT OF THE CORNERSTONE TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report on the Cornerstone Committee for this last Masonic year.

With the administrative workload encountered by the past Committee Chairman, he felt that there was a need to have a dedicated secretary to handle the increasing flow of communications and recording of information this committee was experiencing. W. Bro. Mark Kapitan was appointed to this position in July on this recommendation and has enthusiastically served this position well.

The Masonic year started out as a very busy one, with the need to address the recording and storage format of committee information. An email address was set up and the task of documenting past and current data began. To date, all past information that was provided to this committee has been recorded and stored for easy transferal to the future members of this committee. This information, if continually maintained will provide future committee members with the ability to quickly draw out past historical data to compare with the current information as deemed relevant.

Past documents were edited to reflect current and up to date information. This also included the Letter of Intent (LOI), which had a name change to the Cornerstone Participation Form (CPF) as to restrict confusion with the Lodge of Instruction (LOI). The Power Point presentation also received a make over with a new version that has been used several times in 2019. From January 1st to April 8th six PP presentations were given, with positive feedback returned to the committee on its appearance and delivery. With these presentations, Lodges were encouraged to complete more Standards than were required to ensure that they have enough accomplished to earn the Designation. It was also recommended to submit a little earlier if possible, as to allow time to collect missing information if required in order to complete the necessities for the Designation.

This committee has found that communication is key especially in the early stages for the success of this program and it must be maintained. There was some confusion as to the dates of collecting data and the designation, with regards to deadlines. It was found that many Lodges required several reminders to submit their intention to participate prior to deadline time and that many Lodges had assumed that they already had committed or that it was just automatically continued. This communication from the committee proved to be successful shown by the number of Designated Lodges that are continuing with the program. It is suggested that future committee members offer reminder emails a couple of months prior to the Participation Form deadline in December and the Submission deadline in May.

Currently participating in collecting documentation towards a Cornerstone Designation are:

70 Lodges for the 2017-19 period

(43 new Lodges and 27 of the 36 with a Designation, representing 27 districts);

110 Lodges for the 2018-20 period

(52 new Lodges and 58 of the 60 with a Designation, representing 32 districts);

20 Lodges for the 2019-21 period

(16 new Lodges and 4 with Designation wishing to continue, representing 14 districts).

Looking at the two-year period of June 1, 2017 to May 31, 2019, there are 180 Lodges representing 37 Districts, involved in either their first or second year of completing Standards. Although not all Districts participate each year it is curious to note that there is only one District that has never been involved in the Program.

From past provided historical data recorded, several Lodges have had a continued involvement with their Cornerstone Designation, running uninterrupted from their first designation. Since 2012 twenty-one (21) Lodges have and are still continuing, 4 since 2013, 10 since 2014, 11 since 2015 and 4 from 2016. Meaning that 50 Lodges have already had a Cornerstone Designations for at least two terms.

With submissions, past data has shown that Lodges tend to complete more Standards than the required. For 2017 submissions, 60% of them were over the minimum requirement of 12 Standards and 23% of these, with 4 or more extra. The 2018 submissions show 79% of them were over the minimum with 48% of these, with 4 or more extra. Special note, in this two-year period, 6 Lodges completed 20 or more Standards (out of the 28), in their submission.

Submission data prior to 2017 was not available to this committee for recording. Submissions of 2019 will be recorded alongside 2017 numbers for comparisons and statistical evaluations. This will be the first time that this type of information will be compared. This information will show choices of Standards, singling out ones that may need to be improved or made more relevant, as well as showing if regional effects of chosen Standards is evident. It is felt that with the constant recording and upkeep of such data, positives and negatives factors in the program will be clearly visible to maintain or adjust.

The Cornerstone Committee also continues to benefit from its relationship with the Condition of Masonry Committee in getting information out to the Lodges. 32 requests of Cornerstone information from the L1 Forms were forwarded to this committee, allowing us to communicate the Program to provided Lodge contacts.

As in the past, a team of committee members are involved with the evaluating of Lodge submissions, and the continuous and diligent promotion of the Cornerstone Program in our Jurisdiction. Some of whom were consistently in contact with and assisting the Cornerstone Secretary in communicating with Lodges in their region. I would like to thank all of them for their hard work and support of the Cornerstone Project in their regional areas.

Respectfully submitted.

DAVID ARMSTRONG, Chairman.

REPORT OF SEMINARS AND WORKSHOPS TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Seminars and Workshops, it is my pleasure to report on the presentations made throughout Ontario during this 2018-2019 period.

Our Mandate

The Committee continues to:
“Provide informative, instructional and interactive seminars and workshops on topics important to the Masons of Ontario.”

Seminars during the year.

Early in September, committee members contacted District Deputy Grand Masters to invite them to consider hosting a seminar and workshop that might interest and benefit the brethren of his District. Contact was made (usually email and/or telephone) and planning commenced to identify a venue, date and time, and topic of choice. Once details were decided, promoting the seminar was the focus.

As in other years, the attendance at the events was respectable, with attendance ranging from 22 and 43 at sessions.

Feedback was provided after seminars and we were pleased that the brethren were pleased to hear timely and informative topics. Often, the only criticism noted was that workshops were not long enough. Not providing enough time to discuss or to tend to all the questions from the audience. We continue to acknowledge the fraternal/ social benefits of a learning event.

REPORT OF THE CONDITION OF MASONRY TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the report from the Committee on the Condition of Masonry to this One Hundred and Sixty-Fourth Annual Communication of Grand Lodge. It has been my

privilege to lead this dedicated committee of knowledgeable and experienced masons who conduct the reviews of all the lodges.

Condition of Masonry – General

As Chairman of the Condition of Masonry I am pleased to report that I have received all reports in accordance with Section 104 (b) of the Book of Constitution from the forty-one District Deputy Grand Masters.

As prescribed in the Constitution, reports to the Committee on the Condition of Masonry are to be submitted within 14 days following the Official Visit. 92% of the reports are received within the prescribed timeline. I am pleased to report that the District Deputies and the District Secretaries this year have generally been very diligent in the submissions of the L2 & L3 Forms with many completing the submissions within 48 hours of their Official Visits. Also this year it is noted that the number of reminders sent out to lodges has reduced dramatically by about 50%. Some lodges reported that the secretary had changed and the new secretary had received no direction or information from their predecessor. Thus we recommend that outgoing secretaries take the time to fully brief and provide assistance to their replacements during the period of transition.

The Committee wish to acknowledge and compliment the following Districts for achieving 100% on-time submission of all L-Form reports; **Bruce, Eastern, Grey, London East, London West, Niagara A, Niagara B, Ontario, Ottawa 2, Prince Edward, South Huron, Waterloo, Wellington and York.**

The following Districts receive an Honourable Mention as there were only one or two tardy submissions; Algoma, Frontenac, Georgian North, Hamilton A, Hamilton B, Hamilton C, Nipissing-Muskoka, North Huron, Ottawa 1, Peterborough, Sarnia, St. Thomas, Sudbury-Manitoulin, Temiskaming, Toronto Don Valley, Toronto East, Toronto Humber Valley, Toronto West and Wilson.

The current system of reporting relies heavily on e-mails to distribute the L-Forms to all parties. Unfortunately the keyboarding skills are, in some cases, in need of improvement, as this year an extremely high number of L-forms did not get to their correct destinations because of incorrect or misspelled e-mail addresses. This resulted in an inordinate number of L-forms that had to be forwarded or relayed to the correct recipients.

New this year was the ability for lodges to request to be contacted by the various committees of our Grand Lodge. At the time of this report over 250 requests have been processed and it is anticipated that by the time of the Annual Communication we will have processed almost 500 requests. The most popular requests are for more information on Strategic Planning and the Cornerstone Program. This bodes well as it indicates that more lodges are taking a sincere interest in having a solid plan in place for their future. The Cornerstone Program identifies where they are and what they are doing, while strategic planning combined with Cornerstone assists them in mapping where they want to be. There is also demonstrated interest by many lodges who have requested more information about the Investment Program offered by our Grand Lodge.

CoM Lodge Report

This is the third year of the “CoM Lodge Report” which is sent to all lodges to encourage discussion within the lodge and to assist in the development of long range plans for the lodges. The CoM Lodge Report should be considered another tool to be used in evaluating where lodges are and where they want to be as a vibrant and healthy lodge. This report is a summary of the findings of the Committee based on the information provided in the four “L” Forms submitted for review from each lodge. This information is a ‘snapshot in time’ on which the Condition of Masonry evaluates and provides feedback in those areas that are considered an essential ingredient to a healthy and happy lodge. These include Membership, Finances, Ritual, Fellowship/Social Intercourse, Masonic Education, Officer Progression, Family Activities and Community Awareness and Involvement. Contact

information for the various Grand Lodge Committees that may prove beneficial to improvement is also provided. It must be noted that the report is for the sole use and benefit of the lodge and the data is only used in an aggregate manner to make recommendations to our Grand Lodge. Individual lodges are not identified.

As this is the third year for the CoM Lodge report, the Committee will strive to evaluate and establish the effectiveness of the CoM Lodge Report. This work is currently underway and in general terms we are seeing some modest improvements year over year. We have also received an increase in the feedback received from the lodges and are pleased to note a significant increase in the number of lodges reporting the CoM Lodge Report to their membership and discussing the same with their members.

For the second consecutive year the number of lodges receiving an overall “Healthy” rating has increased. This year **55.1%** compared to **53.4%** last year and **52%** the previous year. While these increases are modest we look positively that our constituent lodges are making use of the CoM Lodge Reports in planning their activities.

In the “Conditional” category we are pleased to report a further drop to **34.4%** from last years **38.4%** and the previous years **46%**. This rating identifies that there are some areas of concern and/or areas that need improvement.

Sadly the Committee rated **10.5%** of our lodges as being “At Risk” which for the second consecutive year has shown an increase. (**8.2%** last year and **5%** the previous year). This number also reflects an increasing number of lodges that have commented that they are seeking amalgamation with one or more other lodges as well as a few lodges that were seeking advice on the process of surrendering their warrant. The “At Risk” rating indicates the need for immediate remedial action in several areas.

At the One Hundred and Sixty Second Annual Communication a constitutional amendment regarding dues was passed. A full masonic year has now gone by and as commented in last year’s Annual Proceedings, the committee was looking for a major improvement in the number of lodges carrying members more than 12 months in arrears. As a result of that constitutional amendment there should be no members with dues more than 12 months in arrears. At the Mid-term we reported that 67 lodges had a combined total of 333 members more than 12 months in arrears for a total of \$66,471.00. At the time of this report we have 211 lodges reporting 483 members in arrears for a total of \$89,974.00 and are projecting that there will be over 1100 members in arrears with a total of \$221,310.00 outstanding. While this is significant improvement over the \$433,946.00 reported in 2017 it is still a concern that lodges are carrying this much in receivables.

The Condition of Masonry team has identified an area of concern regarding our life members and life member accounts. At the time of this report, 52.5% of the lodges that reported having life members did not have a life account as prescribed by our constitution.

We have listened to the feedback from our lodges that the recommended dues level of \$150.00 was not applicable to their circumstance. The recommended dues level is now based on the individual lodge circumstances.

- 2) If a lodge has life membership, they ensure that they have a life membership account in compliance with the constitution.
- 3) Lodges be encouraged to develop multi-year financial plans to ensure that their dues structure realistically meets the financial needs of the lodge.

Closing

I would like to recognize and thank the many skilled brethren on the Condition of Masonry team who devote many hours analyzing the L-forms and developing useful feedback to the lodges. They take their work very seriously and feel the pain when faced with a lodge that is struggling. I would be remiss if I did not thank R.W. Bro. Ken Elligson who helps me with numerous reports and paper flow to and from the team members. I also thank all the District Deputy Grand Masters and District Secretaries who have cooperated fully in ensuring form submission compliance from their constituent lodges and who have communicated with me regularly.

REPORTS FROM THE COMMUNICATIONS COMMITTEE

REPORT OF THE INTERNAL COMMUNICATIONS TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Internal Communications is composed of three sub committees with the combined responsibility of communicating information to our members on a regular basis throughout the Masonic year. Whether it is a notice of an upcoming Grand Master's Reception somewhere in the jurisdiction or additions to our website or perhaps news from

the College it will be distributed by E-mail, newsletter or placed strategically on the website. The Team Leaders in each case worked very hard to produce and maintain a consistent communication strategy so that the members would be up to date on events and also to enjoy articles written by those with specific experiences that they wanted to share or pertinent information that they had discovered elsewhere.

E-mail Distribution - R.W. Bro. PETER J. SIALTSIS, Team Leader

The E-mail Distribution Team is pleased to report on activities undertaken for the preceding Masonic Year. Our Team is honoured to continue its mandate of supporting and promoting the various initiatives of our Districts, Committees, Lodges and other groups within our Grand Jurisdiction, through timely dissemination of information and facilitation of communications between each constituent group. We take great pride in being entrusted with assisting our various Grand Lodge Committees, Teams, Districts and Lodges, in announcing, promoting and publicizing their endeavours to other Masons throughout our Grand Jurisdiction.

This year, our Team was pleased to implement two new additional initiatives in order to further improve the effectiveness of our messages in reaching the brethren. Firstly, under the learned suggestion of our Deputy Grand Master, we implemented consistent publication deadlines for each of our Events and Resources Digests; being the start of each month, so that our publishing constituents could plan on consistent publication deadlines and the readership could expect timely announcements at regular monthly intervals.

The second initiative undertaken by our Team is the addition of a Lodge Secretary E-mail Distribution list. In past years, certain Districts were cut off from regular announcements by the failure of certain District Deputy Grand Masters, District Secretaries, or other District Committees, to forward these Digests and other Communiqués to the lodges and members of their District. We are pleased to report the receipt of a greater degree of positive feedback from brethren throughout our Grand Jurisdiction, who are pleased to now be receiving regular announcements of the ongoing events and resource materials. By connecting our various Grand Lodge Committees with our various Districts and Lodges, we continue to be optimistic in the hope of engaging and including all brethren and thus reducing feelings of disconnection and disenchantment from those previously left out of the communications loop with regard to the many initiatives and resources offered by the Grand Lodge and its various Districts and Lodges.

In the coming months we are going to consider a trial usage of the Mail Chimp E-mail service for the distribution of our announcements going forward. A concern was expressed by certain members of the Board of General Purposes and other interested brethren regarding the usage of a personal E-mail account to distribute messages. This initiative has been approved by the Deputy Grand Master and implementation will be forthcoming.

We once again wish to thank our District Deputy Grand Masters and District Secretaries who assisted us at the start of the year in assembling a comprehensive E-mail database of our new Grand Lodge Officers and District Secretaries, which is invaluable in building the roots of our updated E-mail network for the distribution of announcements and information to all parts of our Province. Similarly, the timely receipt of all District Trestleboards enabled us to publish the activities of each District for the benefit of all brethren. We also acknowledge the assistance of the Craft Stewardship Committee for assisting us in keeping our Lodge Secretary E-mail List updated with the ongoing Changes.

Lastly, we were pleased to continue fielding a number of incoming inquiries from brethren of every part of our Jurisdiction, assisting them by directing their inquiries to the correct committee Chairman or Team Leader and also facilitating their efforts to obtain approval and ultimately distribute announcements of events held at the local, lodge and district levels.

On-Line Ontario Mason Magazine - W. Bro. DAN DIGNARD, Team Leader

The Winter 2019 issue of the Ontario Magazine was the 24th issue of the magazine in the digital format since the release of the first issue in the Fall of 2013. Within the pages of the magazine many momentous events have been highlighted including 160th, and 225th anniversaries of Lodges in the jurisdiction of Ontario.

The winning essays from the 2019 Masonic Essay Contest will be printed in the Spring 2019 issue of the magazine.

Local content from the Districts is needed to ensure that the magazine continues to strike a balance between educational and social content.

The magazine will continue to reflect the needs of Grand Lodge and promote Masonry in Ontario.

The Publishing Review Team - W. Bro. ROBERT LEFFLEY, Team Leader

The Publishing Review Team continues to promote accurate, informative and creative communication strategies among Lodges and Districts, and annually rewards the most outstanding District Websites. The Committee also stands ready to assist Chairmen, Team Leaders and Committee members in our Publishing Review role. Written presentations of all kinds may be submitted for review and may receive recommendations for improvement in terms of grammar, spelling, font sizes, format and consistency. We look to ensure that outgoing documents and communications comply with the Grand Lodge Communication Strategy.

Many Districts have made great efforts in updating their websites, and our team will once again reward the best examples with plaques to be presented at Grand Lodge.

Over the course of the year-to-date our committee has received 45 submissions, numbering 354 pages for review. Our team provided any necessary corrections, along with other recommendations and returned them to the authors in 4.4 days on average. We trust that our efforts have been well received.

Respectfully submitted.

REPORT OF THE MUSEUM AND ARCHIVES TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Masonic year saw the coordination of several projects within the mandate of Museum and Archives by the Grand Archivist, ably assisted by talented volunteers. The longest running project is finally complete with the last outstanding entries for the “Graves of the Grand Masters” located. The document is now edited and available on the Grand Lodge website.

Another document finally completed is “Guidelines for the Preservation of our Masonic Heritage.” This work outlines practical ways in which individual Masonic Lodges can ensure the survival and increase the awareness of the historic materials that are part of every Lodge in our Grand Jurisdiction. It has been edited and is available for use in Lodges.

Given the number of Lodges that may go into darkness in the near future, the Grand Secretary requested a paper outlining procedures to be followed by the Lodge. The completed document “Going Into Darkness: The Preservation of Lodge Assets” provides direction, by outlining which Lodge collections should, and conversely should not, come to Grand Lodge, as well as options for the other assets.

The Grand Archivist has acted as a resource person answering questions posed by Masons and Non Masons on matters related to the interpretation and preservation of Masonic artifacts. Examples include such varied items as a Masonic gravestone in a Bradford cemetery dating to 1855, a Masonic certificate of membership from the Grand Lodge of Scotland dating to 1823, and advice to a Lodge on preservation of their Masonic antiques in cooperation with the local community museum. In addition, consideration is being given to upgrading the storage and display of Masonic artifacts and documents held at Grand Lodge.

A highlight of the year was the Especial Communication of Grand Lodge in North Bay on April 6, 2019, with the Grand Archivist’s preparation and delivery of a paper “Freemasonry on the Canadian Frontier: Mohawk Chief and Worshipful Brother, Captain Joseph Brant - Thayendanegea.” The presentation highlighted Worshipful Brother Brant’s significant pioneering work in establishing the Craft in Upper Canada.

Museum and Archives 2019 - 2020 Work Plan:

Graves of the Grand Masters:

Although the Graves of the Grand Masters project is now complete, as of today's date, it is a sad fact of our mortal existence that we will have to update the document from time to time. The Grand Archivist continues to collect photos of the graves, and receives others as sent by Brethren from our Grand Jurisdiction who have supported the project. These photos can eventually be incorporated as part of a larger digital memorial on our Grand Lodge website.

Preservation of Masonic Heritage:

Two documents on the preservation of Masonic assets are now available to Lodges within our Grand Jurisdiction, "Guidelines for the Preservation of our Masonic Heritage" and "Going Into Darkness: The Preservation of Lodge Assets." Based on the many previous contacts for advice, support and information in this area, from both Masons and Non Masons alike, it is anticipated that the interest in preserving our heritage will be an increasingly important area for Museum and Archives.

There is also a great deal of work to continue in terms of the preservation, interpretation, and display of the Masonic collections at Grand Lodge. This work will be on going in 2019-2020.

Worshipful Brother Brant:

The paper presented at the Especial Grand Lodge in North Bay on April 2, 2019, "Freemasonry on the Canadian Frontier: Mohawk Chief and Worshipful Brother, Captain Joseph Brant - Thayendanegea" generated positive interest. It is proposed that the initial research begun for the paper be continued to enlarge the scope of the original project. Given the amount of historical documentation and graphic materials available, it is proposed that a substantial document could be created for our Grand Lodge website.

Grand Lodge Website:

Museum and Archives will continue to support the development of the Grand Lodge website to increase awareness in relevant areas of Masonic heritage preservation and interpretation.

Museum and Archives Budgets:

Although a budget was proposed for 2018-2019 for Museum and Archives, no funds had yet committed as of April 11, 2019, however with the approach of better traveling weather, that should soon change, before the end of the current Masonic year.

A budget is requested for 2019-2020.

- Travel to attend meetings at Grand Lodge, or travel to support Masonic heritage activities in the Grand Jurisdiction, (to be approved in advance) @ \$400.00
- Heritage resource conservation materials and support, (to be approved in advance) @ \$400.00
- Total Museum and Archives budget @ \$800.00

Respectfully submitted.

REPORTS FROM THE OPERATIONS COMMITTEE

REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Having served on this committee since 2012, I wish to extend my personal appreciation for the opportunity to be appointed as its chairman.

Operations or management is vital to any organization especially if we are to meet the strategic objective to ensure our long-term growth & effectiveness.

As in the past, the committee has served in an “advisory” capacity comprised of talented professional brethren providing guidance, education and “hands on” assistance to lodges, districts, temples and Grand Lodge.

Our strategic goals are to promote the following:

- manage resources and assets efficiently and effectively and in so doing minimize risk
- promote the knowledge and education of or assist in effective planning
- use the proper technology and communication tools to meet these goals
- provide guidance and information as it relates to the financial management of lodges, temples; specifically, as it relates to their operations & assist in compliance with numerous tax and legal filing requirements
- meet the challenges of an increasingly complex society
- assist in planning for the future; not only in a budgetary manner, but to take such measures as necessary by interpreting the financial data to develop a comprehensive plan for lodges to deal with declining membership and possible rejuvenation

Lodges

While it is impossible to analyze every L4 return submitted by lodge treasurers or secretaries for their official visits, we have focused on those which indicate financial problems or responded to direct requests for assistance. It is not the accounting; rather the lack of understanding, budgeting and financial planning as it relates to the health of a lodge and the implementation of a program to address these issues that is the greatest challenge. In addition, how do you find the right person with the necessary skills for a technical position? Where we cannot deal with individual lodges, there is a need for further education and often the committee provided guidance on improving record keeping and most important – interpreting the numbers. Over the years the Committee has issued newsletters available on the Grand Lodge website with valuable resource material and we have provided this material to those requesting assistance.

Unfortunately, communication is the problem. It is easy to tick off a box requesting assistance. A small number of lodges respond to our follow up and we often deal with the well-worn phrase, “We have always done it this way.”

Old ways may no longer be effective and unfortunately change is necessary but often more time consuming if we are to go forward. Time or rather lack of time to address problems is a major concern.

Temples

In addition to the issues related to lodges, temples have various legal structures, and, in many cases, we have found that the directors are unaware of their legal and tax obligations. Some of these corporations have lost their charters and others had to make voluntary disclosure to the CRA. When a temple loses its charter, it ceases to exist, and its assets technically revert to the Crown. This results in numerous legal, tax and liability issues. Even when a temple is up to date with its accounting and filings, it must contend with rising costs and declining revenue which in some cases have resulted in the sale of buildings and often financial mismanagement. We have provided marketing and property management advice which has enabled temples to achieve a positive cash flow and become profitable. Our temples can often generate additional revenue by serving the local community and in so doing reinvest this money back into the building to make it more

marketable. Again, communication is the greatest issue. Poor record keeping, lack of awareness, lack of planning and mismanagement have resulted in the loss of Masonic temples and a tremendous amount of money. Invariably in these cases, this committee was never consulted. Over the year the committee has responded expeditiously to lodges and temples seeking professional advice; but as we serve in an advisory capacity, we cannot compel individuals to contact us. We have attempted to make temples aware of what services we can offer; to provide education, guidance and often hands on assistance. We have been contacted by phone, email and often referred by The Grand Secretary.

Education

We have found that the seminar approach works well together with a handout of summary material which can be presented at the lodge or district level.

In conclusion, we have attempted to provide effective communication, rapid follow up for those seeking assistance and advice, engaging our brethren, working with other chairmen to address organizational issues and to promote a greater level of awareness.

Finally, I would like to thank the Committee members; V.W. Bro. Neil Friedman, Secretary, V.W. Bro. Harris Jones, W. Bro. George Puccia -all CA's; W. Bro. Phillip Robinson, FCCA (UK), R.W. Bro. Manoj Dave, bank director – audit and governance and Bro. David Schatzker, LLB, corporate legal counsel.

Respectfully submitted.

REPORT OF THE BENEVOLENCE TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Grand Lodge Benevolence Committee I am pleased to issue this report for the year ended April 30, 2019.

The Committee reviewed and approved 7 Applications for Benevolence resulting in total payouts of \$37,150 this includes 9 Christmas gratuities of \$50 each to past recipients of Benevolence.

Income from investments exceeded payouts by approximately \$5,000 this year. It is usually thought, having a surplus is a positive result. The committee believes these funds could have been better used to assist worthy brethren in need, if only the relative applications had been received.

The participation and contribution of Lodges, and their membership, assisting members in need and providing funding, at the local level, are essential. It should be remembered, that Applications for Benevolence to Grand Lodge are welcome.

The Committee would like to express their appreciation to R.W. Bro. Ed. Standish, Operations Chairman and R.W. Bro. Lou Domjan, the Supervisor of Benevolence, for their wisdom and guidance.

Respectfully submitted on behalf of the Committee: R.W. Bro. Leonard Bedford (Belleville), R.W. Bro. Thomas Hogeboom (Napanee), R.W. Bro. Robert E. Kerr (Grimsby), R.W. Bro. Terence Roberts (Windsor), R.W. Bro. Michael Graystone (London), V.W. Bro James A Keith (Ottawa), V.W. Joe Whiteley (Guelph), W. Bro. Michael Millard (North Bay) and W. Bro. Brian Aikens (Barrie).

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

All but 3 Districts have begun their submissions of fire inspections and are working towards compliance.

Of the 21 Districts in this series of Fire Inspections from Algoma to Ontario we are covering 246 Lodges who share 157 buildings.

I have maintained communication with all DDGM's and some District Secretaries, Masters and Lodge Secretaries, both through email and by telephone. As of this report I have sent and responded to several hundred emails in order to provide answers and clarification regarding our Building Compliance Policy and Procedures Manual.

As of May 1, 2019 only 77 of the 246 Lodges have completed fire inspections.

Algoma East, Georgian South and Niagara A District have acknowledged their responsibilities as far as Building Compliance but to date I have received no Fire Inspections. Those three Districts have all been reminded for a 4th time and as in the past offers for assistance have been extended.

Below is a chart displaying each District along with how many Lodges and Buildings are in the corresponding District with the number of Lodge inspections completed.

Many Lodges have informed that inspections have be scheduled and they are waiting for representatives of their respective Fire Departments.

I will continue to provide assistance to our Districts to ensure all are in compliance with our Grand Lodge Building Compliance Policy and Procedures Manual.

All correspondence along with fire inspection reports have been filed with the corresponding Districts to ensure continuity in the future.

REPORT OF THE STRATEGIC PLANNING TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

STRATEGIC IMPERATIVE MEMBERSHIP

PROJECT: 2017 – 02

LONG NAME: MEMBERSHIP EXIT TOOL

SHORT NAME: MEMBERSHIP EXIT TOOL

I hereby submit a report on the Pilot program implemented for a period of six (6) months September 1, 2018 to February 28, 2019.

RATIONALE: “The number of members leaving the Craft in Ontario each year through demits and suspensions are significant (between 3.2% and 4.6% each year for the last five years). In the last three years, this number has exceeded the combined total of initiations, joined, and restored. It is imperative that we listen to those members who are leaving the Craft and understand why they have chosen to leave. This information will enable us to reflect on how we can better serve our membership in the future.”

STRATEGIC GOAL: “Better understand, serve, and support the needs of our current members and their families.”

INTRODUCTION: A pilot project established to obtain data from the Lodges in order to ascertain defined and accurate information on members resigning, suspended and /or requesting demits. A form titled “Membership Exit Survey” was created, reviewed, approved and sent to select Lodges.

The information required on the form requested personal information and comments. It also provided the opportunity for the brother to briefly state his personal views by responding in a range from whether he “strongly agrees” to “strongly disagree.”

DURATION: The pilot project was affected from September 1, 2018 to February 28, 2019 for a total of six months.

DELIVERY:

- Seven (7) Districts were selected to participate.
 - Forty-five (45) Lodges selected from the seven Districts.
 - Introductory letter sent to District Deputy Grand Master of each District.
 - Introductory letter, survey guidelines and survey form sent to Master of each Lodge selected
 - Requested a monthly report from each Lodge
- Summary based on information submitted
- 7 Districts selected - 45 Lodges participated;
 - 33 responded
 - 73% response
- Demit by ranks - 7 Districts - Immediate Past Masters 9
- Master Masons 10
 - Fellow Crafts 2
 - Entered Apprentice 1
 - Total 22
- Demit Category - 7 Districts Resign - 2
- Suspended 3

Demit 7
Demit in Good standing 10
Interviewed 2

SUGGESTION

Data on demits/resignations/suspensions to be included as part of “L” forms. The electronic forms should be developed in a way that all sections must be completed with an answer before proceeding to the next. This will ensure information is submitted in a meaningful manner for development purposes.

CONCLUSION

The number of responses to the pilot project was disappointing in light of the serious concerns the pilot was intended to address. Participation was ignored by some Lodges. Other Lodges thought it was additional work created for the Worshipful Master/Secretary. One Lodge stated that the information required was on the level of harassment, while some thought the information was not relevant or too personal.

In many cases the forms were not returned or returned incomplete. Therefore this report does not reflect accurate results. In order to simplify the responses instructions were given that if a lodge did not have any demits of any kind, report the Lodge Name and Number and state “no demits”, a few lodges complied others submitted zero information.

The program apart from negative comments the program was an effective tool to gather information which in the long term will enable Grand Lodge to develop programs addressing the needs of its members.

Sir, despite the very low response I found this exercise to be a worthwhile one as it provided some insight of some of our Masonic leaders regarding accountability or interest in contributing and/or participating in the maintenance of a vibrant fraternity.

I take this opportunity to express gratitude and appreciation R.W. Bro. Tom Siemiernik Chairman of the Membership and R.W. Bro. Richard Kaufman Chairman Strategic Planning for their assistance and direction throughout.

Respectfully submitted.

RICHARD KAUFMAN, Chairman

REPORTS FROM THE COMMUNITY OUTREACH COMMITTEE

REPORT OF THE YOUTH INITIATIVES TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Goals:

To enhance the relationship of Grand Lodge with the Youth Organizations.

Objectives:

We as a Committee will strive to promote the Youth Organizations and the work that they do within their Communities.

2018-2019 Year in Review:

Our year kicked off on a bit of a sad note as it was reported to us that the last Bethel of the Jobs Daughters in Ontario was forced to close, this was unfortunate as the people involved had worked tirelessly to try and keep it afloat. As of this printing it still remains in darkness.

In October of this Masonic year, an E-mail was sent to all District Deputy Grand Masters who had either a Chapter of DeMolay or an Assembly of the Rainbow Girls that met in their district contact was also made with District Deputy Grand Masters in the adjacent district if it was geographically feasible for them to attend a meeting. The Youth Committee provided to the District Deputies the contact information of the adult coordinator for the Youth group or groups meeting in the district and urged them to make contact and set up a visit. I'm happy to report that in all cases the District Deputy Grand Masters had either already set up a visit or were planning to visit during their term. This is a very positive step and I would like to thank the several District Deputies for their support of the Youth Groups.

Once again this year the Committee is holding the Youth of the Year essay contest. This will allow us to recognize one member of DeMolay and one member of The Rainbow Girls with a monetary award. The easy topic this year is *What is the most inspiring thing you've ever been told; why is it inspiring and how will this influence your own future?* The essays are to be 300 to 500 words and are to be returned to me by May 15th. We the Committee look forward to reading and evaluating the submissions.

Once again Youth Initiatives will be participating in the Seminars and Workshops program, on Tuesday July 16th during the 2019 Annual Communication. In the past the Committee has used the Seminar and Workshop opportunity to promote membership in the Youth Groups, however this year the seminar will be focusing on the benefits and importance of being an adult advisor. We are hoping to encourage more Masons to get involved in the Youth groups in the area. The Committee would like to thank the Chairman of Seminars and Workshops R.W. Bro Jim Sercombe for including us in the program.

I was pleased to be in attendance on March 23rd at the Scottish Rite building in Hamilton to celebrate the 100th Anniversary of DeMolay and to join with the DeMolay and Rainbow Girl's at the annual Sweet Heart Ball. The day included a portrayal of the DeMolay degree put on by the Senior DeMolay (basically the alumni) with our committee member R.W. Bro Allin Brown playing a prominent role. The degree was impressive and well performed and could not help but inspire the 12 new members who received it. I would like to thank the Provincial Master Councillor and his Officers for a wonderful afternoon and evening.

The Youth groups will once again have a presence at the 2019 Annual Communication at the Fairmont Royal York, Tuesday in addition to the Seminar, we will have our information table and display set up and there will be representatives of each group at the Grand Masters Banquet.

Acknowledgments:

I want to take a moment to acknowledge the contribution to the committee by Dad Ernest Loiselle, Executive Officer for DeMolay Ontario and Mom Sara Kruek, Supreme Deputy International Order of Rainbow for Girls, their assistance, guidance, support and encouragement this year has been exceptional. These are two extraordinary individuals who offer freely of themselves for the benefit of the young people of Ontario! It has been an honor and a pleasure working with them this year.

I also want to thank the members of the Grand Lodge Youth Initiatives committee, R.W. Bro Allin Brown, V.W. Bro's. Gerry Oulellette, and Chris Lough and W. Bro. Steve Barendregt for their help and support this year, your assistance and dedication was much appreciated. These worthy Masons not only continue to be active members of their own lodges but also work as youth advisors in their respective areas of the jurisdiction.

The work of this committee is focused on the youth groups with a Masonic connection, however it is fitting to recognize and thank all the Masons who spend time working with other youth groups such as 4H, Beavers, Cubs and Scouts or Junior Farmers. Across the province, their contribution to help the youth in Ontario is no less valuable and we commend them for that.

Recommendation:

I would like to recommend for consideration that the office of Executive Officer of DeMolay Ontario and the Supreme Deputy, International Order of Rainbow for Girls be named ex officio members of the Grand Lodge Youth Initiatives Committee. Their knowledge of the inner working of each Chapter or Assembly has been invaluable this year.

Conclusion:

Day in and day out we hear stories of troubled youth and the down fall of respect and civility in society among the young people of this province and country. The Order of DeMolay and the International Order of Rainbow for Girls are building the leaders of the future and instilling in them those attributes and principals that seem to be so lacking in society today. It benefits society as a whole to do what we can to increase the reach and scope of these organizations. As M.W. Bro A. J. Petrisor said at the Grand Assembly of the International Order of Rainbow for Girls in Ottawa in 2008, “youth may be 25% of the population but they are 100% of our future.”

Respectfully submitted.

REPORT OF THE BROCK UNIVERSITY PARTNERSHIP TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It has been my privilege to serve this jurisdiction as the Chairman of the Brock University Partnership.

It has been a very exciting and challenging time for the Committee this past year. In April, the 2018 Sankey Lecture was cancelled due to the Ice Storm. The committee worked very hard to find a date that was suitable to our speaker and our Grand Lodge. The 2018 Sankey Lecture finally took place on Sunday September 9th at Brock University. The speaker Dr. William Moore, Director of the American and New England Studies Program, Boston University, presented a spirited lecture entitled “Catechism, Spectacle, Burlesque: American Fraternal Ritual Performance 1733-1933”.

The 2019 Sankey Lecture took place on Sunday March 24th. The speaker was Dr. Chernoh Sesay Jr., Associate Professor at Northwestern University, Evanston IL. His lecture was entitled: Democracy, Freedom and the Beginnings of Black Freemasonry”. The lecture was well attended with the Deputy Grand Master R.W. Bro. David Cameron and Past Grand Master M.W. Bro. Ronald Groshaw from our jurisdiction. We were also honoured to have Grand Master, M.W. Bro. Headley Lewis, several Past Grand Masters and brethren from the Most Worshipful Grand Lodge Prince Hall F. & AM Ontario and Jurisdiction.

A Gift Agreement between Grand Lodge and Brock University will be finalized which will determine the funding for the Sankey Lectures for the next five years.

We are also pleased to announce that a recipient of the first Grand Lodge of A. F. & A.M. Masons of Canada in the Province of Ontario Scholarship has been selected and will be present at the Grand Lodge Convocation in July.

Finally, I would like to thank the members of the Committee, V.W. Bro. Phil Hebert and W. Bro. Dan Graham for their support and assistance.

Respectfully submitted.

HOWARD ADAMS, Chairman

REPORT OF THE PUBLIC AWARENESS TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The following is a summary of the various activities of the Public Awareness Committee for the year 2018-2019.

The Committee held its first meeting on August 14, 2018, and discussed the following points:

- 1) While we cannot recruit members, there is nothing wrong with advertising our presence in society and what we have to offer using the following media:
 - Local newspaper
 - Radio
 - Facebook
 - Twitter
 - Pinterest
 - Instagram
 - LinkedIn
- 2) Debunk the negative and fanciful myths that have been promulgated for ages by the disenfranchised critics of most fraternities, especially Freemasonry, with open dialogue and reason.
Get rid of the “old white men” factor which is a perception that is real and that we have to not TELL, but actually SHOW in the media that this is not true.
- 3) Using the best practices and model of the UGLE with their engagement of university students, and other Jurisdictions and defining our target audience.
- 4) Develop an easy, understandable narrative or Q&A response to be practiced and known by every Mason in the jurisdiction when he is asked, “Why did you become a Mason” or “What is Masonry”?
- 5) Advertise our presence in our communities using the above media and trumpeting our successes with the MFO, cochlear implants and hearing research, bursaries to community colleges, \$1.3 million for Prostate Cancer Research, Autism Spectrum Disorder research, Parent Action Against Drugs, Blood donations, the Brock/Sankey Partnership lectures, local community events/fundraising partnerships, etc.
- 6) The website content and user-friendliness has to improve. Event postings should be followed up with pictures, not just of people standing in lodges, but masons participating in all sorts of enjoyable activities outside the lodges. This should be made available for view by the public. We could also emulate the UGLE where they have all sorts of social/hobby fellowships from fishing, theatre, boating, cars, chess, books, history etc. Bring exciting fun and fraternal gathering back to what it was, at our very beginning in the ale houses.
- 7) Rebranding Masonry is essential to any attempt to change what is happening now. We must do this in a very professional way so as to communicate to the public what Freemasonry has to offer men of all ages, the “Why?” factor is different for every man:
 - Camaraderie with like-minded men
 - Social connections
 - Life mentoring for younger men

- The belief in charity
- Personal support
- Our rich history, ritual symbology, public speaking, confidence building

In September, as Chairman of the Public Awareness Committee, I travelled to the Chatham International Plowing Match in Paincourt. Unfortunately, inclement weather reduced the number of visitors to the tent.

On October 19, 2018, the Committee met with V.W. Bro. Dan Hutt and W. Bro. Milan Cobanov from the Website and Face Book Committee to discuss Tactical Plan deliverables of the Grand Lodge website which needs a major overhaul, archival management, marketing and communications strategy, role and purpose of document repository, and the role of social media intended as news source and for current events.

The Public Awareness Team, in supporting Strategic goals 13, 15, 16 and 17, would provide the content for the Website and Face Book Team to produce/manipulate public facing and member centric products.

The Committee met again on December 3, 2018, for a five-hour meeting to discuss the state of the Grand Lodge website which, apparently, only attracts less than 5% of our membership to its site. Some members of the Committee noted that, when they have sent interested young men to the site, they look at it for a couple of minutes and say, “That’s it??” – and log off.

We particularly discussed how the website’s “landing page” could be much more user friendly.

Various recommendations were:

First of all, to limit the number of clicks to get to where you want to go. Secondly, make the “landing page” more lively and welcoming by using videos similar to the Northern Masonic Jurisdiction of the Scottish Rite Masons’ video, “Not Just a Man, a Mason”, the G.L. of Massachusetts’ video, “Back to our Roots”, Kilwinning No. 565 video, the U.G.L.E. Netflix series, “Inside Freemasonry”, etc.

These videos are exciting, emotional, inspirational and impactful showing masons of all ages, ethnicities, races and cultures, engaging each other in Lodge and community activities.

We also need to change our branding slogans to keep in step with the times. For example, “To be one, ask one” makes sense to a Mason but not to a non-Mason. “To make good men better” is perhaps an insult to a man in his fifties who is not a Mason –was he not good enough?? R.W. Bro. Joe DeMello created an excellent Power Point Presentation on Branding which was presented at the Board of General Purposes Retreat on Monday, February 25, 2019.

The Public Awareness Committee, with R.W. Bro. Joe DeMello’s guidance, developed a number of “Identity Statements” of 2 -3 lines that any Mason can memorize and speak to with passion. They are:

Identity Statement – What are we:

Masonry is the world’s oldest and largest fraternal organization dedicated to personal development.

Identity Statement – Who are we:

Masons represent all races, occupations, faiths, ages, diverse political ideologies and stations in life, yet within our Fraternity, we are all equal.

Identity Statement – Why (for the Individual):

Masonry does not strive to make a man better than any other man, but instead, enables and nurtures him to be the best man HE can BE.

Identity Statement – Why (for society as a whole):

Masonry benefits and supports individuals, families, organizations and communities through numerous activities and initiatives.

Identity Statement – Our Lodges:

Our Lodges provide sanctuary from hectic, and often unfulfilling life styles, by participating in contemplation, self-evaluation and, most importantly, encouraging harmonious relationships.

How do Masons benefit society:

Charity is not the main objective of Freemasonry, but it does awaken a latent, generous spirit within us and, once awakened, the Mason better understands his duties to himself, his family and his society.

Who can become a Mason:

In today's society any man, 21 years of age or older, who believes in a Supreme Being, is of good moral character and reputation can become a Mason.

How does one become a Mason:

Contact us and find out!

But the most impactful identity statement is "Why did I join Freemasonry and why am I still a Mason?"

On Saturday, February 23, 2019, I, together with R.W. Bro. Lindsay Reiach and W. Bro. Graeme Boyce attended a six-hour meeting hosted by V.W. Bro. Dan Hutt to discuss the "Rebuilding of the Grand Lodge Website". The Deputy Grand Master was in attendance as were other Board members.

At that meeting, the Deputy Grand Master, R.W. Bro. David Cameron, tasked the Public Awareness team with creating a working model for the landing page of the Grand Lodge website in time for the March 26, 2019, meeting of the Management Committee – which we did.

Subsequent to that meeting, I convened a conference call on Sunday, February 24, to relay the above task to my team members.

Friday, March 1, 2019, I hosted a seven-hour meeting/tutorial presented by R.W. Bro. Bob Ledingham on the Content Management System with V.W. Bro. Dan Hutt, R.W. Bro. Joe DeMello and W. Bro. Richard Murdock. A further meeting of the Public Awareness Committee was convened on March 10, 2019. R.W. Bro. Geoffrey Allan had perused 25-30 Masonic Grand Lodge websites which we reviewed and we, eventually, chose the website of the Grand Lodge of Indiana as the neatest and easiest to navigate, as a platform for our model for the landing page.

Again, the credo "Two clicks to heaven – four clicks to hell!"

Other than working on the Grand Lodge website landing page, as Chairman of the Public Awareness Committee, I made the following presentations during the year:

- November 19, 2018: St. James Lodge No. 73, St. Mary's, South Huron District
- January 29, 2019: Hamilton Districts Craft Association
- March 7, 2019: Corinthian Lodge No. 96, Barrie, South Georgian District

Presentations are planned for

- April 27, 2019: Valley of Barrie Consistory, Barrie
- June 13, 2019: Orono Lodge No. 325, Ontario District

As the members of the Public Awareness team have travelled across the Jurisdiction and discussed public awareness with other Masons this year, my team and I have consistently heard a number of themes from our brethren:

- First, there is a need for better communication – from top to bottom, the bottom up, and sideways across all levels of Freemasonry. The brethren want to engage our leadership and be engaged by them.

- The feeling that we desperately need to change how and what we communicate if we have any chance of actually being “effective and efficient moving forward”.
- There is a prevailing feeling of ennui – “same old, same old” – without change.
- Some of the brethren are despondent over the dropping membership (especially new Masons) and we have to encourage them to make Freemasonry stronger – and the numbers and quality will increase. From the movie “Field of Dreams”: “Build it and they will come!”
- As leaders of this great institution, we should be showing the way ahead for our brethren, not the other way around.
- There appears to be concern over the “lack of transparency” in how things operate at the Grand Lodge level.

The Public Awareness Committee has put forth a number of recommendations for increased media usage for Face Book apps on Freemasonry to increase public awareness of our noble craft in Ontario. Making the public aware of what we do and believe as Masons is not at all, in and of itself, a recruitment or invitation to join masonry, which we don’t do because a man enters masonry “of his own will and accord”.

It is indeed time to take our proverbial “light out from under the bushel”! The excellent survey done by the Northern Jurisdiction of Scottish Rite, “The Path Forward”, demonstrated that, while 81% of 1000, 21-65 year-old non-mason male respondents, were aware of Freemasonry, less than 30% were cognizant of its values and only 25% that we are a brotherhood. The public hear – and believe – that “we are taking over the world”, “devil worshippers”, “secret society”. When the surveyed brethren were informed that Masonry is a brotherhood and that our tenets are Honour, Integrity, and Fraternity almost 50% thought more favourably about Masonry.

According to the survey, our Masonic values do resonate with non-masons today! So the Public Awareness team feels that the time has come for every mason to stop the silence and to rise together and speak the truth and light about Freemasonry to the world, for the good of humanity.

In conclusion, I would like to thank my extremely hard working team for the countless hours and wonderful ideas they have contributed to the Public Awareness Committee this last year. It has been a real pleasure and a privilege for me to work with such dedicated, intelligent, and creative Masons: W. Bro. Graeme Boyce and R.W. Bros. Joe DeMello, Geoffrey Allan, Lindsay Reiach, Chad More and Wayne Dobson. I also wish to thank V.W. Bro. Dan Hutt and W. Bro. Milan Cobanov, and their team for their invaluable assistance to our team!

Respectfully submitted.

REPORT ON THE MASONIC FOUNDATION OF ONTARIO

This Report was presented by R.W. Bro. B. V. Koivu, President.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Report does not appear in the Preliminary Reports and Fraternal Reviews of Grand Lodge.

A Force for Good...For the Cause of Good

Recently I had the opportunity of presenting a Masonic Foundation Bursary in the amount of \$945 to a young woman name Denise, enrolled in the Developmental Services Worker Program at Cambrian College in Sudbury. The funds enabled Denise to pay off the balance of her tuition which was then owing.

When I met Denise she was completing a program placement at an elementary school, supporting students with different learning needs and providing assistance to classroom teachers. She is now, as she continues her studies, working on a part-time basis with March of Dimes Canada gaining experience in the adult sector, working with individuals with acquired brain injuries.

Denise is an international student from the Bahamas and will soon be joined by her husband and children and together they will be making Sudbury, Ontario their new home. She sent me a note following the Awards Presentation Ceremony expressing her sincere appreciation to the Masonic Foundation of Ontario for our generosity in which she writes your award is a seed planted that will grow and in turn, be sown into others...

The Statement of Purpose for the Masonic Foundation says in part that our donations are to be used for the advancement of purposes beneficial to the community thus making Ontario, and communities that comprise it, better places to live, to learn, to work and to play, both now and in the future.

For 55 years now our Foundation, through gifting and granting has been a platform for community progress. Together we have contributed to community capacity through donations which have not only preserved, protected and restored but also enhanced that capacity. Donations which have to the fullest extent possible not been merely transfers of funds but transformational and have focused on causes and solutions, not just being charity as a palliative instrument. In short, making an enduring difference, through donations which magnify, being that force for good.

The mandate, thus of the Masonic Foundation towards the fulfilment of our statement of purpose is to undertake philanthropy, fund development and resource stewardship on behalf of the Masons of Ontario.

This relates to giving, to engagement with those who give and to clearly articulate the purpose of the giving and the outcomes to be expected by those who have given in the past and those who will contemplate giving moving forward.

Giving to the Masonic Foundation of Ontario occurs and is sought in two ways. The first is to our endowment or capital fund and the second to more near-term, flow-through purposes such as District Projects.

Our Endowment is our principal philanthropic vehicle. And endowment in short, enables giving today to support and facilitate granting by our Foundation well into the future...a **financial gift** by a donor **today** which can quite literally be translated into granting by our Foundation **forever**. As I write, the value of endowment stands at nearing \$18 million and supports annual donations in excess of \$500,000.

Beyond the endowment, the Foundation facilitates and supports near-term giving in support of projects adopted by our Grand Masters, of District Projects identified and undertaken by District Deputy Grand Masters and special campaigns established by the Foundation itself such as the recently completed Prostate Hope Campaign conducted to celebrate and commemorate our 50th Anniversary.

Giving is possible in many ways. From the famous, though "low tech" yellow envelope (found in this Annual Report booklet) to on-line donations through our website.

It can be a small gift or a large one, it can occur now, over time or even planned for in the future. In any all cases charitable donations receipts are issued and all donations thankfully received and faithfully applied.

A President of the Masonic Foundation I am indebted to my fellow Board Members for their work in support of the mission and mandate of the MFO. Many serve as

Committee Chairs and you can find their reports on the pages which follow this one. Please review the, you will come to learn and understand more about the work and workings of our Foundation and how you might be able to support that work yourself.

As of our Annual Meeting some Directors will be stepping off the Board. A special word of thanks to David Cameron and Charles Woods for their dedicated service.

I express appreciation also to the vast network of ambassadors who contribute to the Foundation as District Liaisons and Lodge Chairs, to our donors past and present, to those who undertake directly the stewardship and management of our funds and to Melvyn Duke and Kathy Crombie who direct and manage the day-to-day administrative functions of the MFO.

Finally on a personal level, I am grateful for having had this opportunity to serve...remembering the admonition respecting leadership roles with Craft Masonry, that we serve with the consent and for the benefit of the brethren and being faithful to the trust inherent with that consent.

You may have heard of the story of Robert F. Smith a billionaire and philanthropist who in a commencement address at Moorehouse College a historically black college in Atlanta, Georgia announced that he would pay off the student debt of the nearly 400 members of the graduating class estimated to be \$40 million. In making the announcement Smith said to the graduating seniors we're gonna put a little fuel in your bus...

For over a half century, the Masonic Foundation of Ontario has been putting fuel in the bus of a great many causes...Endowed Bursar Programs, Youth and Substance Abuse Programs, Autism Services and Medical Research to name but a few board categories. A tremendous legacy, in this regard we have and will continue to be a powerful enabler connecting donors of the past, present and future with the critical work being rendered for the cause of good.

Respectfully submitted.

Grand Lodge of Durango, Mexico

Letter of Amity from the Grand Lodge of Durango, Mexico.

I contacted M.W. Bro. Richard Brown, member of the Commission on Information for Recognition for information. M.W. Bro. Brown responded that he found a reference in the

2004 Commission Report that states the Grand Lodges in the Confederation of Mexican States are regular and that Durango in on the list. No further information was received.

Recommendation: That no action be taken at this time.

As reported last year, there was a split in Paraguay that resulted in two Grand Lodges with similar names. (William Mercer Wilson Medal)**

This Report was presented by M.W. Bro. R. E. Groshaw, Chairman, seconded by the Deputy Grand Master, and received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again, your Committee is astonished by the high caliber of the received petitions for recognition as worthy recipients of the William Mercer Wilson medal. Indeed the exemplary histories of these Master Masons, who have generously donated to their community, their religion, their lodge(s), their home and family is a joy to reflect upon.

Unfortunately, some applications failed to reveal any recognition or token of appreciation tendered by the associated lodge members but appear to depend upon Grand Lodge to show this gratitude.

Working independent of other committee members, this committee conclude that the following Freemans, listed alphabetically be granted this William Mercer Wilson award.

The following dedicated and diligent Craft Masons. In alphabetical order:

1. Paul Kester Laver – Victoria Lodge No. 398
2. Roman Mark Lipovsek – Chinguacousy No. 738
3. Charles William Lough – Durham No. 306

Respectfully and fraternally submitted on behalf of the committee.

REPORT OF THE GRAND HISTORIAN

This Report was presented by V.W. Bro. S. Michael Jenkyns, Grand Historian, and on motion of the Deputy Grand Mater, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I would like to thank you, Most Worshipful Brother Todd, for honouring me with the office and title of Grand Historian. This report is submitted in accordance with the book of Constitution which requires the Grand Historian “to record matters that are connected with the history of Freemasonry in Ontario.”

On the weekend of April 6, 2019 an Especial Communication of Grand Lodge was held at North Bay, at which I had been invited to speak. I chose to speak on the geographic context within which we meet and practice Freemasonry within our Grand Jurisdiction. It gave the attendees an opportunity to think about this magnificent province of ours: Ontario

- is Canada’s most populous, richest and second-largest province;
- has the most varied landscape of any of our provinces and territories;
- is our oldest habitable area and our native/indigenous peoples have inhabited the area since about 9,000 BCE; and
- has grown tremendously since the eighteenth century when we were a small area which began at the joining of the Ottawa and St. Lawrence Rivers and paralleled the shores of the Great Lakes;

Today, though, the very size of our Grand Jurisdiction challenges us — 1.1 million square kilometres accommodating 14.2 million people.

At formation in November 1855, our Grand Lodge adopted the British system of management through Districts albeit with important differences, such as our system of electing officers for a one-year term. Districts were expected to reflect the following conditions: (1) district boundaries would ignore municipal, parliamentary and geographic boundaries; (2) lodges would be grouped so as to bring those in each District within easy distance to each other; (3) lodges would be assigned to districts with due regard to railway, stage and general travelling facilities; (4) districts would be equalized where possible; (5) new districts would be created as required, and (6) a reduced number of lodges would be allotted to each district so as to enable each DDGM to give increased attention to each lodge, thus producing better results. Over time we have adjusted our district boundaries for the benefit of all.

In the beginning, our Annual Communications were held in different cities¹. This was the result of increasing provincial size, movement of our citizens, and the improvements in technology (particularly the steam train). Perhaps it was serendipitous, but I believe that

¹ Belleville (3 times), Brantford (1), Brockville (2), Fort William and Port Arthur (2), Guelph (2), Hamilton (12), Kingston (5), London (8), Montreal (5), Niagara Falls (4), Ottawa (9), Owen Sound (1), St. Catharines (4), Windsor (4). Plus the five Especial Communications held at Kingston, Simcoe, Sudbury and Ottawa.

this movement of Grand Lodge was deliberate and permitted more Freemasons from across the province to participate in it. Change occurred in 1938 when Toronto's Royal York Hotel was chosen as the annual venue for Grand Lodge. Across Front Street from the one-time largest passenger railway terminus in Canada. How much closer can one get between arrival point and place of assembly?

Our April 6 weekend brought many of our members to North Bay (some for the first time) and allowed us a unique opportunity to visit. And to understand the challenges facing districts as well as Lodges. These challenges are all different across the Province.

This face-to-face contact and discussion of issues, policies, etc, has the advantage of developing a team spirit while giving us the opportunity to achieve consensus on solutions to very troubling matters and issues. In those beginning years moving the venue would have been welcomed at the time by our small, but growing, membership: 6,263 in 1866 (the first year membership numbers were published); 15,934 in 1875 and 25,922 in 1900; and 133,398 in 1956 as well as periods of decline (we were down to 36,718 in 2017).

Our size is still a challenge for us. To flag the differences in districts today I briefly mentioned three.

Our most northern-reaching District is called "Western" as it holds pride-of-place in being the most westerly as well. It is our **geographically largest district** and its District website notes that it covers around 60,000 square kilometres of boreal forest across the Canadian Shield. Lodges are widely dispersed and found in both large and very small villages, towns and cities. To visit all of Western District's present 10 Lodges and 525 members in one "round trip" from Lodge to Lodge would require a journey of 1,300 kilometres. The District itself is some 1,770 kilometres away from Edmonton (in the west) and the same distance away from Toronto (in the southeast). **Imagine the challenge** for these members to attend DDGM visits and other special events. Or to attend a stationary Grand Lodge.

Or, where we were on the weekend of April 6 in North Bay. Here, Nipissing Muskoka District has less than one thousand members meeting in 9 Lodges scattered in 8 locations. The District itself covers an area of approximately 15 - 20,000 square kilometres. The maximum distance between the furthest apart Lodges is calculated as 220 km each way. Travel time and travel conditions remain major considerations, especially in the winter months.

Now compare these with the largest present-day District in terms of members — Toronto West — with 22 Lodges and 1,966 members. I asked a colleague of mine to calculate the physical size of the District. His reply indicated it covered an estimated 740 square kilometres. Distance between lodges is less the issue — it depends on time of day and mode of travel.

Why are these considerations important?

first — *Freemasonry is deeply personal and works best when brethren talk face to face, sharing their own experiences with each other.* Only in this way can our Fraternity help good men improve themselves morally and socially, politically, and in other dimensions.

second — our Craft fills gaps in life learning in our education system. For example, the Craft teaches the art of memory through ritual, improving public speaking skills by participating in ritual as a recipient (a candidate) and as a giver (instructor and mentor). Again, *this intense personal activity can only work when brethren are face-to-face.*

third — congregating members for special events (such as cornerstone laying, masonic education conferences and many other purposes) is impacted by the *time and distance it takes members to travel to these events.* Attending Grand Lodge becomes more challenging and expensive.

For the great many who rely on technology, there are constraints. It removes the important personal relationships that are so necessary. It is the deeply personal face-to-

face discussion that allows us to find new directions and possible solutions to challenges. It is in that back and forth dialogue between people who stand (or sit) face-to-face and a solution flashes into view. **Eureka** we think! We remove the “win — lose” phenomenon between individuals and, instead, we achieve benefits for the group.

I mentioned earlier that until 1938, our Grand Lodge would hold its annual communications in different cities. The change to using the current venue in Toronto, across Front Street from Union Station, certainly had merit given the growth of the membership. We believed that this would permit more of our brethren to meet, congregate, discuss issues, and reach a much broader understanding of the cause and effect of matters affecting the Craft. But it has limits.

Can we return to a period of occasional mobile Grand Communications?

Most Worshipful Donald H. Mumby demonstrated in 2004 and 2005, that it is possible to move Grand Lodge’s meeting sites. Especial Communications were held on October 23, 2004 at Kingston; February 5, 2005 at Simcoe; April 30, 2005 at Thunder Bay. M.W.Bro. Raymond S. J. Daniels held them on November 14, 2009 in Sudbury and October 16, 2010 in Ottawa. And then we gathered in North Bay over the April 6, 2019 weekend.

A mobile Annual Communication would be beneficial . . . but also likely too complicated to be done every year, with the supplies and materials needing transport. But movement doesn’t place the burden of the cost of attendance on the same brethren each year, whose homes and mother lodges are far, far away from the heavily populated Oshawa-Toronto-Hamilton-Niagara axis. This is by no means a critical comment — it is a recognition of the effect of geography and the growth and movement of our society. I believe we could do both (stationary and in varying locations) and enhance the opportunity of a large number of members to see various parts of the province — some for the first time.

Grand Master, Deputy Grand Master, I thank you for your interest in these issues. Brethren I encourage you to continue your masonic travels around the world, across Canada and across your district. To meet new people and renew existing acquaintances. Solutions to the challenges facing us can always benefit from the observations of other brethren and even non-Masons.

So Mote It Be

Respectfully submitted.

MICHAEL JENKYNS, Grand Historian

404 Lodges

745 Members
(Loss – 1045)

Condensed from the Address by Right Worshipful Grand Master, Raymond T. Dietz.

“The concept of the “One Day Masonic Journey”, or the process by which a Candidate receives all three Degrees in one day, has often been singled out for criticism, as a shortcut, and not as effective as the traditional method of conferring Degrees.

The Grand Lodge of Pennsylvania held thirteen of these events across the State in October and welcomed nearly one thousand new Masons to the Fraternity.

Some may say, “That’s great, but they haven’t come back to Lodge.”

Some probably haven’t. It may seem logical to think that, but the facts are these. When we compared the membership from the 2004 and 2012 One Day Classes, the percentage of those who don’t become active is nearly the same as those who don’t become active after going the traditional route. The same is true of those who become Floor Officers, or those suspended for Non-Payment of Dues. The percentages are nearly identical. There may be a difference in how they entered the Fraternity, but there is almost no difference in how they get involved, stay involved, or decided to leave.

The difference lies in what we do afterwards. If we want our new members to feel that they matter, it is up to us to invite them back and to make them feel welcome. It is wrong to deride them for taking “the easy way” or a “shortcut.” Remember that the way you and I took our Degrees would be looked on as a shortcut by Masons of old.

The concept of receiving one Degree each month is relatively new in our long history, and it is safe to say that 17th and 18th century Masons would have looked upon our “Masonic Month” requirements as a shortcut. We are all Masons, regardless of how we entered. It is up to those who have received Masonic knowledge to pass it on to those who follow. To assist in this process of Masonic Education, and to make it accessible to our younger members, I have authorized the creation of Power Points Presentations of the Mentor Programs for each Degree.

They are available on our Website for use in your Lodge. Take the time to invite our New Brethren to Lodge, greet them as your Brothers, teach them, and most importantly, tell them that they have a value to your Lodge. Men who feel needed and feel that they belong will get involved.”

To recognize effort and commitment, Grand Lodge created the Master Builders Award for newly made Master Masons who complete a specific set of requirements. The first two parts, the Mentor Program and Masonic History, are Internet based learning programs on the Grand Lodge Website which they must satisfactorily complete. The third and final part is comprised of 10 mandatory parts and three of six voluntary criteria that must be completed within one year of being raised to a Master Mason.

The Master Pillar Award, created by the current Grand Master, stipulates that in addition to the above, the new Mason completes a Masonic Fellowship and Masonic Leadership program by serving the Lodge as Junior Warden, Senior Warden and Worshipful Master, and be proficient and certified in the business of the Lodge as well as having conferred all three Blue Lodge Degrees. Educated, knowledgeable leaders are vital to our future.

These programs are part of amendments to the “Ahiman Rezon” - or Book of Constitution of the Grand Lodge of Pennsylvania - begun in 2011, to develop, streamline, and modernize the way they did business.

Under the aegis of “21st Century Renaissance” many reforms and changes were introduced in the face of controversy and resistance, permitting practices that were formerly forbidden.

Examples of the amendments include:

1. Selective invitation of new candidates is now allowed.
2. District Ritual Teams may confer Degrees on multiple candidates.
3. The introduction of One Day Classes in 13 Districts annually, to confer all three Degrees on multiple candidates on the same day.
4. Formerly all Ritual was performed mouth-to-ear in all Degrees, with most of the Work being performed by the Worshipful Master. The membership now take advantage of the printed Ritual. The Director of Ritualistic Work reports that this is a positive change in that members who learned from the Manual were exemplifying almost flawless Degrees in all the Regional meetings he had arranged this year.
5. A greater expansion of charitable and community service was recommended.

The charitable activities of the Grand Lodge are focused heavily upon Youth Programs. The Almoner’s Fund, which supports these activities, has been topped up by individual Lodge members, who, at the request of the Grand Master have all been asked to contribute an additional \$5 per- capita to allow them to meet their new financial responsibilities.

The Masonic Children’s Home in Elizabeth, Pennsylvania, in operation for 100 years, has served children who are orphaned, displaced, or who come from troubled homes, and given them a place to grow, survive and thrive. The positive impact that the Children’s Home has made has touched tens of thousands of lives – all made better by Masonic Love and Charity - enabling children who have passed through the Home in that time to become better armed to face life after they graduated, and to live better and fuller lives.

The Pennsylvania Youth Foundation provides activities for nearly 1100 teenagers, including Job’s Daughters, Rainbow Girls Assemblies and De Molay Chapters. Now in its 17th year, its Life Skills program is a marriage of Masonic principles and modern education maxims.

There are 6 governing principles in their Mission Statement:

TEACH Masonic principles to youth.

DEVELOP good moral character, virtue and reverence in young people.

PROVIDE safe wholesome and exciting activities for teenagers.

CREATE opportunities for the growth and practice of leadership and public speaking skills.

FOSTER academic achievement among those with financial need.

LEAD the Masonic Fraternity in the creation and support of youth programs and services.

The Grand Lodge “Raising a Reader” program is now operating in 30 classrooms – providing books to nearly 700 children – around Pennsylvania. As school districts

continue to apply and qualify, they will be added to the program. The goal is to have at least one school in each of the seven Masonic Districts. Studies show that children who participate with their families in reading perform better in school, develop more quickly and are more likely to become lifetime readers. Pennsylvania Masons are playing an active part in bringing this much needed program to children in our own communities – our neighbours and friends – who could not otherwise afford it. There are parents and children alike who now have an opportunity to bond with each other in a way that is also educational.

The “Help Our Heroes” program, started in 2008, is closing in on \$1,000,000 raised to date. Through the ongoing generosity of our members, we have been able to help thousands of our Veterans. Lodges host baby showers for our military men and women, address other needs such as helping them to access VA Benefits, and give assistance to those who struggle. When the \$1,000,000 milestone is reached, there will be a special presentation to mark the event.

Reflecting on his first year in Office, the Grand Master said:

“I have had many tell me how much they like my programs and with the direction our Fraternity is going, and a few who have told me they don’t care for them, and that’s okay. I don’t expect every Mason to love every program, but every Brother who has assumed this station before me has done what he felt best for this Fraternity. I ask you all to do your very best to understand and support them as Masons.

We are in the process of change resulting from long and hard thought about ways to meet the challenges all Jurisdictions are confronting. Some, like the use of a printed Ritual, or shortening the ceremony of opening and closing the Lodge have been controversial.

However, we also realize the importance of continuing the customs and traditions that have made our Craft unique. The founding principles of Freemasonry are enduring.

No one who has ever put this collar around his neck has had all the answers. Each of us who has had the privilege of leading this Fraternity has made the decisions that he thought best. I have said it before, and it bears repeating: I am always willing to lend an ear to any Brother who has an idea that he supposes will benefit the Craft. I may not always choose to enact it, but I pledge to you that I will always listen. My goal was, is, and will ever remain, that the labour we all do while I am Grand Master will leave the Fraternity better than when I found it.

In many ways, I just pilot the ship. All of you are the ones who fill the sails with wind and allow us to reach those lofty destinations. I recognize that you have all been tasked with a lot. Powering this Fraternity takes effort and sacrifice by each and every one of you.

A review of our membership statistics will show a slight decline. I will point out that this rate of decline is probably the lowest of any Jurisdiction. We need more good men to join. If your candidate prefers to join in the traditional way, let them. If, however, you know men with busy schedules who could benefit from the accelerated Initiation, this is for them.

Members are our lifeblood. They are the hands that do Masonic labour.

They are the ones required to help to carry out the several designs I and many other Grand Masters have placed on the Grand Lodge trestle board.

They are what will sustain our future.”

IRELAND

Annual Report, Freemason's Hall, Dublin, December 2017.

Condensed from the Address of M.W. Bro. Douglas T. Grey, Grand Master.

“Within a very short time scale, and with the tolerance of immense disruption over the summer, Freemason's Hall has been totally renovated and upgraded in every aspect, including state of the art audio and visual systems. The cost was covered from the fabric fund set up by predecessors for just such a purpose over the last number of years, and therefore will not have any financial impact on our Brethren. The new Grand Secretary then put into place an administration to meet the demanding needs of a charitable organization such as the Grand Lodge of Ireland, which is required to comply with the latest regulatory regulations laid out by the Charity Commissioners of the North and South. That task is almost complete. A priority will be the improvement of communications. A committee composed of Provincial Grand Secretaries and relevant Officers has been formed to examine Education and Communication to see how Grand Lodge might move forward in that area, and will provide a final report in January. The Cabinet will examine how the condition of Irish Freemasonry might look in the immediate future. The Order is generally in good shape, but it is considered beneficial to have a critical look at the Craft every now and again, share ideas and experiences, and to adjust if thought necessary. Our database is already in the process of updating and we anticipate it will be in place and operating by September. By linking the system with all our Lodge Secretaries, we anticipate we will save 20,000 Euros alone in postage costs. If this work appears to be cosmetic, I would remind the Brethren that the present system is in a condition that would soon require expensive emergency repairs. This is not change for the sake of change. I prefer to call it “adjusting to modern needs and systems.”

Grand Lodge and the Provincial Grand Masters will hold a “Grand Master's Festival” in 2020. It will be titled “Vision 2020” and will be a further opportunity to demonstrate to the public generally, that Freemasonry in Ireland is not just a self-help organization but is an integral

“Part of Society.” Several charities are already in mind for support, including one International Charity to comply with the wishes, strongly expressed, by Overseas Provincial Grand Masters, for them to be involved.

The Registered Charities encompass and meet the needs of a broad social constituency. The Victoria Jubilee Masonic Benevolent Fund supports 410 annuitants who are being supported and have received 634,886 Euros in total, made up of two payments and a Christmas bonus. In the interest of good governance all annuitants over 80 years must be subject to a review. It is my hope that our assistance has gone some way to alleviate any hardship and financial burden that they have experienced. In the light of the current social and economic climate in Ireland and the world at large, there has been a small increase in the number of Brethren seeking assistance. Now, more than ever, the Victoria Jubilee Fund needs support and assistance from the greater body of the Order. May I remind all Almoners, Stewards of Charities, and Lodges to be mindful of all Brethren in need of assistance and support. The Masonic Girls Benefit Fund and the Masonic Boys Benefit Fund had a very successful year, with a total of 417 children benefiting from both Funds. This is a slight reduction from last year; however, we expect this to rise soon as we now assist with the Master's Degree. The total sum paid out last year was 1,199,140 Euros, an average of 2,875E per student. The main savings occurred due to some of the recipients finishing their education, so this can be considered a natural trend. Both Funds are extremely strong, and we in the Order can thank our forefathers, who had the forethought to put into place such a magnificent scheme. It is important to note that although membership of our Order continues to decline, the need for charitable support remains and in places continues to grow.

As I mentioned, a review of our Grants system was undertaken last year and now has been fully implemented. The needs of our applicants are dynamic, and we are always looking for new ways to support them while keeping the funds on a sustainable footing. It is considered by our Committee that this review should be held every two years, or every year if necessary. This will ensure that both parts of our Island are being equally considered. As an example, when we forecast the potential implications of Brexit, we can foresee that there may be a need for the funds to fully co-operate together, to ensure best practice is applied to supporting any potential increase in demand.

We still have great concern about the age groups seeking assistance from our Funds; a few years ago, it was the 45 to 55 years, while today it is the 30 to 45 years. This tells us a lot about the pressure points within our society and should not be disregarded. The pressures within our homes, our jobs and generally within our modern lifestyle, have changed greatly in these last few years. So, I would appeal to all Lodge Officers here today, to treat a Demit or Resignation with a second thought. Please consider late Dues or a Brother's non-attendance as a potential indication of the requirement for help. Before signing the Demit, visit, support and understand the needs of that Brother and his family prior to the signing of that dreaded certificate.

In 1989, The Freemasons of Ireland Medical Fund was established, for "the promotion and carrying out of assistance of medical research in respect of any human disease or disability that the Trustees may from time to time decide and select." An impressive capital base has funded many vital research projects over the years, and in October of 2017 the Trustees announced the support of a submission from the Multiple Sclerosis Research Cluster at Queen's University Belfast, for a three-year PHD project titled "Identifying Molecular Targets for Brain Repair in Multiple Sclerosis". Ireland has the second or possibly the highest incidence of MS in the world. The Trustees are delighted to be associated with this work, carried out by a team of experts internationally recognized for its excellence.

An overview of The Condition of the Craft is contained in the Annual Reports of the thirteen Provincial Grand Lodges. Lodges of Instruction are held in the Northern, Southern and Metropolitan Area, and continue to work diligently to improve the Ritual and uniformity of the Subordinate Lodges. Lodges in all areas are invited to exemplify their work before the Grand Lodge of Instruction. Question and Answer sessions take an in-depth look at the workings and responsibilities of each individual chair. Slight variations are made for variety and tradition in certain Lodges, but it is most important that actions are similar and consistent within a Lodge meeting, so that the dignity of the office and meeting may be preserved. The Classes in the Metropolitan Area provide instruction and guidance primarily on Opening and Closing Ritual but can cover any other topic that participants may wish to raise. There are 37 Lodges in the Dublin Metropolitan Area, governed by a Metropolitan Board. The Board continues to use its Strategic Development Plan called "Building for the Future" that will run through to 2020 and guide and focus its efforts. The Plan covers many topics that fall under four main headings:

Governance

Benevolence

Membership

Facilities and Social.

Freemasonry in the Metropolitan Area is thriving, and they are enjoying growing membership. This goes against the trend, and other Provinces reported very positive progress in Initiating Candidates, with one District, South Connaught, and welcoming new members in every Lodge. The membership of the thirteen Lodges in Munster Province is

at its highest level since 1985. Success walks hand-in-hand with careful planning, execution and review of results. Initiatives being undertaken are:

A Lodge Health Check.

A Mentoring System for new Master Masons.

A standardized “New Applicant” procedure, to encompass guidance for both applicants and Lodges. It is clear from their Annual Report that the Grand Lodge of Ireland is focused extensively on charitable initiatives encompassing education, culture, medical research, benevolence to Masons and Non-Masons alike, Masonic Homes for seniors, widows and widowers, and a strong sense of social responsibility to their citizens. Masonic culture, history, Ritual and high standards are not compromised. They have not neglected the single most common issue facing all Jurisdictions – Membership.

A brief history may offer some perspective.

The Grand Lodge of Ireland is 293 years old, officially. It is the oldest Masonic Jurisdiction in the world, and the second most senior. They possess one of the oldest Masonic artifacts on earth, the Baal’s Bridge Square, discovered in 1830 in Limerick, during the bridge’s re-construction. It is inscribed with the date 1507.

It has weathered all forms of civil, religious and social prejudice during that time. It now finds itself facing the prospect of having one Grand Lodge covering two nations, Northern Ireland in Brexit, and the South in the European Union. It consists of 13 Provincial Grand Lodges in Ireland, and 11 Provinces worldwide, such as Australia and New Zealand, Asia, Africa and India.

In Ireland there are 27,000 Masons. In the Grand Lodge’s smallest Province, Zimbabwe, only two Lodges remain, under great social and economic pressure, awaiting the return of political normalcy. Their total membership is 40.

Their view of Membership is best described by the former Grand Secretary, now Honorary Past Grand Master, M.W. Bro. Michael Walker.

Addressing the issue of recruitment, he stated the following, perhaps referencing the Latin Motto of the Grand Lodge of Ireland:

“In marketing terms, we must view Freemasonry as a product. That is what we are selling for uptake by members and potential members. To increase the sales, we must improve the product or make the packaging more attractive. Freemasonry is a fairly stable product in itself.

Little can be done to alter the product without changing it entirely in both essence and appearance. Its principles and precepts have stood the test of time and are as valid today as ever, even if its acceptance rises and falls on the scale of time. We cannot change the product and stay in the same business. What we can do is upgrade the packaging and make it look more attractive. We can adopt a higher profile and gently, but firmly, “let our line shine” before men. Freemasonry is not for everyone, but at all times there are those to whom it will appeal. The candle in the window is an invitation understood by all and some will accept and knock on the door. Our principles must stand firm, upright and visible, lest the Arts and Sciences – in our case the whole body of Freemasonry – should slip from the knowledge of man.”

Latin Motto of the Grand Lodge of Ireland – “Fiat lux, et facta est lux.”

Translation – “Let there be light.” (Genesis 1.3)

SCOTLAND

Annual Report, Freemason's Hall, Edinburgh, June 28th, 2018.

The Membership Committee expressed serious concern that membership of the Order continues to decline. There was a general discussion as to why this might be the case and various reasons were advanced. The Committee agreed that the Grand Lodge of Scotland should be taking the lead on this issue, and that accordingly, a formal strategy should be developed and implemented as soon as possible.

It was acknowledged that the issues were both numerous and complex. Accordingly, it was decided to convene a further meeting of the Committee to be devoted exclusively to an initiative called "Anticipating the Future." By way of preparation for that meeting, members of the Committee will make use of the well-known "SWOT Analysis" technique. This should provide a good starting point.

A Best Practice Guide for Masonic Education, including Web-Site guidelines, has finally been completed by the Working Party on Masonic Education. It was suggested that a copy of the Guide be sent to every Lodge. Consideration was also given as to whether the Lodges should present a copy to every candidate after his Initiation, with the cost of the booklet to be covered with perhaps an additional modest sum added for a donation to charity.

Individual Provinces have developed and implemented Mentorship and Masonic Education programmes on their own initiative. Grand Lodge may encourage other Provinces to adopt them as "Best Practice", but the decision to do so is up to the individual Provinces. Grand Lodge cannot introduce and impose a "top-down" strategy.

The reasons for this are historical.

The Grand Lodge of Ancient Free and Accepted Masons of Scotland is the governing body of Freemasonry in Scotland. It has 32 Provincial Grand Lodges in Scotland alone, and 26 District Grand Lodges overseas, each headed by a Provincial Grand Master, or District Grand Master. Private Lodges belong to a Province or District, through which they report to the Grand Lodge in Edinburgh.

The Grand Lodge of Scotland, together with the United Grand Lodge of England and the Grand Lodge of Ireland, is one of the three senior Regular Masonic Jurisdictions, commonly known as the Home Grand Lodges.

The three operate closely together through a formal memorandum of co-operation and common rules for recognition of Masonic bodies internationally. Inter-visitation rights with the Home Grand Lodges are generally considered the chief mark of Masonic regularity.

Scottish Freemasonry has developed a distinct and unique character, even by comparison with other British Grand Lodges. The Grand Master of the Constitution bears the unique title Grand Master Mason, and the office has been held by many distinguished members of Scottish society. Unlike other Regular Masonic Jurisdictions, all members, of whatever rank, are addressed simply as "Brother." The usual and more complex Masonic titles are used in Scotland, but attach to the office, not the individual.

Lodges under the Scottish Constitution are sovereign bodies in their own right, with a considerable degree of control over their own affairs. Many Lodges pre-existed Grand Lodge, all jealously guarding their traditions, and were permitted to retain their own procedures, regalia and distinctive rituals. When the Grand Lodge was founded in 1736, the majority of Masonic Lodges then in existence in Scotland did not engage with the new body. By their absence from the initial discussions to which these Lodges had been invited, 79% did not support the creation of a new, centralized Masonic system as already existed in England, Wales and Ireland.

As a result, the new Grand Lodge had to trade off any attempt at standardization of ritual for the prospect of the independent Lodges to join the centralized system. In short, Grand Lodge agreed not to interfere with local custom and practice as long as the Lodges were willing to join the new Scottish Masonic Constitution.

Having accepted the principle of independence of old Lodges, it was impossible to deny Lodges founded after 1736 the same level of independence. Of course, the rituals must contain the principal points of each Degree, but the scope for elaboration is considerable, with numerous interesting additions. Since Scottish Lodges have the right to choose the colour of the Lodge regalia, meetings are very colourful – especially if visitors from other Lodges are present.

The Grand Lodge of Scotland Annuity Benevolent and Charity Funds continues to manage the benevolent efforts of Grand Lodge in a most effective manner. Scottish Freemasonry contributes too many worthwhile causes worldwide, and its charitable work takes the form of:

1. Providing Benevolent grants for eligible Freemasons, their widows, and dependents based on individual needs and requirements.
2. Providing training and education grants to the children and dependents of Freemasons, based on individual needs and requirements.
3. Providing grants and donations to the work of external charitable causes, with each application being considered on its own merits.

In 2012, Prostate Scotland was selected as the nominated external Charity for the Grand Lodge of Scotland for an initial period of five years. A total of 427,000 Pounds has been awarded to date, with many fund-raising activities having been organized by Daughter Lodges and Provincial Lodges. Due to the success of the working relationship between Grand Lodge and Prostate Scotland, it was agreed that its status as nominated Charity be extended until 2020.

The Trustees report last year made mention that the Trust was planning to work in partnership with the Tzu Chi Buddhist Foundation to fund the building of a sustainable healthcare facility in Ormoc, Philippines, using monies which had been raised by Scottish Freemasonry in response to the devastation which had been caused by Typhoon Halyan. After much preparation and liaison behind the scenes by Brethren from the Grand Lodge of the Far East and the Grand Lodge of the Philippines, the Memorandum of Agreement was signed by all parties on May 24th, 2017, and the ground-breaking ceremony took place the same day.

The appeal of working with the Tzu Chi Buddhist Foundation is its excellent reputation as a much respected and renowned provider of disaster relief, coupled with the fact that the Foundation would not only supply the expertise to build the facility, but also would be responsible for its future operation, and with all that this would entail. The Foundation's ethos is to train as many local people as possible and use them to assist in the construction process, and therefore in the future operation of the clinic.

The Grand Secretary gave an updated report on the production of the promotional film on Scottish Freemasonry and advised that it is now available to view on the Grand Lodge Website. The documentary had been aired on BBC on March 19th and in the main the feedback had been positive. There was a slight mixed response among Masons. It is important to remember that the film was made for the public. It had been decided not to include information on the charitable activities as this may have led to comparisons with larger Jurisdictions. The documentary had been watched by 390,000 viewers, and it is

likely it will also be aired in Australia. The Committee noted that there is the potential for a follow-up documentary to be filmed in the future.

An important side-effect of the charitable activities and publicity created by the documentary is a positive perception of Freemasonry by the general public. Freemason's Hall itself has assisted in this challenge. It has undergone major renovations and improvements, and enjoys the protected status imposed by Historic Scotland. There is a duty to keep the building in a first-class condition. This year the building was again rented out during the Edinburgh Festival by a new company with a slightly different programme. Judging by the queues along George Street, it was a great success.

The additional rental this provides is most welcome, but more importantly the building is open to the public, which helps to reduce the mystery and suspicion which still surrounds our work.

SCOTLAND

Annual Communication, Freemason's Hall, Edinburgh, Scotland, November 2018.

William Ramsey McGhee, M.W. Grand Master Mason.

Condensed from the Annual Report of the Benevolence and Care Committee.

The breadth and scope of the activities of the Benevolence and Care Committee was illustrated in the opening chapter of their Report; noting that a medical clinic in the Philippines, built in partnership with the Tzu Chi Buddhist Charity Foundation, was now fully operational and providing a variety of healthcare services for the local community, and that the repairs to a secondary school in Fiji, damaged as a result of a cyclone, were completed through the efforts of Lodge Polynesia 562 and a grant from Grand Lodge for 5700 Pounds to cover material costs.

The world-wide influence of the Grand Lodge of Scotland was also reflected in the number of visitors to the Annual Communication; from the United States, Greece, India, Africa, Australia, Jamaica, The Bahamas, Columbia, Lebanon and Gibraltar.

Grand Lodge provides financial support for families and individuals who have a connection to the Scottish Freemasonry and who meet eligibility criteria. Support is also provided to external charities, with each application being considered individually.

Scottish Masonic Homes Limited is a wholly owned subsidiary of Grand Lodge and is a charity registered in Scotland. It operates two Masonic Care Homes; Sir James McKay House in Edinburgh, with 22 residents, and Marcus Humphrey House in Bridge of Weir, providing resident care and support for 18 older people with various needs. The ultimate aim of the Organization is that the experience of residents should be enjoyable, positive, meaningful, and should enhance their quality of life in a comfortable and secure environment.

The Masonic Homes are operated on a not-for-profit basis. Operational deficits are funded by the Grand Lodge of Scotland. Fees are based on individual circumstances and the type of accommodation which is selected. Services are reviewed on an ongoing basis to maintain current high standards. There are robust recruitment procedures in place and all staff are vetted in accordance with strictly outlined guidance.

The Homes work with the Care Inspectorate, which is the Regulatory Body for care services in Scotland, and actively engage with all of the appropriate healthcare services to ensure that the residents receive all of the elements of care and support which they require to fully meet their individual needs.

Staff are registered with the SSSC (Scottish Social Services Council) which is the Regulatory Body for those working in social care in Scotland. They are expected to adhere

to the SSSC Codes of Practice which set out how they should behave both within and outside the workplace.

Additionally, the Homes and Charities Manager carries out a regular internal audit of each of the care services to maintain and improve standards, and to develop new processes in solving particular problems, such as the pressing need for additional resources and increased staffing within the sector.

At a recent Workshop, organized by Scottish Care and attended by members of Scottish Masonic Homes, serious discussion took place regarding the use of Artificial Intelligence (AI) in a care home setting and also its use in delivering care-at-home services to vulnerable people. It is thought that, due to the acute shortage of staff in this area, AI will be widely introduced in care homes and care-at-home services, and that they will be one of the first to embrace the technology of robots providing labour/manpower services.

Although it may seem shocking to think that care provided by robots may become a reality, robots are widely used in Japan already, with some services being staffed to a level of 80% by AI. In the United Kingdom, a care provider in England is planning to trial robots in its properties in a project being jointly managed by the University of Bedfordshire. Even the previously considered one-to-one care provision which is person centred to the individual may not be sacrosanct, as robots will be able to adapt, learn and tailor their conversations according to each individual just as two humans would do in a normal conversation. They can even be programmed to undertake spontaneous reactions such as laughing at jokes.

The software is ground breaking and the use of robots could enhance care provision and allow additional “one-on-one” time with residents, which would not be possible or affordable under their normal Staff-to-Resident Ratio.

In terms of care at home, it is anticipated that the use of AI could prevent loneliness and isolation, improve mental health and reduce family/care giver stress pressure on Local Authority Services. This technology will provide the required resources and personnel presently in short supply. The expectation is that AI is likely to be commonplace in the care sector within the next five years and that, potentially, providers should be prepared for the “AI

Explosion.”

The Committee has approved, a cost of 1,650 Pounds, the production of a short promotional video for the website to highlight and showcase the Masonic Homes and services which are provided therein. All agreed that a video would be a more visual, interactive, and positive way of promoting the Homes than still photographs.

The Report also highlights many other Charities sponsored and promoted by Grand Lodge, including” Prostate Scotland”, which became Grand Lodge’s nominated Charity in 2012. The Committee was delighted to note that to date this organization has received 450,000 Pounds donated by Scottish Freemasonry.

Information on the new “Prostate Scotland”, campaign, called “Pull Your Finger Out”, has received the endorsement of the Committee and has been publicized to Daughter Lodges and Provinces, and information has been shared at the meeting of Provincial Grand Masters.

In addition, a newly updated and reprinted publication “Prostate Disease and Prostate Cancer – a Brief Guide to a Major Issue”, which has been funded by Grand Lodge and bears the Grand Lodge logo together with a written acknowledgement, is now available from Reception in Freemason’s Hall.

The Committee requested that 2000 shirts and polo shirts be produced, bearing the Grand Lodge logo “Caring and Sharing”, priced at 15 Pounds and 20 Pounds respectively. Profits will be shared at an agreed ratio between the General Fund and the Benevolent Fund.

Applications from external Charities were considered and it was agreed to recommend that a sum of 3000 Pounds be made to “Asthma Relief in Scotland”, towards

the ongoing work of the Charity, specifically the provision of Nebulisers for patient use in Hospitals and in the homes of sufferers of the illness Scotland wide.

It was re-confirmed that it would be beneficial to adopt a more pro-active stance in terms of awards being made to external Charities, and the Working Party which has been appointed in this regard, advised that it has gathered information on several Charities which would be presented to the Committee in due course.

It was suggested that the sponsoring of one or more Paramedic Motorcycles, which are organized under the auspices of the Scottish Ambulance Service, may be worthy of consideration. It was agreed to bear this in mind when considering a replacement nominated Charity for "Prostate Scotland".

There are approximately 30,000 Freemasons in Scotland. In common with many other Jurisdictions, declining membership is an issue. In 2018 Grand Lodge convened a Committee devoted exclusively to an initiative called "Anticipating the Future" to address this problem and seek solutions. A "Best Practice for Masonic Education Guide" was completed, posted on the Grand Lodge Website, and it was suggested that copies be sent to every Lodge.

A Mentorship Program was developed by one of the Provinces, and Grand Lodge suggested that it be adopted as "Best Practice" by all other Provincial Grand Masters. But Scottish Lodges have a unique degree of independence and autonomy dating back to the formation of the Grand Lodge in 1736. Many of the Lodges are older than the Grand Lodge, and standardization in any area was traded off to encourage them to join the centralized system. They still have their own independence and retain their individual customs and traditions.

Public perception of the Craft is of great importance. The Charitable works of Grand Lodge and individual Lodges in their communities, in addition to their own merit, create a positive image of Freemasonry and help to diminish suspicions long held by certain circles of the public.

In 2018, Grand Lodge commissioned the production of a promotional video for public consumption. Running 35 minutes, it was broadcast by the BBC in March of that year, to generally positive reviews. It is also available on the Grand Lodge of Scotland Website. It is called "An Introduction to Scottish Freemasonry." An alternate title would probably be "A Journey through Time."

Following an introduction by Grand Master of Masons M.W. Charles I.R. Wolrige of Esslemont, the viewer is led on a historical journey in which the origins and history of Scottish Freemasonry are revealed. Beginning in 1598, we learn about William Shaw, who was Master of Works to King James VI and the General Warden of Scottish Stonemasons and considered the father of Scottish Freemasonry.

The contributions of great men who have left their mark on history; Robert Burns, Sir Walter Scott, George Washington and others, are mentioned. We are conducted throughout Scotland and see the remains of the great cathedrals and Courts from the Middle Ages; visit Rosslyn Chapel; the city of Edinburgh, and then to Washington D.C. to learn about the artistry of the Scottish Stone Masons brought over to that city by the first American President.

The film is beautifully photographed and scored. It is low-key and is narrated with much humour. It makes no mention of Ritual or Degrees. What one is left with is the impression of an enduring Fraternity which, from humble beginnings to modern times, has appealed to all levels of society, has stood the test of time, and will continue to do so. It understands its past and its place in modern society and the future. It will continue to flourish.

This is where its effectiveness as a recruiting vehicle lies. Many viewers will see this documentary and say to themselves, "Who would not wish to be a part of such an Organization?"

The closing line of the film encapsulates the theme of the Annual Report, one of the great strengths of Freemasonry.

“No matter what problems one may face in life, being a Freemason means you do not have to face them alone.”

“TYLING THE BACK DOOR OF YOUR LODGE THROUGH MENTORING.”

This slogan was adopted by the Mentor Committee to keep the focus on their long-term objective. It was unanimously felt that a strong Mentorship program could lead from quality Candidate to long-term Brother, active within the Lodge. The previous Mentoring Committee had done an excellent job in providing the basis of the materials needed for a strong Mentoring program. The wheel was not broken, nor did spokes need to be replaced. The wagon, on the other hand needed to be streamlined, accessible and easier to steer.

The Committee based this years' work on creating a product for Mentoring, adopting the concept of a high quality “keepsake” binder containing the information for the Candidate and beyond, earning each section of the binder as they proceed through the Degrees. The material had to be in one place, one download for ease of printing. Thus, was born the “One Click” concept to Mentoring. Initially, the product will be provided via a flash drive to be distributed at Grand Lodge. Examples of the binder, from leather-bound to lower cost alternatives will be available this year at Grand Lodge for review. The ‘One Click’ pdf will soon be available on the Grand Lodge website under Mentoring.

Presentations will be made at various Lodges throughout the State regarding its concept, usage and application. It is felt the enthusiasm and deep need for the program will propel Lodges to adapt and use the program by establishing their own leadership teams without a mandate or reporting system. There are many options for the ownership within a Lodge for its individual Mentoring team with the use of the Binders “One Click.”

This development has occurred in the second year of a 3-year commitment to the project, and the Committee hopes to develop further application formats for Mentoring from the input and ideas contributed by the Brethren.

The Education element is what separates Freemasonry from other Fraternal and service organizations. Following are various ways that the Grand Lodge Education Committee has been spreading Masonic light in Minnesota:

THE MINNESOTA MASON NEWSLETTER.

The Grand Lodge Education Officer Column.

Masonic Conundrum Column; generating research into Masonic facts, with randomly selected answers being rewarded by books from Grand Lodge. Grand Lodge of Minnesota Code and Jurisprudence Column. Providing information on the laws of the Fraternity; thus providing information and subject matter for Lodge Education discussion.

ELECTRONIC RESOURCES.

Monthly Grand Lodge Education Officer Column (LEO) in the Minnesota E-Mason newsletter that is disseminated by e mail.

Minnesota LEO Facebook group.

EDUCATIONAL AND FRATERNAL PROGRAMS.

The Masonic Light Award Program, in which 148 Brethren are currently enrolled. 28 Brethren have earned this award since its inception in 1994. It is an outstanding outline or syllabus for Brethren both new and old to follow a path that leads to more light in Masonry. It enriches the Lodge Education Program in every Lodge where a Brother is enrolled.

THE E-MASON NEWSLETTER.

The E-Mason Template was developed and is produced by the Public Relations Committee. To coincide with the celebration of 300 years of Masonry in 2017, the Committee updated the Template to reflect the feeling of the new Grand Lodge Website. The new Template is a dynamic tool for the use by the Brethren. The Menu Bar includes direct links to a number of pages on the new Grand Lodge Website; including the Minnesota Masonic Code, the Member Resources, the Mentor Program, Public Relations Resources, the Grand Master's Calendar; Secretaries Resource Pages, Grand Lodge Calendar, and Contacting Grand Lodge.

In addition, the Menu Bar includes a hyperlink to the Grand Lodge Secretary's e mail address and the Grand Lodge 'phone number to facilitate enquiries, questions, reservations, and other communications with the Grand Lodge. These links also enable those with a Smart Phone to automatically call the Grand Lodge simply by pressing on the 'phone number.

Area Deputies and District Representatives have been very successful in getting the message out about the E-Mason. Subscriptions grew by 20% between May 2017 and March 2018, and currently stand at approximately 4800, showing strength and participation in all areas of the State.

A total of 33 Schools of Instruction were held during the year. The members of the Board of Custodians stand ready to assist Lodges in learning to properly perform Degrees. They are charged with ensuring that every newly Initiated, Passed and Raised Petitioner has a lasting impression of his journey into Freemasonry as well as being assured that the Degrees were all presented in a consistent manner using prescribed Minnesota Ritual. The Lodges are urged to continue to work with the District Representatives in scheduling schools so that the goal of Ritual improvement and consistency throughout Minnesota may be achieved.

Those Lodges needing assistance in filling stations, places or lectures to confer a Degree are encouraged to work through their Representatives to find someone in the District to help. Grand Lodge provides a list of Certified Monitors and Lecturers, who, with adequate notice, are always willing to assist.

Other functions of the Board of Custodians this year was to assist holding the Monitor exams for those Brethren who have taken on the goal of memorizing an entire Degree (or more than one) to perfection. The Custodians were also responsible for coordinating the One-Day-To-Masonry Event at the Minnesota Masonic Heritage Building. Many people devoted multiple days to prepare the "cast", to perform the Ritual Work, and execute the conferral of Degrees in this magnificent space.

The goal and purpose of all of these and other Grand Lodge's programs is to provide all our Brethren with the opportunities to create an enhanced Masonic experience. It is hoped that as a result of all these initiatives, Freemasonry in Minnesota will attract higher quality candidates, have stronger, healthier Lodges and be better positioned to adapt and thrive in the future.

The impact of technology and its effect upon our daily lives, the benefits and the trade-offs we must accept, was the subject of comments by both the Grand Orator and the Grand Master.

THE GRAND ORATOR.

“It is no secret that we are increasingly connected to the world around us. Smart Phones, tablets, WIFI and the Internet have enabled us to be connected to the entire world 24 hours a day, 7 days a week, every single day of the year. This offers endless possibilities, and has of course, widened many people’s horizons immensely by showing them what the world is like thousands of miles away.

However, there are also times in our lives when we seem to forget just how necessary it is to step back from our digital devices and other gadgetry and actually perform the ancient art of speaking with people around us and observe the world in which we physically exist, and not just the pixels forming images of reality on a screen. Having smart technology constantly at our fingertips has its advantages, but it comes with a slew of disadvantages, particularly when it comes to our health and well-being.

There is a growing amount of research showing that using phones during our leisure time interferes with our ability to psychologically disconnect and recover from the stress and the demands we face on a daily basis. When we unplug, we give ourselves the time and space to decompress and recharge, which makes us feel better and actually makes us more effective. It can be tough to cut the virtual cord on occasion and disconnect from your phone. But, it’s a smart strategy to keep your head straight in an online world that is increasingly full of apps that are intentionally addictive.

I’ve found that the best place to cut the virtual cord is in the Masonic Lodge.

Often, the first thing Brethren do when they meet face-to-face is shake hands. Touch is a powerful sense. Shaking hands causes the centres of the brain associated with rewards to activate. You are literally conveying warmth. Touch builds trust. People who trust each other work better together, and face-to-face interaction facilitates that. When attending Lodge, where cell phone use should not be permitted, all your senses are engaged in your surroundings and your fellow Brethren.

Our closest relationships cannot flourish only in disembodied remote connections. It is your body that allows you to be present, to give and receive fraternal fellowship. The digital world of “not you, not now, and not here”, is disembodied. One of the most radical things we can do right now as Masons, is face-to-face communication.”

THE GRAND MASTER.

“I have been very aware that, as Grand Master, it is the Office itself and what it stands for that is deserving of respect. The Grand Master, however, must labour every day to be worthy of the respect and deference that comes with occupying such a trusted position. It may be said, that as a manager, the day-to-day goal is to “do no harm.” I have been cautious to remember that as I represented Minnesota Masonry, any successes were due to the concerted efforts of many, while less noteworthy instances were to be laid squarely at my feet.

I was and remain committed to those projects that would serve to increase our numbers while maintaining the tremendous reputation that so often precedes us as Minnesota Masons. My fervent desire was to adopt plans and ideas that would create a better, richer, and more engaging experience for all Masons. In my travels, I have studied the processes of other Jurisdictions. These experiences yielded to me an invaluable wealth of information and methods. Such elements, I felt, could be used to tailor and craft tools and materials that would be of service to our members, and indeed, our prospective members.

To some extent I feel that in such efforts we have enjoyed at least a modicum of success. Alas, much more needs doing, and the aforementioned successes seem rather diminutive given our needs and my desires. That being said, I remain confident of a bright and energetic future for our Fraternity. It may be said that one may hope for a brighter

future, but as regards the Craft, hope is not the proper word. The true and proper word should be WORK.

Technology has changed the way we live, and innovations will continue to do so. The Grand Lodge is well aware that modern men embrace the benefits of technology and we have taken steps to meet their expectations. We have embraced tech. and we have people in place to support those next innovations as the need presents itself.

As a freshly minted Master Mason of some twenty years hence, many of those experienced Brethren who blazed a trail for me are no longer with us. At that time, the time when attending Lodge called for a necktie, they were ever present. Yet the voices and the memories they conjure may still serve as positive influences in my Masonic life. I assure you that I am not looking back, nor longing for the past. I just wonder what they would offer me on this day. I wonder, because as of late, I have become somewhat concerned that we, as a Fraternity, are becoming estranged from them.

That in some ways, we are straying from the solid and familiar ground so well known to their generation onto the slippery paths of individualized desires and indulgences. There are rules and parameters that govern and guide our Fraternal lives. As leaders, we must display and explain this today as perhaps never before. As of late, I am fearful that our espoused support for Masonic leaders lasts until we don't agree with their decisions, and then our vaunted support ends. We are in agreement with Committees and Programs, until we simply decide we are not of like mind. We pick and choose the traditions and long-established methods of Fraternal life we will follow, and when.

Is such ideology generational?

We swear to practice certain points, tenets and principles. Among such dictates is our agreement to trust and follow those who are elected to lead. This has always been the way. We may not always agree with certain dictates, but our sense of duty should trump our instincts. Such is our obligation.

The duties of a Grand Master are varied indeed, and no two days are alike. What makes up a year? It may be likened unto that which makes up a life. Triumph and struggle. Good times and sad times. Energy as well as fatigue. The chance to make a difference and the sense of feeling helpless. All these duties and emotions combine to form the term of a Grand Master, we must adapt to a fast-changing technological world. Nothing is completely sure or constant, save for the undeniable truth that the Masonic Fraternity is worthy of our best efforts and that the support of the Masonic family is invaluable.

These beliefs are the things that will sustain us."

Guy A. Jenkins, Grand Master.

Freemasonry in the Grand Lodge of Louisiana has a rich history. The first Lodge in New Orleans was Parfaite Union (Perfect Union), who received a Charter in 1794 under the auspices of the Grand Lodge of South Carolina. Another group also formed a Lodge in 1794 called Etoile Polaire (Polar Star) and petitioned the Grand Orient of France for a Charter. The French Revolution complicated that petition, resulting in a Charter being granted to them by the Provincial Lodge in Marseilles in 1798. In 1804 they finally received a Charter from the Grand Orient of France.

France sold Louisiana to the United States in 1803. That released the Masons of New Orleans from the complications of a Spanish government subordinate to the Church.

Freemasonry “came out” at that time; Louisiana was granted Statehood in 1812, and the Grand Lodge of Louisiana was constituted that year. Because of the confusion and close dates of the Charters issued to Perfect Union and Polar Star, both Lodges are listed as Lodge Number 1 on the roll.

Louisiana in the early 19th Century was a complex mix of ethnic groups, resulting in these groups chartering their own Lodges. The two original Lodges conducted their Ritual in French; the others in German, Spanish and Italian. In terms of Ritual and tradition however, they took their cues from the two Number 1 Lodges. With the Scottish House of Stuart living in exile in France, the brand of Freemasonry that came to that country was more directly linked to Scotland than England.

As Freemasonry spread from France to the French Colonies in North America, that Scottish influence and organization went along. By the time Freemasonry reached Louisiana, there were two distinct styles of Ritual in North America. Lodges chartered in the Thirteen Colonies were under the authority of the Grand Lodge of England and inherited their traditions. Louisiana picked up the more-Scottish traditions from France (via Haiti). By 1812 and the formation of the Grand Lodge of Louisiana, both styles of Lodges existed.

To this day, there are 10 Scottish Rite Blue Lodges in New Orleans. These Lodges are part of the Grand Lodge of Louisiana. Their Ritual is significantly different from those whose roots originate in England. There are more “English” Lodges in New Orleans, but these 10 still claim their Scottish heritage.

Membership in Louisiana Masonry peaked in 1964 with 51,512 members, and since 1812 the Grand Lodge has chartered over 490 Lodges.

In common with many Jurisdictions that have a rich and complex history, Louisiana faces the same issues and challenges, one being declining membership.

The Membership Committee Report outlined the efforts of Grand Lodge to reduce the number of Demits and Suspensions and thereby slow the rate of decline. The TUFOR programme was an innovative step.

The task was not just to gain in membership numbers, but to give pride to Brothers who find outstanding men and give them the gift of Masonic light. The TUFOR Award recognizes Brothers who succeed in finding and sponsoring a good candidate to replace each one of us in the present, and another candidate to help Masonry grow in the future.

This award was developed by a Past Grand Master.

“Together oUr Future and One moRe for ourselves” is the program’s slogan.

All DDGMs are encouraged to promote the program when they visit the Lodges in their District. They are to remind the Brothers that when they have signed up two candidates who progress to and complete the MMs Degree, they are eligible for the TUFOR AWARD and a certificate.

The work for the Master Mason who is the first line signer of the Petition does not end after he has signed up the candidate. The Brother needs to have continuous contact with the individual and make sure that he continues his studies. In the past years, the Jurisdiction has fallen short in this area. It has been proven pointless to sign a Petition and hope the candidate will keep going back to his coach. If he does not, the Lodge has lost another Mason and a vital asset to the Lodge’s future. New blood is needed to take over the ship. The proper State-wide promotion of this Program is vital.

The Grand Master has charged all DDGMs to be present, as his personal representative, at any Lodge in his District when an E.A. Degree is being conferred, to congratulate the candidate on behalf of the Grand Master.

When the Grand Lodge is advised that a new E.A. candidate has received his Degree, the Brother receives a letter from the Grand Master welcoming him into Masonry. On completion of his Master Mason Degree he will receive a second letter from the Grand Master complimenting him on becoming a Mason.

The Grand Master also addressed the financial downside of declining membership by issuing an Edict concerning the Perpetual Membership Program. It was originally created to allow members to make a lump sum payment of 20 times the sum of the current dues and per -capita, relieving them of yearly dues payments and insulating them from all future dues and per-capita increases. The system was a great one for those who could afford to join, and for Grand Lodge and individual Lodges who would continue to receive payments even after a member passed away.

This is all true and works very well when the return on investment is 5% or greater. The Program ignores inflation. In response to declining membership and the increased cost of goods and services, dues and per-capita continue to rise. Income from the Perpetual Membership Program remains frozen at the rate that was in effect when the member joined. The difference is being made up by additional charges to those members who are paying annual dues and per-capita.

Those who were unable to purchase a Perpetual Membership are in effect subsidizing those who could afford to buy into the Program. For these reasons, the Grand Master suspended all new enrollment until the Management Board modified the current program. The new Program stipulates that a member enrolling in the Program shall tender the minimum sum of his Lodge's dues and the per-capita, multiplied by a "factor" based upon his age at the time of application as set forth in a Chart indicating average life expectancy based on actuarial tables. For example, "the factor" or multiplier for a member who enrolls in the Program at age 18 would be 112. For an 80-year-old member "the factor" would be 27.

The new Program recognizes inflation and devaluation of the Dollar over that period of time.

The Youth Organizations are continuing their efforts to grow membership. There are currently 6 DeMolay Chapters with 53 members Statewide. All of those 53 members are considered active. DeMolay also has one Club with an Advisory Board in New Orleans.

The Committee encourages all Lodges to seek out their closest Rainbow and DeMolay Chapters and offer support in any way possible. These young ladies and gentlemen are the future of the Fraternities.

The Masonic Learning Centre of Louisiana also reports that the youth of the State are the recipients of Grand Lodge's principle philanthropy; educational and training services addressing Dyslexia. The following data is an overview of this work:

143 students served.

11 communities in 9 Districts served.

19 teachers employed.

\$236,000 spent.

Average contribution per student - \$1,648.

The success is measured in what is done to help children overcome Dyslexia today, to become the leaders of tomorrow. This Charity has been in effect for 20 years.

The Information Technology Committee continues to oversee the Grand Lodge Website, www.la-mason.com. The site is always evolving, and several updates are planned in the near future to provide additional information for the general public.

They continue to expand the Secretaries online reporting functions through the use of the database management program. The range of services that Grandview provides is ever expanding and can be accessed by any member.

The Committee is working on producing a high-quality video for the upcoming Grand Lodge Session. They also hope to have the ability to livestream the open portion of the Session.

The Committee is always looking for new and additional ways that the Website and database can be of service to the Constituent Lodges. They welcome any ideas for

additional functions that they may provide and invite the Brethren to contact them with any new suggestions.

The Secretary Training Committee completed 7 workshops around the State of Louisiana for the year 2017. The workshops cover the basic subjects of File Management; collection and accounting of all annual dues, processing petitions, reporting Lodge finances, and computer reporting and management. In addition to the workshops, the Secretary Training Handbook has been uploaded to the Grandview Website for all Secretaries to download and use for reference material.

In an age where legal and financial liability is always at the fore, the ad hoc Insurance Committee advised that they have been unable to acquire group coverage for all Constituent Lodges. Therefore, all Lodges have been urged to individually explore the acquisition of property and liability insurance for their Lodge buildings and contents. Each Lodge must review its current property and liability coverage to see that the same is in place and is adequately covering all risks.

Even if a Lodge is only renting space in a building owned by someone else, care should be taken to see that the Lodge furnishings are covered in case of loss, and that proper liability coverage is being maintained. Due to catastrophic historical events, and the nature of the climate in Louisiana, Lodges should be aware whether or not its property is in a flood zone, and if so, purchase adequate flood coverage.

A Committee was formed to study the Regularity of Unrecognized Masonic Organizations, and reported that they have identified and classified as irregular, the following organizations:

The M.W. Prince Hall Grand Lodge of Louisiana.

The Prince Hall National Grand Lodge of Louisiana.

The King George Grand Lodge of Louisiana.

The Universal Grand Lodge of A.F. & A.M.

The King Cyrus Grand Lodge of A.F. & A.M.

The Phylaxis Society is a Grand Lodge group that has taken up the responsibility of tracking other Grand Lodges and providing a list of what they call "Bogus Masonic Bodies." In the State of Louisiana this society lists a total of 14 different "Bogus Grand Lodges" in various cities throughout the State.

In conclusion, the Committee urged that all due vigilance be done to guard the West Gate to ensure that anyone coming to the doors of a Lodge professing to be a Master Mason, and with the desire to visit any of our Constituent Lodges, be fully investigated.

The Grand Master, in his closing Address, cited many of the positive aspects of Freemasonry, and then his concerns over what he described as an attitude among certain Brethren that is permeating the Craft to its detriment, and he called for a return to basic principles.

"This Fraternity is still a wonderful organization; however, elements in our membership are not keeping up. Their attitude seems to be "If I cannot get my way, I will see how tough I can make it for everyone else." How sad. We are having Unity Meetings that are anything but Unity. We have had an unusual number of cases for the Appeals and Grievance Committee. There is so much unrest. How did this begin?

Now, is everything bad? No, Indeed not. We are having meetings all over the State where Peace prevails. Brotherly love, Truth and Relief are being practiced. There have been Centennial Plaques presented. Twenty-five, Fifty, Sixty and Seventy-Year Awards are being given to the membership. We have celebrated Widow's Nights, Past Master's Nights and many other special events with good attendance and wonderful fellowship.

Let us all work toward having and retaining that kind of spirit again."

WASHINGTON

161st Annual Communication, Wenatchee, Washington, June 2018

164 Lodges

12,120 Members
(Loss 494)

M.W. Warren B. Schoeben, Grand Master.

“The old days of membership are gone and are not coming back in any of our lifetimes.”

This remark lay at the heart of the Membership Development Report. As a bold statement, it appears to be a negative. The Committee Chairman contended however, that acceptance of that fact opens up a positive and realistic path forward.

“A Brother Mason told me that his Lodge had nine new members this year, when last year they only had three. I told him that while that is great it is not anywhere near what we used to have. Based on where we were in the 80s and 90s, we would need 93 new members in each of the next 5 years to get back to that number. Obviously, this isn’t going to happen.

We seem to know this in our head, but have not accepted this in our hearts, and have said we are OK with it. In the First Degree, we profess that our faith is in God and the Worshipful Master informs us that our faith is well founded. We must now have faith that, if the mission of Masonry is just, it will prevail. Our responsibility is to have a plan for Masonry that fully accepts and even embraces a smaller – and hopefully more committed – membership.

The modern man wants value for his time. In the past we retained members because of factors that were completely out of our control. Men became Masons to be part of the leadership network of their city or town. Even if they didn’t find any personal value after joining, they would pay their dues year after year, so their names wouldn’t appear on a NPD or Demit list, out of real or perceived fear that this would impact them personally or professionally, or both. Today, there is no perceived impact on a man if he leaves the Fraternity, and he will do so if there is no value to him.

If you accept these remarks as true, there are some natural consequences:

- (a) The total membership will be less, but the ratio of total membership to active members will increase. Very few men will continue to pay dues if they don’t attend Lodge.
- (b) There will be more turnover or churn in the Fraternity membership rolls no matter what we do.

Both are mega trends across all strata of business and social institutions. The days of someone buying the same soap, attending the same church, belonging to the same organizations and having the same job their entire lives are long gone. In a society where technology is only valuable for a few years until the next thing comes along, it’s completely fine to use anything until the value wanes. We need to accept this and make Masonry a positive experience if a man is a member for 4 or 40 years, while doing what we can to keep relevant to each Brother for as long as possible.

Recommendations for the upcoming year include efforts to build a lifetime of member development that is a true system of engagement. As with advances in technology, there should always be a next thing for the growth of each Mason.

We will focus on the following 3 points for the upcoming year:

Programs and brochures for two inflection points where we can lose members – (a) after the Third Degree and (b) after being Master.

Closer co-ordination between the Technology, Membership Development and Education Committees.

Co-ordination between Blue Lodge membership development, and the membership development efforts of each of the Concordant and Appendant bodies.

In summary, from the time a potential member approaches the Lodge for membership, to going through the Officer line, to working with youth or joining a Concordant or Appendant Body etc.- the Membership Development Committee should focus on the logistics, coordination, and process of the experience.”

The Grand Secretary’s Report contained a dose of financial realism.

“It only takes a short time to realize that our expenses exceed our revenue, otherwise known as a deficit budget. I will not magically make money appear or try to hide any expense. The Brethren need to know exactly where we stand. I will ask that you note that the expenses are increasing only marginally, mostly just keeping up with the increased cost of doing business. We did not upgrade computers this year and we reduced printing and mailing costs by an increased use of e mail where permitted by the Masonic Code.

The following statistics illustrate the problem. In 1994 there were 29,000 Masons and 236 Lodges in the Jurisdiction. 345 men were initiated, but there were still more deaths and NPDs than new Masons and the average age of our membership was 67.

24 years later the average age is still 67, but rather than bringing in younger men, our new candidates now average in their 60s. This situation has been trending for a long time.

A survey conducted at that time came to this conclusion: “The situation in Washington is critical to the long-term health of the Masonic Grand Lodge. Membership programs must be developed by INDIVIDUAL Lodges to overcome their decline”.

What does this have to do with the Budget? If you are holding or reducing expenses, how come you present a deficit budget? The reason is there are fewer contributing to the Lodge and Grand Lodge treasury. The simple fact of expenses being flat and income in serious decline leaves us where we are today.

There are Emergent Recommendations dealing with the deficit being offered for your consideration. None will be popular, and each will affect the membership in some way.

Lodges that are reluctant to raise their dues, are having trouble paying their bills and keeping their doors open, and are paying less a percentage of their income than their fathers and grandfathers, that are dropping programs and pulling out of community projects, will in the end, withdraw into obscurity.

I looked at 15 other Jurisdictions, selected on similar size of membership or somewhat larger.

Their average fee per-capita is \$37. In my estimation, raising our fee to \$40 puts us more in line with them, and still puts Masonry way under the cost of most other clubs like Elks, Moose etc. Put bluntly, Washington is lagging behind almost every other Grand Lodge of similar size. It’s like being from that part of the U.S. that competes to rank 50th in nearly every area.

It puts us more in line with how our fathers and grandfathers gave us the buildings we can no longer afford, and how they supported their Little League, Scouts, and the communities that we are forsaking.

There is a new Internet phenomenon called “GoFundMe” This is where ordinary people contribute to someone else’s cause. I see people create “GoFundMe” pages in order to finance transportation, rent, education, and even vacations.

Consider your dues and fees as a GoFundMe for your Lodge and Grand Lodge.”

The Proceedings also reported progress by the Public Relations Committee, who aired 30 second announcements on 166 TV and Radio stations throughout the State, aired to coincide with the 300th Anniversary of Freemasonry, and to promote the Grand Master’s mission that we “Communicate to Educate.” The announcements consisted of a series of vignettes; interviews with Washington State Freemasons explaining why they became Masons, how the Craft has changed their lives and – in turn – how they are changing their communities.

The strategy was to connect with the public at a visceral level by letting them hear from a cross-section of the membership, rather than a scripted “pitch” from a production-booth announcer. These were not designed to be calls for membership, but directions for those interested in finding out more about Freemasonry through the Grand Lodge Website, where the Committee could accurately track the response rate.

In 2016 more than 40 Masons convened a special meeting to discuss and if necessary, create a new Long- Range Plan for the Grand Lodge of Washington. Out of this event, six guiding principles emerged which were originally labeled the “Six Supports of 20/20 Vision.” Over the course of the last two years it became clear that the 20/20 part had implications for the year 2020, which was not intended. In that light, the label for these guiding principles has been massaged, adjusted to be deemed “The Six Supports for Long-Range Planning”, as this more accurately describes their purpose. These guiding principles are:

MEMBERSHIP EXPERIENCE.

Engage and retain members and their families through an enhanced, sustaining, and relevant membership experience.

MASONIC EDUCATION.

Educate members and communities about the Fraternity’s intriguing and enduring history, values, practical application of our principles, and relevance to society today.

LEADERSHIP AND MANAGEMENT.

Strengthen our Leaders and cultivate new ones; strengthen management and governance at all levels.

BEYOND THE LODGE.

Instill a wider Masonic perspective, inside and outside the Fraternity, by deepening the connection between members, Lodges, the worldwide body of Freemasonry, Concordant and Appendant organizations, and the Public at large.

PHILANTHROPY.

Focus our philanthropic efforts through Washington Masonic Charities.

TECHNOLOGY.

In all areas, leverage technology for communications, education management, charities, and deepening the connections of members to our Fraternity.

While a Long-Range Plan must be clear, the Committee recognized that the Plan must allow for flexibility and creativity on how the outcomes are achieved.

The Chairman then posed the questions: But where is the measure? How do we know if the goal has been achieved?

All we need to do is turn the narrative into a simple question.

Do we actually do the things we have outlined? If we can answer “Yes” to all the questions, then maybe we have kept our focus on the Guiding Principles. As long as we continue to utilize them in our planning, by everyone from our Grand Lodge Officers, through every level of the Craft, by every member of our Jurisdiction in and through our Lodges, we can’t fail.

At this Annual Communication you will likely hear about declining numbers in our membership and budget issues. Both are very important to our Grand Lodge and our individual Lodges. Yet, I submit to you, that if we ensure that these Principles remain in place in our day-to-day management of the Grand Lodge and our local Lodges, you will see an improvement in all areas, including membership, and in the values perceived by our

membership, thereby improving the value for the costs associated with running this business of Freemasonry.”

Freemasonry Through Three Centuries

How do the first three centuries of Masonry inform the modern Mason on the current and future state of the fraternity?

In this presentation, we'll explore how Freemasonry evolved from its beginning in the 17th century to our modern lodge structure in the 20th century. Masonic lodges had humble beginnings often meeting in vacant rooms above local taverns. Later, Masons built Masonic halls in the center of town and then, in some cases, they built huge cathedrals that became icons of architecture. How did this evolution of meeting places impact the culture and

structure of the lodge? Was anything important lost along the way? Can we learn from this history? We'll discuss these and other questions in this presentation on Freemasonry Through Three Centuries.

Deputy Grand Master's Thanks to R.W. Bro. Allan L. Casalou

To the Most Worshipful the Grand Master, Past Grand Masters, honoured guests, Ladies, Brethren and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

R.W. Bro. Casalou:

We have shared the podium several times – in San Francisco at the World Conference, in Madison at the Conference of Grand Secretaries of North America, and now here at *my* Grand Lodge. It is a pleasure to have you speak to us tonight.

I have referenced your Centuries of Freemasonry idea regularly in my talks and it is so good for the brethren to finally hear the full, original version. The Centuries of Freemasonry apply here in Canada as well and we are also suffering the hangover from Cathedral Masonry, with too many, too large buildings and a habit of judging success by numbers. Your message is surprisingly very hopeful. Surprisingly, because you deal with that declining membership over which we have all been gnashing our teeth for many years. But you show that it was just a temporary trend, and it was in the *last* century. We are now in a new century and have the knowledge and the will to remake Freemasonry into that vital institution that will serve us for the next 100 years. Thank-you for your insights, your leadership and your friendship.

David J. Cameron,
Deputy Grand Master

**SUMMARY REPORTS OF THE
DISTRICT DEPUTY GRAND MASTERS 2018 – 2019**

Algoma District – 8 Lodges

R.W. Bro. William D. Calder

It has been my distinct privilege to have served as DDGM for Algoma District for 2018-2019.

I would like to thank the Brethren of the District for their confidence in me and Port Arthur Lodge No. 499 for the opportunity to do so.

This past year has gone by very quickly. A number of Installations were held before the new year and a few Official visits. In the new year a few more Official visits before the highlight of my year when we held the Grand Masters Reception on March 23rd 2019 at the Prince Arthur Hotel and Suites. This grand evening was preceded by a Meet and Greet at the Connaught Lodge building on Friday evening which was thoroughly enjoyed by all.

The following morning a workshop was held at Shuniah Lodge, by R.W. Bro. R. Kaufman, Chair of Strategic Planning.

Many thanks go out to the Banquet committee, who attended the several meetings required to ensure that all the bases were covered for the reception and events that took place that weekend.

At the Fraternal visits, Installations and Official visits there was great support from Committee Chairs and members of our District team. One example was the annual Trip to Hornepayne Lodge No. 636 for their Installation and Official visit, where Brothers from Thunder Bay Lodges travelled a return trip of 980 Kms to assist where necessary in the week end events. Great Fellowship was enjoyed by all.

The Committee Chairs have faithfully fulfilled their appointments to support all Lodges when and where needed. It was evident in the Majority of Lodges that improvements have been made in areas of Ritual and Lodge Room Work. Implementation of the P&E guidelines and information was of great help. Lodges who required special assistance were supported by W. Bro. Bob. Willett, chair of Mentoring.

A very special thank you to My District Secretary W. Bro. John Breen, who faithfully spent countless hours assisting, doing the paperwork and contacting Lodge Secretary's for information. Thanks John. My year as District Deputy Grand Master has been very rewarding. The knowledge I have learned will carry me even further in Masonry. I would like to give Special Thanks to R.W. Bro. Neil Lundberg and R.W. Bro. Robbie Manz for all their mentoring, direction and assistance during this past year. I will cherish this past year in my heart.

Algoma East – 8 Lodges

R.W. Bro. George Thomas

It has been a privilege and honour to serve as the representative for M.W. Bro. Paul E. Todd in Algoma East District. I would like to acknowledge the valued help I received from our District Secretary R.W. Bro. James Broomhead, the chairmen of our various committees, and the PDDGM Advisory Committee chaired by R.W. Bro. Brian Olson. Together we made a great District team.

The eight lodges of Algoma East are spread far and wide throughout beautiful Northern Ontario. The long distances required to travel are made much shorter by the warm welcome and fellowship of each lodge. Our District Secretary and I attended seventeen fraternal visits, eight official visits and by the conclusion of our term, eight installations. Four of the fraternal visits we attended were visits outside our district. On two of these visits we had the honour of presenting long term Masonic pins to Brothers who could not travel to receive them. We were also able to attend the Grand Masters Reception hosted by London West and London East Districts.

On a sad note we attended seven memorial services which included two of our District chairmen, these being V.W. Bro. John Stewart (District Chaplain), and V.W. Bro. Larry

Brisbois (District Organist). We also lost PGS, V.W. Bro. Peter Astles.

In conclusion, I will not hesitate to state that Masonry is alive and well in Northern Ontario. We have a good number of new members throughout Algoma East District and hope to continue to receive more into the Craft. The leadership in our eight Lodges has been excellent and will continue to be so. I sincerely thank the Worshipful Masters, and their Officers and Brethren for a successful Masonic Year.

Brant District – 12 Lodges

R.W. Bro. Kenneth R. Lovett

It was a fantastic journey and I thank Brant District for giving me this opportunity. In the district I was warmly received at all the lodges. Reba Lodge closed gracefully in October with a lot of respect and admiration for the Craft. There were 17 first degrees, 5 – 50 year pins, 1 – 50 year Past Master's pin, and I was part of a 65 year pin presentation to V.W. Bro. Reid Chesney at Oak Branch Lodge (Innerkip). 12 members passed to the Grand Lodge above. I had visitors – 2 from England and 1 from Mexico and 3 visitors from Prince Albert Lodge (Hamilton). Four Grand Officers joined me in the East during the year, one of which was Deputy Grand Master R.W. Bro. David Cameron.

I represented Brant District at 2 Grand Lodge receptions along with my wife. The highlight of the year was being at the Scottish Rite Temple where 3 lodges came together to put on a 1st degree where half of the visitors were from Brant district. The lodges doing the work were St. John's No. 35 Brant district, Barton Lodge and Temple Lodge (both of Hamilton). A dedication of a display case containing Reba Lodge's regalia and artifacts was held at St. George Lodge. A Devine Service was held at Bethel Stone United Church in May which was well attended by the congregation, the brethren and their families.

My charity, the Dyslexic Learning Centre of Hamilton and the Grand Master's charity Autism Research were well supported. Masonic education was held at Burford Lodge No.106 under the direction of V.W. Bro. Gary Mudford on the subject of salutes. This was well attended and received.

Thanks to all the chairmen of the district committees for attending the various meetings and the lectures they gave. I would like to thank the 2 Grand Stewards V.W. Bro. Ron Rowe Sr. and V.W. Bro. Alastair Robertson for accompanying me to the lodges. Many thanks to W. Bro. Dean Bauer, District Secretary, for all his hard work and dedication during my year. I wish the incoming DDGM, W. Bro. Paul Isaac the very best in his year.

Bruce District – 11 Lodges

R.W. Bro. Brian D. MacTavish

It has been a busy year in Bruce District once again and it has been a privilege and a pleasure to serve as District Deputy Grand Master for this District.

On October 20, 2018, Bruce District hosted a Reception in honour of the Deputy Grand Master, R.W. Bro. David Cameron celebrating the 150th Anniversary of Saugeen Lodge No. 131, the 125th Anniversary of Port Elgin Lodge No. 429 and the 125th Anniversary of Moravian Lodge No. 431.

One of the highlights of my year was presenting four 50 Year Pins and two 25 Year Pins. It is an honour to be present at these important milestones.

By year's end there will have been a total of 14 initiations in our District and it was my pleasure to participate in a meaningful way in each of these initiations. I have been privileged to witness the initiation of five sons of fathers who are Masons, including that of my son, Bro. Michael MacTavish. The initiation of one's son into Freemasonry is an especially momentous occasion and it is a memory that I will cherish.

The travelling and brotherly love that I have witnessed in Bruce District this year, I believe, is second to none. The support that we give one another is truly an example to be lived up to.

A very well attended Grand Master's Reception in honour of M.W. Bro. Paul E. Todd was held on May 11th, 2019. I would like to thank all of the Brethren who participated in

planning and making the Grand Master's Reception a memorable event.

Bruce District now consists of 11 Lodges with the Amalgamation of Harriston Lodge No. 262 and Clifford Lodge. No. 315. This is regrettably a sign of our times but it is believed to be the best path forward and I commend them for their leadership in this regard.

A Lodge of Instruction was held in Hanover and our guest speaker was R.W. Bro. Richard Kaufman. He spoke on "Strategic Planning Initiatives". It was very well attended and I believe the Brethren of Bruce District were very enthusiastic about his message.

Serving Bruce District as the Grand Master's representative has certainly been a highlight of my Masonic journey and I am deeply grateful to the Brethren of Bruce District for this opportunity. I would like to offer my appreciation to the District Secretary, W. Bro. Ian McDougall, for his hard work and help to make this year a success. Thank you to all the District Chairmen and Worshipful Masters for their support throughout the year. I wish all the Brethren of Bruce District continued success and happiness in their endeavours.

Chatham District – 10 Lodges

R.W. Bro. R. Marcus Hewitt

In my second year as D.D.G.M., I can attest to the fact that it is indeed just as fulfilling as the first. The District has been extremely supportive over both years, responding very positively to my goals of increasing inter-lodge visitation, and providing high quality Masonic Education at every meeting.

Chatham hosted the Grand Lodge tent at the International Plowing Match this past September. We were honoured to have had our Grand Master and a substantial number of Present Grand Lodge officers in attendance. Challenging weather did not prevent the event from being a complete success. A Perch Fry and Reception was held in honour of our Grand Master, as part of the I.P.M., with over 125 Masons and their guests in attendance. The organizing committee, District and Lodges are to be congratulated on the exceptional results.

Four lodges in the District have now either achieved Cornerstone designation or are working towards designation in 2019/20. I encouraged all lodges to attain Cornerstone designation, as it has proven to have a revitalizing effect and we have seen struggling lodges of the past experience a revival.

The Grand Master's Reception was held at the end of March and once again, the organizing committee, Lodges and members are to be congratulated for the exceptional results. With 146 in attendance, which included eight current District Deputies, and seventeen Present Grand Lodge officers, an attendance record was set.

Highlights of the year included the presentation of numerous 50 and 60 year pins and a record number of initiations. As the results of the efforts of the District Grand Master's Project Chairman, the Lodges and members provided a very significant financial contribution to the Grand Master's chosen charity in both of my years. The Grand Master is extremely grateful to the District, Lodges and members for their generous support, as am I. There will be challenges over the next couple of years as some of our lodges struggle to remain viable, in the face of shrinking numbers and the cost of building upkeep.

It has been my honour and privilege to serve the Grand Master, in the Chatham District over the last two years. The experience was most enriching and I shall always treasure the friendships and fraternal bonds that have been formed. I wish my successor all the best in 2019-2020 and I look forward to serving as the District Secretary this coming year.

Eastern District – 12 Lodges

R.W. Bro. Leonard G. Finnamore

I would like to begin by thanking my wife for the support she has shown me during the last year. I would not have been able to do the job without her. Secondly I would like to express a sincere thank you to the Eastern District Secretary. Without him my job would not have been impossible. He made everything very streamlined and easy. Last but not least, I thank

the brethren of Eastern District. We have a superior group of Masons with outstanding leadership and guidance skills who always support the DDGM in all his undertakings.

Eastern District was very fortunate to have our Grand Master present twice this past year. Both times were for lodge anniversary events. Our first visit was for the 150th anniversary of Lancaster Lodge, followed by the 175th Anniversary of St. John's 21A. Both events were very well attended and we showed the Grand Master and his traveling team how well we do things in Eastern Ontario. Another highlight of the year was the Masonic Association of Eastern Districts annual general meeting. We were honoured to have our own Deputy Grand Master speak. The brethren enjoyed his speech and are looking forward to his term as Grand Master.

We took some giant steps this past year to help the Brethren stay connected with the creation of the District's Facebook page which has been a huge success and the updating of the information on the District's website. The Brethren generously supported the District charity once again this year and with their support the Fredrick Earle Eaton Masonic Memorial Bursary fund is set up for the next few years. This ensures Students in Eastern District get the support they need to continue with their Post-secondary education.

I have nothing but positive memories of my year as DDGM and these will remain with me for the rest of my life. I wish my successor all the best in his year and look forward to supporting him, the way the other DDGM's in Eastern District have supported me.

Essex Country – 14 Lodges

R.W. Bro. Richard W. Stevenson

The third year of our amalgamation is coming to a close and it is heart breaking to have to say that in a lot of respects the Lodges and brethren appear to be having a difficult time in adjusting to the new reality of there being 14 lodges in the district. There are a few Lodges that I have seen no, to very little, if any changes over the years since amalgamation. They have continued to keep themselves isolated from all other Lodges in the District.

Many brethren from all lodges still do not venture far from home. I am however, pleased with the glimmer of hope. There are some brethren who appear to have seamlessly broken away from the old moulds, patterns and habits and are visiting all around the District. There are a few who have gone a step further and affiliated with Lodges where there is need for support. I thank and congratulate these brethren, from Past Grand Lodge Officers, Masters, right on through to the newly made brethren who travel with them. I am sure they will continue to act as a beacon of hope, and an example of the fraternal union and brotherhood that Masonry is meant to be, and indeed lead the brethren by example.

I give a special thankyou to all those brethren who supported the office of DDGM, and the District in general, by faithfully attending as many official visits, installations and other functions as their circumstances permitted. These same brethren also offered and/or responded to requests for assistance to anyone, or any lodge that requested or required the same.

I am optimistic, that the District will meld together, as will our Grand Lodge evolve in our new reality. Today's challenges demand that we consider new options, and new alternatives. It will just take a little bit of patience, effort and time to integrate changes, such as amalgamations and other administrative changes that may be required to be instituted as we adapt to our Orders lesser numbers.

The builders of the ancient Temples and Cathedrals did not erect the superstructures overnight, it took planning, teamwork and effort. Neither can Masonry expect to instantaneously evolve within today's new and rapidly changing reality, but we will adjust, it will be for the better.

Frontenac District – 14 Lodges

R.W. Bro. Serge R. J. Landry

It has been my privilege and honour to represent the Grand Master, Most Worshipful, Paul E. Todd, Grand Master, of the Grand Lodge of Canada in the Province of Ontario in

Frontenac District and to serve. My visitation to the District lodges and external to the District were very fulfilling to me and inspirational.

The brethren of Frontenac District have responded very positively to my theme of “Reinvigorate, Rejuvenate, and Refresh” and the messages I presented at each of my Official Visits. I spent a great deal of time focusing on messages which encouraged Lodges to build on three main areas which are designed to ensure the long term health of Masonry in this area, namely: Create a culture of mentoring, Make visiting a necessity and a way of life, and Enhance communications between Lodges and their members.

Unfortunately, we lost a great number of brethren to the Grand Lodge Above over the past twelve months, each a significant loss to the craft, but a few past DDGMs who also made their marks in our District. On a positive note, I was pleased to present many more long service pins and recognition ceremonies for our brethren than I attended masonic memorial services.

We were pleased to receive the Grand Master into the District five times over the course of the past year; three were for happier occasions: the 150th anniversary of Leeds Lodge No. 201, the Investiture of the Grand Standard Bearer at Maple Leaf No. 119 and a fraternal visit to Albion Lodge No. 109 where 50 and 60 year pin presentations were made. The Deputy Grand Master made a brief visit at the end of the year, a brief stop before his trip to Quarry Lodge, where he presented an inspiring message for things to come.

The brethren in Frontenac District readily practice the tenets of Freemasonry in Brotherly Love, Relief and Truth. At times it may not be easy to uphold these fundamental principles, or to practice such time-honoured and time-tested virtues as Faith, Hope, Charity, Temperance, Fortitude, Prudence, and Justice; but these should not be great sounding words devoid of meaning; they must be carried into active operation. We must do so in a determined and persistent way to keep their meaning pure.

The Brethren of Frontenac District should continue to reach out and be an example to all. Finally, learning to change little by little is crucial to the success of any organization; especially for the Brethren of Frontenac District.

Georgian North District – 11 Lodges

R.W. Bro. V. P. James Stiles

Georgian North is comprised of eleven lodges, three of which are summer lodges, dark in January & February so was busy throughout the entire year.

- Over the course of the year attended approximately various 85 Masonic events.
- Attended Warden’s Association Degree night at Coronation Lodge in July 2018.
- Attended Grand Lodge Officers Degree night led by the Grand Master at Coronation Lodge in August 2018.
- Attended all eleven Official Visits within the District.
- Attended eight Installation ceremonies within the District.
- Attended Amalgamation and Installation Ceremony for three of our District Lodges into one new Lodge led by the Deputy Grand Master.
- Attended seven Masonic Funeral Services.
- Made fifteen Fraternal Visits in an out of District.
- Attended several Grand Master Receptions in various Districts.
- Attended Grand Lodge Especial Communication in North Bay in April 2019.
- Hosted Grand Lodge DDGM Orientation Training at Orillia Lodge in April 2019.
- Attended both Georgian North & South Districts Warden’s Association Meetings.
- Attended both Georgian North District’s Masonic Association Meetings.
- Hosted a very successful District Divine Service in April 2019.
- Made presentations of long service awards; 2 for 25 years, 3 for 50 years and 2 for 60 years.

This year I created four new District Advisor positions filled by Past Grand Lodge Officers with extensive experience and knowledge to provide guidance and instruction to the fourteen District Masonic Association Chairmen.

I also initiated a District Project I called “Reunite The Family” and assigned to the Chair of our Brother To Bother Committee. The focus is to get those “Rusty Masons” back to lodge that continue to pay dues but are no longer active. To date we have had three Masons return as a direct result of this program. This is a multiyear program.

Through my Official Visits three lodges were identified as doing substandard work. I have assigned past Grand Lodge Officers from other lodges to work with these lodges in order to bring up the standard of ritual work. They are also encouraging the use of the Grand Lodge Programs to attain long range success.

Overall I consider the year to be a very enjoyable and successful year for both myself and the District.

Georgian South District – 10 Lodges

R.W. Bro. T. David Curthbertson

I would like to thank the brethren of Georgian South District for their confidence and support this year, but more importantly I want to thank them for their support of Masonry in general in our district. Special thanks to the Masters and Secretaries of the 10 lodges in the district; they have made my year virtually issue free.

I have been honoured to attend no less than 5 long service awards throughout the District. It was a pleasure to attend and participate, even a small way, these committed brethren of our craft. I was fortunate to attend the issuance of the Barrie Demolay Chapter’s founding Charter. Both the Demolay and Rainbow girls continue to grow and strengthen with the great support of the brethren and Eastern Star members of the District.

The District project was the Barrie and District Food Banks. The individual Lodge’s focus was on keeping the food donations of “a can a meeting” in their respective communities. I know it has been beneficial to the communities and the lodges both. I commend all on their efforts in support of this worthwhile cause. The District Divine Service was well attended and held at St. George’s Anglican Church. I want to thank the Rev. W. Bro. David Warren and the congregation of St. Georges for their warm welcome and hospitality.

Visitation, membership and attendance is slightly up this year, but we need to remain focused on retention and engagement of the newer masons in our District.

Finally, I would like to thank the Committee chairs who performed their duties admirably and gave to their District generously. Special thanks to the District Secretary/Treasurer W. Bro. Ron Greer for his support, confidence and hard work. It has truly been a humbling experience for me this year as DDGM, I take the memories of the visits, Installations, Official Visits and social events I have had this year and will forever hold them dear and close to my heart.

Grey District – 12 Lodges

R.W. Bro. Christopher R. Hedges

Grey District consists of twelve lodges ranging from Owen Sound and Meaford on Georgian Bay, south to Orangeville and Grand Valley. The geographical size of Grey District makes visiting a challenge for some of our lodges, especially in poor weather, but inter-lodge visitation is continuously encouraged. The Work & protocol in Grey District is very good and many compliments have been received about the friendly atmosphere of our country lodges. Several lodges report decreasing membership, one in particular is showing signs of trouble. All of our lodges are working to improve their situation, some with more success than others. The Grand Lodge programs are seeing more use and the lodges using them are having good results. Friend to Friend breakfasts are still common and a drop-in lunch at the Owen Sound Temple every Thursday is quite popular.

A District Lodge of Instruction was held in the fall at Hiram Lodge, Markdale. It

covered the topics of Strategic Planning and Long Range Planning and was well attended by the Brethren of the District. The District Curling Bonspiel was successfully held in January. A District Divine Service held in Markdale had a good turnout and the message by the Minister was very positive and complimentary of Masonry and its brethren. There was also a good turnout at the reception for the Grand Master held in Arthur this April. A District Golf Tournament was held on May 25th and although more sparsely attended than in previous years was enjoyed by those involved. There has been the continuing good support by the brethren of Grey District for all district events held this year.

Overall Grey District is in good shape and has some good examples of Masonry at work, and I thank our District Secretary Worshipful Brother George Wyville for his work and dedication to the District this year.

Hamilton A District – 14 Lodges

R.W. Bro. Ian L. Anderson

I was very pleased this year that I was able to execute a visit, either Fraternal, Official or Installation, to each lodge in the district during September and October. I was also quite pleased that I had the opportunity, during my addresses, to attend to two items of concern to me.

First, the approach to the potential applicant. That is, talking to him first, before any application is presented, make sure he understands what he is entering into. Second, voting in Masonry. That is, voting is not a casual thing, voting is important. However, if there is a concern with an applicant it should be addressed long before the vote for the applicant is to take place.

The remainder of my addresses related to items I thought would be of interest to the brethren. The history behind things they refer to every meeting, such as "Formation of our Grand Lodge", "Development of Our Ritual", "So Mote It Be", "Boaz", etc. I must say I rather enjoyed preparing and delivering the addresses. The research facet of the addresses was most enjoyable and I can only hope the brethren enjoyed the information as much as I enjoyed researching it.

The Hamilton 'A' Food Drive was very successful. This is an initiative that has continued in Hamilton 'A' for several years now. It seems to have grown in intensity over the years. The beauty of this food challenge is that it is easy for the brethren to partake in, serves a very serious need, and presents Masonry in a very fine light in the community.

The District Charity, the Ontario March of Dimes, was also a great success. At this writing we will at least surpass the \$10,000 mark. A key to the success of this charity was the charity event, a table lodge. A major reason for the success of this event was the driving force of the District Secretary, W. Bro. Norman Staryk, and the creative writing of the script for the evening by W. Bro. Blaine Stafford and Bro. Adam Stafford. The event was well attended, the brethren enjoyed themselves, and I am most proud to add, used common sense.

One last item; I was impressed by how many of our lodges have informal meetings, such as coffee, with their potential applicants, applicants and candidates or invite them to their banquet before lodge, or to their refreshments after lodge. What a wonderful way to introduce the potential brother to the brethren. The result is a calmer, more relaxed candidate at his initiation. I can accept no credit for this.

Hamilton B District – 10 Lodges

R.W. Bro. Les R. Vass

Hamilton District "B" now consists of 10 lodges after the amalgamation of The Harmony Lodge No. 57 and Enniskillen Lodge No. 185, September 2018. This merger resulted in a stronger and healthier lodge operating as The Harmony Lodge No. 57.

All lodges were asked to submit a long range plan, goals and budget for the ensuing Masonic year to help gauge the health and direction of the lodges. Those that participated saw the value in this exercise. All lodges are in relatively good health with the usual membership and attendance issues we have witnessed broadly.

My theme for this year was “Building The Future Together” which was meant to raise awareness and commitment from the membership to be proactive, think creatively and work together to preserve and maintain our fraternity. We have had some good results with new social events, suggestions on membership retention and witnessed many new young men being initiated into Masonry. Some new actions taken District wide were: a Safety Announcement made at the start of each lodge meeting; a request for the return of any unused Grand Lodge regalia; a series of Degree Workshops; and the implementation of a Mid-Term District Meeting.

District “B” was very active in charity work this year. We supported CityKidz, a program which helps our less fortunate inter-city children. Several fund raising events were held which were successful in generating well over \$10,000. Money was also raised for various other charities including Autism Spectrum Disorder Research.

The use of social media continued by all lodges to better serve the communication needs of the brethren. The District Webmaster was tasked with upgrading and re-designing the website. This project is well under way and hope to launch the new website in the very near future.

District “B” is proud to report that all 10 lodges are participating in the Cornerstone Project, we are the only District in the Jurisdiction with 100% involvement. Another milestone was the 100th Anniversary Celebration for Lincoln Lodge No. 544 in June.

It has been a privilege and an honour to serve Hamilton District “B” as District Deputy Grand Master. A huge thank you to all the brethren.

Hamilton C. District – 12 Lodges

R.W. Bro. Robin J. Colville

It has been an honour and privilege to serve as the DDGM of Hamilton Masonic District “C”. The theme of Ensuring the Timeless Vitality of Masonry was promoted through my series of talks at official visits by highlighting various Lodge resource programmes available through the Grand Lodge and to encourage our District Lodges to use these programmes to their maximum benefit. Also to promote awareness of the importance of our new members, and the steps we must take to make sure they are engaged and feel a part of our fraternity, with the goal of increasing both membership and the level of participation in our Lodges.

As well as the official visits and installations in the District, I enjoyed many fraternal visits to all Lodges in District C as well as neighbouring Districts. I thank the Craft Association for organizing the DDGM reception in March, and I thank the several District Lodges who invited my wife & I to their social events which were extremely enjoyable and helped raise the profile of Masonry in our community.

Thanks to the generosity of our District Lodges we collected more than \$9000 towards the District Project (Autism Spectrum Disorder Research) as well as more than \$1000 for Canadian Blood Services to sponsor Blood Donor Clinics.

I am pleased to report that District “C” is in good shape and our Lodges are taking steps where necessary to ensure their longevity and overall health. Only 1 Lodge in our District received a “conditional” rating from the Committee on the Condition of Masonry and the balance of the Lodges received a “healthy” rating.

This year we witnessed the amalgamation of Wardrope Lodge No 555 and Corinthian Lodge No. 513 to form the new Harodim Lodge No. 513. The Buchanan Lodge No. 550 celebrated their 100th anniversary by holding a Centennial Gala, and the Deputy Grand Master officiated at the Ceremony of Dedication of the Centennial Regalia.

We held a Lodge of Instruction for “Entered Apprentice Masons” to provide further enlightenment to our new young members. I hope this to be the start of an annual tradition, and can’t stress enough the importance of paying close attention to our apprentices and fellowcraft to make sure they feel engaged and part of our fraternityafter all they are the future of the Craft.

I am very proud of our Chronicle District Newsletter – wonderful work by the editors and contributors. Also, our district web site www.hamiltondistrictcmasons.org is an

excellent resource and I thank all those involved for maintaining and updating the information available there.

I sincerely thank the District Secretary and the District Leadership Team for all their assistance and support this year, and wish my successor as memorable a year as I enjoyed.

London East District – 11 Lodges

R.W. Bro. Donald H. Strickland

Report not submitted.

London West District – 10 Lodges

R.W. Bro. A. Brian Howard

The last two years of been very busy, the 10 Lodges of the district have been busy.

The bright side of what is happening in the District is the big change in the new Masons who are in the 25 years old to 40 years old and are very interested in the craft. The Lodges when doing degree work are doing a very good job on the ritual presentation.

At the start of my second term I had the honor to present V.W. Bro. Dylan Sworik with his Grand Lodge Regalia V.W. Bro. Sworik served the District well as the District sec.

There were many long service awards that where presented over the last year.

As last year, I tried to have the new Masons travel to other Lodges to see the difference in the way that other Lodges conducted how they run their meetings. I was very impressed as to the reaction to the new Masons that I did see at other Lodge meetings in the District, after their Initiation, there was a lot of attendance.

I would like to thank W. Bro. Jim Hadzinikolaou for doing a very good job as the District Sec.

The last two years of traveling in this Grand Jurisdiction has been a great learning experience.

One good part of being D.D.G.M that I had only six Masonic services.

I would like to thank all of the Grand Lodge Committees for their help and dedication.

For the London West District I will always be indebted to you for the experience you gave to Me in serving as your D.D.G.M for the two year term.

Niagara A District – 14 Lodges

R.W. Bro. Edward F. Dunsmore

The 2018-2019 Masonic year has been anything but status quo in Niagara "A" District. Immediately following the July Annual Communication of Grand Lodge, I had the privilege of advising a member he had been awarded the William Mercer Wilson medal. The presentation was made in December by the Grand Master and witnessed by several brethren and family members including three Past Grand Masters and the Deputy Grand Master. Due to severe weather conditions in the spring of 2018, Brock University served as host to the ninth and tenth lectures in the Charles A. Sankey Lecture Series program. On May 13, 2019, Perfection No. 616 and Grantham No. 697 united in an amalgamation ceremony to become Garden City Lodge No. 616. A reception to honour the Grand Master was held on March 9, 2019 which was well attended by the brethren of the Niagara districts. The Official Visits of the DDGM were conducted and proved to be educational, inspirational and entertaining for those who attended.

Most Lodges have had at least one new member join this year. Those Lodges are also practicing the proper protocol relating to five steps for membership with the results of building and developing a stronger relationship with new members.

While most of the Lodges in the urban areas seem somewhat stable, there are three Lodges in the City of St. Catharines currently discussing a possible merger and two other Lodges discussing an amalgamation. It is inevitable there will be fewer Lodges in our district within the next two years. One can only hope that those Lodges involved in the discussions will allow the dictates of right reasoning to prompt their decisions.

Niagara B District – 10 Lodges**R.W. Bro. Michael J. Ferguson**

I must begin by thanking all the brethren of Niagara B District for a successful year as District Deputy Grand Master. The District Resource Team, the District Secretary, and our District Chaplain did an outstanding job. As well the DDGMs and the brethren of their Districts who were always hospitable during my visits to their Districts where I felt like a friend a brother.

I would like to see the Lodges do more visiting, coming together as a District, as was the case with our successful Joint Grand Master's Reception, building bridges not fences and keeping Masonry strong in Niagara, although I do foresee a few Amalgamations within the next few years.

Therefore Lodges need to look inward at themselves and come up with a Strategic Plan for the future. Successful Lodges can't rest on their laurels, but need to have a plan in place to maintain their health, and struggling Lodges need to consider whether Amalgamation or Going Dark could be the answer to their unhealthy state. A Lodge that is struggling has 4 choices, Amalgamate, Go Dark, keep struggling until you're no longer making quorum, or pick up the slack through the use of Grand Lodge Programs and become a healthy Lodge once again. It's that simple. Strategic Planning also means sound financial planning. We cannot keep our Dues artificially low, running deficits, squandering investments when we'll need those funds for the maintenance of our Masonic Temples. Freemasonry isn't free and we can't hold it cheap.

One thing that is free is good Ritual. Most Lodges do well with their Ritual, but often it's the Rubrics and the Mechanics that get overlooked. Fine tuning these items will make Degrees/Installations all the better. We never get a 2nd chance to make a good 1st impression. Practice makes perfect.

Lodges in Niagara B are either doing well, holding their own, or going through difficulties, which is the same throughout our Grand Jurisdiction. I honestly feel that it's time we consider circling the wagons, and have fewer, stronger Lodges, as opposed to many weak ones.

Nipissing Muskoka District – 9 Lodges**R.W. Bro. Gerald W. Brandt**

First and foremost I wish to thank the Brethren of Nipissing Muskoka for allowing me the opportunity to represent the District for 2018-2019 as their DDGM. Also, I wish to thank the Officers and the DDGM Advisory Group of Nipissing Muskoka for making my term as DDGM most rewarding. Also a special thank you to our District Web Master and producer of our Round Table, R.W. Bro. Garnet Schenk and to our District Piper, R.W. Bro. Matt Plant for accompanying me on my Official Visits.

This term started off with the Amalgamation of Golden Rule Lodge No. 409 and Muskoka Lodge No. 360 held Oct. 16, 2018, which has now become our largest membered Lodge in our district.

A Mini Grand Lodge, Especial Communication was held in North Bay in April, hosted by North Bay Lodge No. 617 and Nipissing Lodge No. 420. All Lodges of the District were in attendance and supported the Banquet following. It was an event that will stay in our minds for a long time, as the education component delivered was exceptional. All those that attended agreed that it was a great event, and a heartfelt thanks to R.W. Bro. Gord McKay and W. Bro. Bruce McCulloch and the brethren of the Lodges for the countless hours of preparation. It was an honour to be sitting at the head table with our Grand Master M.W. Bro. Paul E. Todd and our Deputy Grand Master R.W. Bro. David J. Cameron. We were all accompanied with our Ladies who enjoyed the fellowship and good times with us.

I had the privilege to attend a Military Table Lodge in late April in North Bay at the 183 Club and had a very enjoyable evening, full of food and laughter.

In April a DDGM and secretary course was held at Sturgeon Falls Lodge No. 447 of which I attended and am happy to report it was well run and received, by all who attended.

In May we held a Divine Service at Burk's Falls United Church and our District Brethren were outnumbered by 5 to 1, however it provided a great opportunity to explain what Masonry is all about, to the congregation. It was well received and many questions were answered during the lunch provided after the service. During my term I am aware of Friend to Friend nights, Brother to Brother nights, and huge community involvement by our District Brethren, not to mention gifts and cards to our widows throughout the year.

Starting this September 17th there will be a International Plowing Match to be held in Verner Ontario, for which our District will be manning the Grand Lodge Tent. Preparations are well on the way for hosting this event.

Two 60 years a mason, two 50 years a mason, and five 25 years a mason pins were presented to deserving brothers within our District.

On the positive side we will have had +20 initiations, 5 reinstatements or affiliations and have received applications on another 6 possible candidates in the District. Most all of our Lodges have brethren awaiting for degrees. However on a sad note we have also lost to the Grand Lodge above this year by 19 members of which 8 did not request a memorial service.

One of our Lodges did a survey on its membership and found that 36% of its members were +70 yrs, 40 % were +55 – 69 yrs, and 24% were < 54 yrs old. On looking around our other Lodges this trend seems to be the same. This begs the question as to where are the younger candidates, how do we attract them? My thoughts are we have to be seen to be heard.

But most of all I wish to thank my wife Diane for her undaunted support during my busy year as the DDGM of Nipissing Muskoka District.

North Huron District – 8 Lodges

R.W. Bro. Keith P. Heydon

Thank you Brethren of North Huron District in your faith in me during in my third year as the representative for our Grand Master. This term was about trying to get our Lodges stronger and continuing on the correct path for their futures.

North Huron is a district composed of 8 Lodges with $\frac{3}{4}$ of them smaller lodges in membership numbers situated in rural communities. Our long term plans must reflect and address living in small communities and those realities. I am glad to report that we have had success in drawing new members to the craft, some carried over from Friend to Friend gatherings held last year. We still have more work to do in maintaining our membership and the current leaders are going to keep that focus.

This masonic year we hosted a reception in honour of our Grand Master in Brussels, ON that was well attended. From the comments in the following weeks and months this event was well received by all who attended and the Brethren of North Huron should be proud of this accomplishment.

We also hosted a seminar on the Cornerstone project. This is a proven program to strengthen a Lodge I encourage all to look hard and incorporate the materials for use in our Lodges and District.

I was privileged to attending many lodge nights where 25yr, 50yr and 60yr anniversary pins were presented. These are events that I will always cherish and feel will help strengthen our craft. Good attendance by everyone on these special days means so much for those receiving their pins.

I thank all of the Brethren of North Huron District for their support in me during my third term as the District Deputy Grand Master. I also thank all of the Chairmen of the District Committees who stood up and stay on to support both myself and our District. And finally thank you to W. Bro. Chad MacLean who served as the District Secretary for this year and all his hard work and effort.

Ontario District – 15 Lodges**R.W. Bro. Kevin M. Wilson**

It has been an absolute honour and pleasure to serve as the District Deputy Grand Master for Ontario District. Ontario District is very busy and active, with over 70 Masonic events including Official Visits, Installations, District Masonic and social gatherings. This does not include the number of 25, 50 and 60 year Pin recognitions, Masonic Memorial Services or special occasions / events hosted by the various lodges.

Increased communications between the District and Lodges, as well as awareness of District events was one of our main objectives for this Masonic year. Our District Secretary was instrumental in the establishment and administration of the Ontario District Online Library. This, along with the District Calendars and re-introduction of the digital weekly trestle board has resulted in increased visitation, participation in various masonic events and greater communication within the individual lodges.

To increase awareness and utilization of the various Grand Lodge and District programs, we also developed a District Chairman Reporting Template to be presented and submitted at each of the District Meetings outlining the progress of the various Grand Lodge Programs and District Committees. This has increased awareness across the District on the Committees and their responsibilities, as well as all the resources available.

Our District Secretary, with the assistance of our Mentors Program Chairman, developed a one-day Lodge Secretaries workshop to educate secretaries of the tools available within the Ontario District Online Library as well as lodge secretary best practices. This one-day session was attended by over 20 Secretaries and Masters, and the feedback from members present was incredible, and will be a valuable session to continue with in the future.

Ontario District is very fortunate to have number of skilled brethren to serve as our District Pipers, and I am grateful for their attendance and travel throughout our District to make our Masonic events that much more special. As well, for the overwhelming support and hard work of the Brethren for embracing our District Project in support Wounded Warriors Canada. Because of you this has been an absolute success.

Finally, my sincerest appreciation to all the Brethren of Ontario District for your support and entrusting me to take on this great office as the Grand Masters representative.

Ottawa 1 District – 15 Lodges**R.W. Bro. Adam E. Thompson**

It has been a pleasure to serve as District Deputy Grand Master of Ottawa 1 District. Masonry in this district is alive and well, with some of our lodges showing great signs of growth and prosperity. However, our district is not immune from the challenges that our Craft as a whole is facing: declining numbers, increasing costs and private piques and quarrels.

Many of our lodges are actively using Grand Lodge programs, such as Friend to Friend and Brother to Brother. Some have made the leap and incorporated the Cornerstone program, but I would like to see more lodges embrace this program, even if only on a partial basis. I would also like to see a greater emphasis on Officer Progression, to ensure that we are setting up our new officers for success and providing them with the tools they will need when they serve as Worshipful Master.

Ritual is overall of a high quality, but many lodges need to devote more time to practicing floor work, in particular the deacons' work. Protocol and etiquette could also use more attention, particularly at the festive board, as some lodges do not give this the priority it should receive.

In the coming years, increasing costs – particularly in relation to building maintenance and operations – coupled with declining numbers, will force some lodges to make difficult decisions. At present, all seem determined to face these challenges head on.

My district charity this year was the Bruyère Foundation, in support of a local network of health services directed towards the most vulnerable of our community: the frail elderly,

people with chronic and terminal illness, and persons with disabilities. They are particularly known for their palliative care and physical rehabilitation services. I thank the brethren for enthusiastically supporting this endeavor. Further, our lodges were active in the community, supporting a number of causes, and continuing the Ottawa districts' annual Valentine's Charity Ball.

Ottawa 2 District – 11 Lodges

R.W. Bro. Kenneth G. Brinston

I wish to thank the Brethren of Ottawa District 2 for their confidence and support over the past year. Serving as DDGM has truly been a rewarding and privileged experience. I am also grateful to our District Secretary, W. Bro. Terry Davies, for his dedicated service.

Substantial progress was made on our 2018-19 District priorities. Lodges reached out to estranged and lost brethren through Rusty Mason Nights, special social events, and dedicated communications. A Leadership and Development workshop was held for new lodge officers and younger brethren. Several of my DDGM addresses focused on the need for leadership, motivation, and engagement. The District also formed a special committee to begin discussions around future District alignment and amalgamation.

The Cornerstone initiative is well embraced within the District. Nine out of 11 lodges have either attained, are renewing, or are obtaining the Cornerstone designation. This has no doubt contributed to the overall health of the District as demonstrated by the strong support for the Travelling Gavel Award which promotes inter-lodge visitation. Cornerstone has been instrumental for several lodges leading to improved membership engagement and community involvement.

I believe actionable strategic planning is critical to our future. To aid lodges in this matter, a District Dashboard and individual lodge performance reports were developed to assess the Condition of Masonry within the District. It is my hope this information will help both the District and individual lodges identify areas for improving the overall Masonic experience for members and visitors.

This year's charity project was a tremendous success thanks to the generosity and support of lodges and individual members. It is with great pride that I report Ottawa District 2 raised over \$15,000 in support of youth mental health through the Royal Ottawa Foundation – "Do It For Daron Initiative."

As our Grand Master's representative, I was honored to assist in the presentation of 70, 60, and 50-year service pins. The decades of service and dedication of these worthy brethren is inspirational for us all. Early in the year, we also celebrated the 150th anniversary of Madawaska Lodge No. 196 with a commemorative ceremony and banquet with our Grand Master in attendance.

The year was not without its regrets, sadly after 171 years, Dalhousie Lodge No. 52 surrendered its Warrant and in April the solemn Ceremony of Extinguishing the Lights was held. However, I have no doubt going forward the members of Dalhousie Lodge will perpetuate the genuine tenets of our time-honored institution for years to come.

Peterborough District – 11 Lodges

R.W. Bro. Frank W. Groves

Most of the issues experienced by Peterborough District involve the condition of buildings, financial instability, membership decline and poor engagement of existing members.

Two lodges experienced serious constitutional compliance issues. One is working extremely well in resolving their issues although it is not totally out of the woods. The second Lodge is just beginning to deal with serious compliance issues. It has been placed on probationary status by Grand Lodge given uncertainty concerning its ability to function properly in the long term.

Peterborough District held a lodge of instruction January 26, 2019. It was conducted by the past DDGM's of the District at my request. This was well attended and well received.

On April 29, 2019 a Grand Lodge appreciation night was held in the Masonic building in Peterborough. It included four Districts, namely; Ontario, Prince Edward, Victoria, and Peterborough. In addition, several Grand Lodge Officers as well the Grand Master were in attendance. This was a night to behold as the banquet and lodge room were full. Every chair in the Lodge room was occupied by a Grand Lodge Officer. This proved to be a great night of fellowship and fun and has been the subject of ongoing positive comments.

On May 26, 2019 another edition of the live variety show, "Awesome and then Some" was held at the Showplace Theatre. All proceeds from this event went to the District Project supporting Autism Research, contributing to its great success. All who attended found the event to be very entertaining.

There have been many events held to raise money for the District Project. All were well done and greatly appreciated. The brethren of Peterborough District have worked extremely well together this year in achieving many goals of which we are all proud.

As well, the four Lodges in the eastern part of the District are starting to talk about reducing the number of buildings in use in favour of one Lodge building with overhead costs to be shared by all. This may well result in more financial stability of each participating Lodge and, hopefully, more fellowship between their brethren.

Over all this has been a great year for Peterborough District. It has been an honour for me to be District Deputy Grand Master and one that I have enjoyed thoroughly. I am extremely humbled by having been given the distinct pleasure of serving the Grand Master, Grand Lodge and my District.

Prince Edward District – 10 Lodges

R.W. Bro. Douglas G. English

I am deeply grateful to the Brethren of Prince Edward District for providing me the opportunity to serve as the Grand Master's representative. My first interacting with the Grand Master was being brought in under the wands with him and investing the Grand Junior Deacon with his regalia in Trent Lodge No. 38.

On a sad note, the knowledge and support, by the passing of these esteemed Brethren has moved to The Grand Lodge above. R.W. Bro. Rodney Tompkins, R.W. Bro. Earl Gray, W. Bro. Robert Keene and W. Bro. Boyd Donaldson and Brother Art Dorland.

I was well received at all the Official Visits by the support of the lodge members and the visiting Brethren. The presentation of the Square and Compasses at each of the Official Visits created comradery by the number of members present from each of the visiting lodges.

Fraternal Visitation to Peterborough and Frontenac Districts fulfilled a rewarding experience that makes you feel passionate and dedicated to Freemasonry.

Prince Edward District had the honour of a reception for the Grand Master; Grand Lodge Officers and all distinguished Members and their guest present.

Our District Divine Service at St. Thomas Anglican Church was a heart-warming morning of Fellowship and an excellent luncheon that we enjoyed with the congregation.

As I write this, changing times are happening within the Lodges of the District that will reflect the strength of Masonry.

The duties of the District Deputy may be his responsibilities but he is never alone in making the commitment to the District without the cooperation and efforts of the District Chairmen. Thank you to each and every one for your dedication to the Craft. Communications from Grand Lodge to the District and keeping within the duties at Official Visits and other responsibilities are on the shoulder of the District Secretary. Thank you W. Bro. Greg Stephens for your commitment to the district and myself.

St. Lawrence District – 17 Lodges

St. Thomas District – 9 Lodges**R.W. Bro. Terry D. Ronald**

It has been my pleasure and honour to have had the opportunity to represent the Brethren of the St. Thomas District as their District Deputy Grand Master. It was a very rewarding experience which only exemplified the Masonic principals with their support towards me over the past year. The district chairmen were committed to both my Fraternal and Official visits and towards their district capacity. The District advisors were of invaluable assistance over my term ensuring the necessary protocol, etiquette and duties were performed correctly. I was a familiar face within our district and the twelve other districts of which I visited. The highlight of my term was visiting Grand Lodge of Ireland and Tennessee. In all such cases I entered as a visitor and departed as a friend.

I have had the privilege of meeting new Brethren who I trust will be long lasting friends and throughout this year I have had the opportunity to travel with current and past District Deputy Grand Masters of whom I have had a lot of fun with, enjoyed some great conversations with, and trust our time together will not be the last.

The St. Thomas District consists of nine lodges of which are experiencing the same issues as many other lodges in other districts. With our membership aging and our numbers decreasing I would suggest that we put a strong effort into re-engaging our current Brethren, although new membership is always welcomed and encouraged.

It's been a very humbling experience of which I will cherish and look back at for years to come with pride and I am so very proud that I was able to share this experience with my brother, who was the District Secretary and all the others who have travelled and assisted me over this past traveling year. I also had the honour of receiving Grand Honours lead by my son. I encourage any brethren who has the opportunity to represent their district to accept the challenge; it is one experience you will never regret. Our goal is to make good men better and this opportunity has made me better.

Sarnia District – 14 Lodges**R.W. Bro. Stephen G. MacNeil Sr.**

To begin with I'd like to say just what an honor it was to serve as the Grand Masters representative for the great District of Sarnia. Being elected was certainly a highlight of my Masonic journey. Throughout my year I believe I completed my obligation as DDGM by visiting all 14 lodges at Official Visits, Fraternal visits as well as Installations. On these visits I did find that most lodges are working hard to maintain our Districts standards as well as Grand Lodge's good name. All finances, books, buildings, and furniture seem to be in good order with a few lodges struggling to stay above water which is a situation seen across Ontario.

The work exemplified on my visits for sure looked to be in good hands, but again like most lodges and Districts we all need to Practice, Practice, and Practice. As well our Lodges need to get out around the whole district to and enjoy the fellowship.

Highlights, where to start? Sarnia District was extremely active in its events this year. Just a few examples, we put on a great Grand Master's Reception and what a great evening was had by all. To cap it off our Grand Master and the Grand Director of Ceremonies honoured those who made the supreme sacrifice by marching the next morning in Sarnia's annual Remembrance Day Parade which marked the 100th anniversary of the end of WW1. I'm told it was the very first time that this has ever happened in this great District. As is normal for our District, we held our annual Ladies Night, and again what a success with a tie at our famous "Pie Olympics". There were many 25, 50, 60 year pin presentations as well as plenty of degree work completed with 21 new initiations, two Masonichip Foundation of Ontario programs, JR and SR Wardens nights, an Empty Chair Ceremony, and a District Divine Service just to name a few. Both charities #2300, and #2624 were graced by the good will of the brethren. Amidst all this I managed to visit 14 different other districts and was well received and made many lifetime friends and our great Sarnia name is still intact I can assure you.

In summary I'd like to thank all the District Chairmen and the handful of great Advisers that guided me. With a special thank you to our great District Secretary Raymond L. Pierce Jr, and his lovely wife Brooke for their never-ending support. I'll be forever grateful to my dear wife Ann for the times she had to listen to my verbalizing but all the time knowing it was my pleasure to serve. Thank you, Sarnia District, and as well thank you Grand Lodge for your guidance and care.

South Huron District – 11 Lodges

Report not submitted.

R.W. Bro. Stephen V. Hearn

Sudbury-Manitoulin District – 7 Lodges

R.W. Bro. Paavo E. Luukko

While freemasonry is still going strong in the district it is weakening. Our seven lodges will likely be down to five or six within the next couple of years, mainly due to declining membership and the inability of lodges to maintain their facilities.

From 2017 to the present, membership in the district has declined from 693 as reported in the 2017 proceedings to 653 as reported by the lodges.

Gore Bay Lodge No. 472 had to sell their temple and moved into a rented location. This enables them to be financially viable for the foreseeable future. With only 62 members it was impossible for them to maintain the original structure. Doric Lodge No. 455 and Espanola Lodge No. 572 are also struggling with maintaining their buildings using various fundraising measures to help them balance the books.

The other four lodges in the district, namely Nickel Lodge No. 427, City of Lakes Lodge No. 536, Friendship Lodge No. 691 and Bethel Lodge No. 699 all share facilities in the Belrock Masonic Centre. This facility is very well managed and with apartment and office rentals as well as parking revenue and rent from a cell tower on the premises there are no immediate financial concerns.

Having said that, as membership declines and cost of operations increases, it is likely that in the not too distant future the building will be sold and the lodges will have to move and rebuild. One of the office tenants has already indicated a desire to purchase the building.

With a few exceptions, the work in the lodges is very well done, however, much of this work is performed by Past Masters. Lodges are struggling with filling the chairs with master masons. This trend cannot continue. We need to attract new and younger members.

Community involvement collectively is at an acceptable level, although there is always more that can be done. A new district committee called community outreach is being formed to include blood donors, assistance for the needy, and volunteering in various ways. Hopefully, this will increase public awareness and result in increased membership. Freemasonry will continue but at a smaller scale.

Temiskaming District – 6 Lodges

R.W. Bro. James G. Chalmers

It has been an honour and a privilege to serve as District Deputy Grand Master of Temiskaming District for the year. The District may be small with the number of lodges and membership, but it is big geographically and bigger still when it comes to the core values of Masonry.

The Brethren of the District ran a very successful fund raising campaign which allowed for additional funds to be added to the bursary that is presented by the Northern Ontario School of Medicine on behalf of the Masons of Temiskaming District. The additional funds should ensure the longevity of this yearly monetary award to a very deserving student on the road to becoming a doctor. A public cheque presentation was made at the Timmins and District Hospital. During the year, I also had the privilege and pleasure of presenting milestone pins - 50 year pins, 25 year pins, 25 years a Past Master pins to the brethren in the District. The District also ran successful Masonichip Foundation of Ontario event and

had a very enjoyable District Divine Service.

In May 2019, the Grand Master and various other Grand Lodge Officers visited the District to lead the Silver to Gold Ceremony of our newest 100 year Lodge. The Lodge room was full and the reception was well attended – an overall delightful event. Congratulations!

All the official visits during my term were successful in my opinion. Hospitality and fellowship were prominent at all of these occasions. The District faces the same struggles as in other areas, but there are some newer initiatives in the works to try and increase membership by incorporating the use of Social Media. Finding new ways to attract interest in the Fraternity seems to be taking hold within the District – exciting times!

Toronto Don Valley District – 19 Lodges

R.W. Bro. Ronel Manabat

“TOGETHER BRETHREN WE WILL ACCOMPLISH” is the theme of the district as we embark through a much-anticipated masonic year of 2018 – 2019. Committees were formed in order to serve the Brethren, Freemasonry in general as well as to the community that we live in. The Charity Committee organized a District Gala Night and a Charity Golf tournament to generate funds for Autism Ontario and the Shriners Hospital. The Education and Lodge Resources committee hosted several educational events ranging from Protocol and Etiquette reviews, friend to friend event and to an animated journey of the Entered Apprentice Degree and how the festive board was conducted at the earlier stages of Freemasonry which was very well attended by the Brethren of GTA. The Masonic Foundation of Ontario committee are able to process 36 kids and were able to do so by coinciding their program during the Christmas parties of the District and Filcan Cabletown Service Club. I am also pleased to report that the district has now 6 Cornerstone Lodges and 6 have submitted their letter of intent and has been working diligently in order to get their designation. The Social committee had a successful Axe throwing event and on June 22 is geared to travel to the Master Mason Degree to be held at the Owl’s head mountain in Montreal bordering Vermont, this event is promoted as a form of education as well as to meet and have fellowship with Masons outside our Grand Jurisdiction.

Few lodges of the district are struggling with membership retention due to several reasons i.e. old age, busy schedule, loss of interest as a result of piques and quarrels and other personal reasons. Huron Bruce Lodge No. 611 on October 24, 2018 had the Ceremony of Extinguishing of Lights. My sincere appreciation and admiration goes to the Brethren of Huron Bruce for over the years have served and supported Toronto Don Valley District.

Toronto Don Valley District in general is in a healthy state. My official visits were filled with degrees of Entered Apprentices which denotes that the lodges are gaining new members. Only few of the lodges have officers being Past Masters and younger members are now starting to participate in degree work, Official Visits, installations and visitations. I am hoping that this momentum of new member’s participation will continue to nourish and that the senior members will continue to appreciate and cultivate.

As DDGM, I can say that it was a very memorable experience that I will cherish for my entire life. Throughout my visit within and outside the District and while accompanying the Grand Master, I have met many brethren which now I considered one of my best friends, the display of sincere friendship and camaraderie is second to none and will forever hold them dearly close to my heart. I also sincerely extend my gratitude to the members of the District for the support you have given to our District and it was my honor and pleasure to serve all of you.

In closing, I would like to thank the Almighty for giving the opportunity and resources to be able to perform my duties and obligation. To my wife Rosanna and my children Nathan and Arianna for the love, patience and support you have given to me unconditionally.

Toronto East District – 18 Lodges**R.W. Bro. Malcolm Parish**

I am indeed proud of my District as we come to the end of a very meaningful and enjoyable year for myself and a well travelled District Secretary. We started the year with a couple of financial problems which were addressed very quickly by the diligent work of the Past Masters and our District Secretary. My plans to organize a Secretaries Association proved fruitful and an Awards/Service night has been arranged plus work has begun on a common computer program to assist all the Secretaries. My call to hold a District Friend to Friend night was answered by our F2F District Chair and a very successful F2F day was held at Chisholm Temple with over 80 persons in attendance.

I found the Ritual work in most Lodges to be above average, Lodges which were revisited last year had put an extra effort into becoming better at Ritual work, gratitude to my predecessor.

Attendance at Social events were down this year, but the Lodges who traditionally hold social events did manage to create enjoyable evenings. It is well known that my edict is Family, Work and then Masonry, so I am pleased to report of a very successfully, “Family evening”, Gala.

No Lodge went dark in my year, but our Lodges do need to look at the work they are doing to stay open. Some Lodges are just bleeding money, and although they have enough now, they won't in quite a short amount of time. Some Lodges have lots of money and yet have not had an applicant for some time, those Lodges need to look at the Lodges who have used F2F programmes, whether Grand Lodges or their Lodges version to increase membership.

It has been an Honour to represent the Grand Master and the respect shown to both myself and the District Secretary is heart warming. I have been told by Past DDGM's that my work has just started, looking forward to pressing forward with the Latter.

Thank you to all the Brethren who have made this year the most worthwhile Masonic year of my Life.

God Bless

Toronto Humber Valley District – 19 Lodges**R.W. Bro. Harry Ansara**

I am pleased to report that Toronto Humber Valley has a solid core of young, energetic Masons as well as dedicated, experienced Craftsmen to act as mentors. Some lodges will undergo some form of revitalization which will strengthen the district for the future.

The highlight of my term was the amalgamation of my lodge, Sunnylea, with Perfect Column Lodge on October 10, 2018. It was a remarkable and historic occasion witnessed by over 100 Masons from inside and outside our District. The ceremony, conducted by our GM and ably assisted by members of his entourage, made a lasting impression on all and it was indeed heartening to witness the principles of our Fraternity in action.

For the first time, our district, in conjunction with our District Charity, hosted a very successful Christmas Toy Drive in December, 2018. What we thought would be a small scale endeavour, ballooned into an overwhelming event involving five community organizations. The overall outpouring of generosity displayed by our members was commendable and I am very proud to say that the ground work has been laid to host future toy drives that benefit needy children. I express my heartfelt thanks to all who worked so diligently in ensuring a successful debut. The community witnessed Freemasonry and Charity in action and it was a joyous, memorable event.

Astra Mt. Dennis Lodge hosted a Remembrance Day ceremony commemorating the 100th anniversary of the Armistice ending World War I. It was very gratifying to see families in attendance and the solemn service was conducted with proper decorum and solemnity.

A Sunnylea Lodge member, W. Bro. Charles Duerdoth celebrated his 106th birthday on November 25th, 2018 at his residence in Georgetown, and I had the distinct pleasure to attend and present him with his Honorary Life Membership card and congratulatory wishes

from his lodge and the Scottish Rite.

I had the honour of presenting 3-50 year pins to outstanding Masons: V.W. Bro. John Scarr of Humber Lodge, Rt. W. Bro. Murray Dow of Mimico Lodge and W. Bro. Larry Aldebert of Sunnylea Lodge. It was a pleasure recognizing them for their lifelong contributions.

In August, 2018 I, along with many Toronto Humber Valley Masons, attended a Prince Hall Grand Lodge Communication in Mississauga, Ontario. It was historic and Masons from New York, Michigan, Washington and Massachusetts attended. The highlight was the conferral of an excellent Degree and the ritual work was outstanding. It was my first experience witnessing the Grand Lodge of Ireland in action and I was indeed impressed.

I express my sincere and heartfelt thanks to the following: W. Bro. Robert Foote, District Secretary for his invaluable assistance, guidance and true friendship; to my committee Team Leaders for their unending support, enthusiasm and diligence; to ALL Masons of Toronto Humber Valley for their individual and collective efforts; to my wife Nora for her loving understanding, assistance, and support.

Toronto West – 22 Lodges

R.W. Bro. Kevin J. Furlong

As I reflect on the past year during my tenure as DDGM I really thought that serving as WM was an apex in Masonry, but applying those tools learned in the East has allowed me to experience an even stronger connection with the Masons of the past and those presently as a dedicated leader in Toronto West.

The District chairmen performed their tasks exceptionally well to exceed those expectations outlined in their district mandates and I am honoured to have worked with so many Masons who expect more of themselves and deliver those higher standards to benefit all in the largest District in our Grand Jurisdiction. I commend the WM's who gave support to the District and were the leaders that move Masonry forward unimpaired.

We once again enjoyed getting together with THV and TDV to hold a District Multi-faith Divine service that was represented by seven faiths that was thoroughly enjoyed by the members and their respective families. These same Districts came together to enjoy a Lodge of Instruction where 104 Masons came to participate. An amalgamation was realized and one Lodge has turned their silver furnishings into gold. We congratulate The General Mercer Lodge No. 548 on reaching this historic status. Primrose Assembly IORG with Mississauga Chapter DeMolay are maintaining a strong presence and respectable growth.

The "Geoff Carr Fellowship" our District Charity to benefit those suffering from LUPUS. A music show, theatre night and Walkathon were organized to raise funds for this initiative. I congratulate the Chairman who organized these successful events as well as those who supported the cause.

I thank W. Bro. Bryce Graham, District Secretary who went well beyond the call of duty to ensure proper guidance, advice and assistance were given to both myself and the Lodges. I wish to thank him for his unequivocal support and friendship as he carried out the duties of his respective office. To my advisory board, and finally to my soul-mate Barbara, knowing that without her unconditional love and infinite patience this wonderful year as the representative of the Grand Master would not have been possible.

Victoria District – 13 Lodges

R.W. Bro. Robert G. Webster

Masonry in Victoria District is holding its own. There are several small lodges that are struggling to survive. On June 10, 2019, Victoria Lodge No. 398 will be surrendering its Charter to the Deputy Grand Master. Sommerville Lodge No. 451 is also in the same position but at this point have simply closed the doors. They do not have enough members to form a quorum and therefore have not been able to make this important decision. Several lodges have seen a gradual drop in membership over the last number of years and are being faced with an important decision on what to do in the future. What is working is a renewed

commitment to work hard to attract new members and keep them involved. For example, in the last few months, Spry Lodge No. 406 has 5 new young candidates. This is good news for Masonry when many of the lodges in the district are suffering a decrease in membership. There has been several meeting to discuss long range planning in the district as it is inevitable that some small lodges will close and amalgamate with other larger lodges in order to sustain Masonry in the district.

What is not working in Victoria District is the cost of maintaining the lodge buildings. With the decrease in membership, the lodges are having trouble covering the cost of the bills for the lodge. Many of the lodge building are suffering from a lack of finances to make necessary repairs and therefore are falling into a state of disrepair. The dues collected are no longer able to cover the cost of maintaining and repairing the buildings. The lack of money has not afforded the lodges the ability to make the necessary renovations in order for our elderly members to access the lodge rooms.

There is no real action that we can take to change this situation. All we can do is try to entice new members to join the Craft. We also have to realize that Masonry in our District is going to change and be open to the possibility that we may have to amalgamate lodges in order to remain fit and well for the future.

Waterloo District – 11 Lodges

R.W. Bro. William J. Shortreed

First of all I would like thank all the brethren of Waterloo District for their continuous support throughout the year. It also was my sincere pleasure to serve the Grand Master as his representative with in the District.

We started right after Grand Lodge with the Grand Lodge Officers night at Chinguacousy. As I travelled all over Southern Ontario with Waterloo District group of Grand Lodge Officers, Kelly Feldcamp (GJW), Warren Wolfe (GR), Richard Kaufman, (M of B).

Within the District we had a great year, with some personal highlights, in August with RW David Cameron (DGM) we dedicated the sitting area to the New Cambridge Library from Galt Lodge No. 257 (D) and Alma Lodge No. 72.

I had the pleasure of coming into lodge with our Grand Master in January at the extinguishing the lights ceremony of New Light No. 744.

Among the special service pins presented these stand out,

- 1) 50yr Past Master and a 50yr Mason, – to the Master and his candidate of 50 years ago.
- 2) 60yr Past Master Pin – RW. R. Bock
- 3) 75yr mason – to W. Bro. L. Haney
- 4) 25yr Past DDGM pins – to RW's G. Kennedy, F. Wilton, & C. Heap
- 5) Her Excellency The Governor General of Canada Award for Volunteerism to V.W. D. Walden

I started four new Awards in the district;

1. The Raymond S.J. Daniels travelling trowel with a point system, M/W/MM/EA/FC. A roll call is used and the total points are published after each O.V., on our district website. Hopefully that will show the lodge that is lacking attendance and the way to correct it is to get involved.
2. From that roll call I have instituted the Travelling Cane Award, which is given to the lodge that night with the most members present at Official Visits.
3. I also started the District DDGM Coin that is awarded at O.V.
 - The Master
 - Lodge Meritorious Award
 - E.A. or FC. Degrees

- E.A. from outside my district.

4. At Installations I started the Masters Book again, we used to have it years ago but has been lost for a number of years. Which is presented to the newly installed Master, to write whatever he feels pertaining to the Installation night, and presented to the next Master.
5. Another change was to shorten the waves coming into lodge, from up to three to 1 or two, which has received with applause.

In closing I would be remiss not to thank all of my team, To my all my district chairman, to all the event chairman , to my advisory board , Thank you to all of you , for your hard work. And to the District Secretary W. Bro. Walter Reidl a Big Thank You for the outstanding job you preformed throughout the year.

Wellington District – 11 Lodges

R.W. Bro. David A. Walker

I would like to thank the brethren of Wellington District for electing me to serve as the Grand Masters representative in our district, it has been an honour and a privilege to represent the Grand Master as DDGM in Wellington District

Thank you to the Masters of Wellington who travelled with me this year your support has been very much appreciated. Travelling this year has given me the opportunity to renew and strengthen old friendships and make a number of new friendships within and without the District.

Friendships created this year with my fellow DDGMs in neighbouring Districts has been truly gratifying and I am sure they will last a lifetime. This year also provided an opportunity to make friends with a number of brethren outside of Wellington District, this is one of the truly amazing benefits of Masonry.

Within Wellington District I had the privilege to present a 70 pin to W. Bro. Jack Winch of Waverley Lodge No. 341. I represented Wellington District at the Guelph Remembrance day service laying a wreath on their behalf.

There has been an increase in applications and Initiations within the district with 22 for the year to date all Lodges but 2 have received at least 1 application. Most of the 11 Lodges in Wellington are Healthy with a few improving and one that needs improvement. Unfortunately there has been reduction in visitation this year this I believe is due in large part to family and work commitments. I have attempted to attend all initiations within the district this year and have presented the Grand Lodge lapel pin and welcomed the new members.

This year my local project was Community Outreach this consisted of collecting gently used clothing food and money to be donated to local Charity groups that assist those less fortunate. All of the Lodges participated in some way with all donations staying within the local community increasing our normal donations from previous years. A number of Lodges made cash donations as well as food to local Food banks. Over 300 bags of clothing was collected and distributed to local charities that provide clothing to their guests at no charge.

I would like to extend my thanks to the District Secretary W. Bro. Frank Douglas for his hard work this year. I would also like to thank W. Bro. Willy Oliver for being a regular travelling companion. A special thank you to my advisors R.W. Bro's Poole, Hamilton and Insley and to W. Bro. Charron for his work as District chair of community outreach.

Western District – 10 Lodges

R.W. Bro. Garry W. McKinnon

What an honour it has been to serve As District Deputy Grand Master in the Ontario's Great Wilds of the Northwest! I thank the Officers and Brethren of all the Lodges of Western District for their support and understanding this year. A special thank you is extended to Atikokan Lodge No. 668 for their unwavering support for the District Secretary and me.

Special mention and appreciation for our District Secretary, W. Bro. John Williams, you are the greatest travelling companion one could wish for and I thank you for all your support.

The District Secretary and I were warmly and enthusiastically received at the door of every Lodge. Every Lodge was filled with good men, and good men alone. Without exception, the Lodges in Western District are well maintained and well managed; our members have every reason to be proud of this.

We witnessed balloting, Masonic education and degree work in most Lodges. The ritual we observed was near letter perfect. On the whole, all Western District Lodges do a fine job of maintaining and inculcating the traditions of our craft. Every Lodge has that one or two experienced past Masters that provide the much needed guidance and support to ensure we continue to preserve our ancient customs.

Participation rates appear to be the greatest problem in Western District. Membership is holding its own but only a small percentage of members regularly attend Lodge meetings. Most Lodges are incorporating more social events in an attempt to engage their members, potential members, and their families. These activities are resulting in a good degree of success. All of the Lodges in the District are also actively including Masonic Education in their meetings to increase knowledge and provide added value for those who do attend.

Although there is always room for improvement, the Lodges of Western District are well positioned to continue to make good men better.

Wilson District – 18 Lodges

R.W. Bro. Richard E. Langille

In the Wilson District it was a year of new beginnings. The new Wilson District made my year go by very quickly and kept me inspired. It was one of the most rewarding experiences of my life.

My first act of being DDGM was to preside over a Masonic Memorial Service, with ten more to follow. These Brethren are greatly missed.

I attended many Masonic anniversaries and investitures. I was able to witness all 3 Grand Stewards be invested with their regalia, 50, 50 years a PM, 60 and 65 year celebrations. At each event family and friends were in attendance.

Many of the lodges performed degree work this year. The ritual work I witnessed this year was done well and with enthusiasm.

I have worked with the Wilson District Association to enable us to become fully unified. The Association is working on improving and achieving 100% membership. The Association was able to host two different guest speakers during their meetings this year which were well received.

Thank you to all the Brethren for your continued support to both the “Be Safe App” and “Camp Trillium”. Your generosity continues to pay dividends and provides help to our youth and their families.

My most rewarding achievement this year was when I was able to work with the Masonic Foundation of Ontario and help assist a liver transplant recipient’s family with some much needed funds.

I spent a great deal of time visiting both in and out of the District. During this time I established many new friendships that will last a lifetime. Meeting these new brethren has enriched my life and has me inspired for a bright Masonic future.

Thank you to all Lodges that included me in their social events throughout the year and warmly welcomed the District team and I at each of the official and fraternal visits.

To my Advisors and District Chairmen, thank you for your time and dedication.

Special thanks to the District Secretary, W. Bro. David N. Barnim for his dedication, and for all the assistance he provided me over my term as DDGM.

York District – 19 Lodges

R.W. Bro. D. Scott Ryckman

York District has had a year of building cohesiveness within the District. Respect for one

another's differing opinions was restored by the brethren of the district following somewhat tumultuous District Meetings the previous year. To a large degree, the brethren called themselves to order and no acrimony has been in evidence at any District Meetings this year.

Due to a notice of motion for by-law changes, the DDGM struck a By-law Committee of 5 – 2 appointed by the DDGM and three elected by the brethren at the fall meeting. All the By-Laws of the District were reviewed resulting in many proposed changes. Proper Notices of Motions were made at an Emergent District Meeting in January called for that purpose. Another Emergent Meeting in March was called to vote on the Motions. Both Emergent Meetings were well attended. This semi-elected Committee earned great respect from the District membership.

York District's new Social Media Committee leapt into action creating Private Facebook and Twitter accounts which launched in August 2018. An App was created in late winter and Podcasts started as well. The App has proven itself to be a very popular addition to District Communications.

Competition for the Travelling Gavel has been amazing. The District Secretary, W. Bro. Mike Redman, made it his mission in 2019 to encourage friendly competition through e-mail broadcasts in the nature of sports announcements. Prior to Christmas, the average visitor attendance was 15.4 (5 OV's). Post-Christmas, the average has been 40 (13 OV's). Congratulations to Malone Lodge No 512 on their well fought win.

We are pleased to announce that as of May 31st, the District has raised over \$10,000 for the District Charities.
